Armistice Day Programs Held in This City

American Legion Hold Program at
Schools—Community Program
at M. E. Church

The passing of Armistice day was marked by several very pleasing programs that covered the day and evening and provided a very interesting phase of the story of the armistice anniversary.

At 11 o'clock Tuesday morning a short program was held at the high school as well as the grades, at the high school, Judge James T. Begley giving a very inspiring address along the lines of the lesson of the Armistice and paying a fine tribute to the record of the American fighting men of the war. The address was presented in the very able manner of Judge Begley and was a ringing cry for national honor to their sons who had served them, as well as for the outlawry of war.

The addresses in the grades followed the line of remembrances of the day and the work of the American Legion in various activities were given by Judge A. H. Duxbury and Attorney J. A. Capwell.

The W. H. M. S. of the First Methodist church also arranged a very fine program at the church auditorium which was largely attended, this following a very fine chicken supper served in the parlors of the church. At the church program Mrs. Otto Keek, president of the Home Missionary society presided and introduced the speakers and various numbers. The exercises opened with the singing of "America" by the audience and this was followed by the prayer by Rev. C. O. Troy, pastor of the church. The choir of the church gave a very beautiful selection and this was followed by the dramatic reading, "Lilac Time," by Miss Helene Perry. Attorney J. A. Capwell was present and gave the former service men's presentation of the thought of the day and the ideals for which war had been waged. The address was a most inspiring one, "America's New Day," given by Rev. C. O. Troy, covering an appeal to the citizenship of the nation to carry on the work that the service men had started. Mrs. Opal Turner Clements of Elmwood, who is visiting in the city at the home of her brother, County Treasurer John E. Turner, was heard in a very beautiful number, "Lest We Forget," the musical setting of the Recessional of Kipling. Mrs. William Baird gave a very fine dramatic reading, "Home Again," the musical setting being given by Charles Nowacek at the piano. Miss Hazel Struble gave a very beautiful number, "Land of Mine" and the accompaniment for which was played by Glen Woodbury.

The evening program was at the American Legion building and covered a social gathering of the Legion and Auxiliary members and their families. A short program was arranged by Dr. G. L. Taylor, chairman of the Legion committee, embracing a number of most interesting events, Mrs. J. A. Capwell giving two very fine readings and little Miss Jean Reid Taylor, also presenting two very clever numbers. Four of the service men, W. R. Holly, G. R. Holcomb, Tom Walling and H. L. Gayer, were called upon to tell a few of their experiences and location on Armistice day in 1918 and which proved most interesting. There were many games for the children and the adult members of the party spent the evening in card and dancing, the music being given by the Cardinal orchestra. At a suitable hour refreshments were served that added to the pleasure of the occasion. Mrs. H. L. Thomas and Mrs. James G. Mauzy were in charge of the refreshments.

FARM BUREAU NOTES Copy for this Department furnished by County Agent

October D. H. I. A. Report.

Donald Belknap, tester for the Cass County Dairy Herd Improvement Association, reports twenty head tested in October. A. W. Leonard of Murray has the highest producing herd in the five to fifteen cow group. Mr. Leonard's herd of 6 cows average 23.5 pounds of fat and 590 pounds of milk.

G. W. Hoffman of Alvo has a herd of 16 purebred Holsteins that averaged 27.1 pounds of fat and \$44 pounds of milk. The average production of the 172 cows in milk in the association was 177 pounds of fat and 457 of milk.

Many dairy farmers are now using a tank heater to take the chill off of the water. Milk being 87° water means that a cow must consume several gallons a day. If she is forced to drink ice water, the quantity she consumes will be considerably less than if it was 10-20 degrees above freezing.

Is it cheaper to heat the water with wood, coals, etc., or let the cow drink it cold and heat it with the corn, oats, bran, etc., that you have fed her?

Ak-Sar-Ben Sales Prices Good.

Cass County 4-H Boys are well pleased with the sale of their baby beeves and fat barrows at the Ak-Sar-Ben auction.

Vincent Rehmeier of Weeping Water purchased a calf last fall that weighed 490 pounds at 19¢ per lb. It stood fourth in its class at the state fair and 8th at the Ak-Sar-Ben. Friday it sold for \$13.75 per cwt. and weighed 1110 pounds. Premiums on the calf at the state, county and Ak-Sar-Ben shows amounted to \$33. John Day exhibited two calves at the Ak-Sar-Ben that sold for \$12.50 and \$14.00. The Stohman boys of Louisville sold their calves for \$14.00 per cwt. Glen Heneger of Weeping Water exhibited three barrows that weighed 715 pounds. They sold for \$11.50 cwt. and won \$13.40 in prizes.

Milford Smith exhibited three Hampshire barrows that won third and fourth in their classes and sold for \$12.00 per cwt. Vincent Rehmeier's Champion Chester White barrow sold for \$15.00 per cwt.

The outlook for boys feeding baby beeves for the coming year is very good. Any boy wishing to belong to a 4-H Baby Beef club next year should get in touch with the county agent.

ROTARIANS HONOR ARMISTICE

From Wednesday's Daily—

The meeting of the Rotarian club yesterday at the Majestic cafe was featured with Armistice day sentiment in the program and the splendid address given by Rev. C. O. Troy.

The program was under the direction of Judge A. H. Duxbury, a former service man and the musical setting of the meeting was a number of the songs of the war period of 1917 to 1919 which was given on the piano by E. H. Wescott while at the close of the last number, "The Rose of No Man's Land," the vocal refrain was given by Frank Clويد.

The address was along the lines of the nations duty to measure up in citizenship to the sacrifices of the men of the nation on the battlefield and on the seas, the call to service of all of the nation to preserve the ideals of our country. The speaker praised the work of Rotary in the

international field in the promotion of world peace.

The review of the Rotarian, official organ of the society, was given by Frank M. Bestor in a very pleasing manner.
