FARM BUREAU NOTES

Cass County 4-Her's Win Honors. Helen Cole of Weeping Water was not only a member of the high team but also the high individual in girls room judging at the International Club Congress held in Chicago November 29-December 6. Helen scored 322 points of a possible 350. The team had 625 points of a possible 700.

The reading unit, sent by Margaret Ranney, also of Weeping Water, placed third in Girls Room Exhibit. In fact, Pearl Althouse won fourth placing on pickles and Gertrude Christensen placed ninth on meats.

Other Cass county 4-H representatives in Chicago last week were, Evelyn Sumner, Avoca, John Day, Weeping Water and Malden Hanks, Eagle, Miss Jessie Baldwin, the assistant county agent was also in Chicago enjoying the full week's program along with three other assistant county agents from the state. S. Ray Smith, another Cass county 4-H booster was also in attendance at the International show, his trip having been awarded him by the Cass County Farm Bureau for outstanding work as a 4-H club leader.

Annual Farm Bureau Meeting. The annual Farm Bureau meeting will be held at the Congregational church, Weeping Water, Friday, December 12 at 1:30 p. m. Election of board members, report of accomplishments for the past year and outlook for 1931 will make up the afternoon program. Farm Bureau board members will meet at the Farm Bureau office at 10 a. m. to conduct their final business meeting of the year.

Extension Service Conference Dec. 15. Nebraska county and state extension agents will hold their annual conference at the Agricultural College in Lincoln the week of December 15, according to a letter from Director W. H. Brookway to all the agents. County Extension Agents will be out of their counties practically all of that week. They will discuss common problems with each member and with the faculty of the Agricultural College. Some plans for the 1930 program of the Extension Service will be outlined during the conference.

Convenient Home Equipment. At the last training meetings the leaders brought questions, suggestions, and stores of new ironing devices used which did make

"Ironing Day Easier," for the past month. Among the leaders, a group of 80 homemakers, 52 had had dressed up their ironing boards at home in new pad and covers since last month's lesson. One homemaker confessed she did like to iron when the board had a smooth cover.

In preparation for the January lesson every lady was asked to take the best of her old kitchen knife. At that meeting, "Kitchen Cutlery Selection and Care" will be part of the month's demonstration which will be held during January.

Grandma's Fruitcake. Grandma used to bake her Christmas fruitcake as soon as she had rested up after the Thanksgiving feast. She would get out her old recipe book full of newspaper clippings and handwritten recipes and bring out all the spice she had stored away on the shelf. She would mix up her dough and leave it stand for a day to ripen, then put it in pans lined with waxed paper and steam it for two to three hours. After the cake was thoroughly cooked she put it in the oven to dry. She then made a raw icing of egg white powder, sugar and the juice of a lemon. This icing went on the cake like frosting and the cake wrapped up and put away. A month later the result was a "kind of a fruitcake grandma used to make."—D. D. Wainwright, Cass County Extension Agent; Jessie H. Baldwin, Ass't Co. Extension Agent.

EASTON GIVES STANDING. Senator Easton, who belongs to the democratic minority in the state senate Tuesday expressed the hope that the majority would treat the minority with more consideration than it did two years ago in the distribution of committee places.

"If the ruling group does not the minority will fight back in more ways than one," said Senator Easton. "The democratic party program has not been mapped out," he said. "I am opposed to an increase of the four cent gasoline tax. I am in favor of cutting the length ninety days. Some banking legislation is certain to be introduced and perhaps adopted. I am not eligible to appointment to the office of insurance commissioner nor to any other state appointment, but I hope Governor-elect Bryan will show consideration for the fact that Douglas county gave him a majority at the recent election. I have been asked about the succession of the post of minority leader in the senate. I do not ask for it. I am willing to give way to Senator Frush of Wahoo, if he cares for the honor, as he has served longer in the legislature than any other democratic senator."

SCHOOL PROGRAM. A program will be held at Dist. 4, of Otoe county on the evening of Dec. 11, 1930, 7:30 sharp. Everyone come. Plate supper. MARIE CARPER, Teacher. Job Printing at Journal office.

Fear Motor Truck and Bus Monopoly

Concern Expressed at State Convention of County Commissioners at Omaha.

Omaha — Concern lest regulatory legislation for Nebraska regarding operation of motor trucks and buses create a monopoly sufficient to drive independent operators out of business, was voiced here Tuesday at the opening session of the state convention of county commissioners and supervisors.

The open discussion of legislation of this type was precipitated by addresses of James V. Varnall, New York, field representative of the national automobile chamber of commerce, and Frank H. Beels, Omaha, secretary of the Nebraska Motor Transport association. Both speakers asked that "a square deal be given trucks and buses on the highways of Nebraska."

Leading the discussion among the delegates, J. G. Woodman of Morrill, declared that "the present legislature will bear watching."

"The railroads," said Mr. Woodman, "would like to control both bus and freight hauling truck lines in Nebraska. We must watch out or they may get what they want."

Citing the growth of trucking in the state, John D. Forsyth, Niobrara, vice president who is residing in place of President W. F. Parker, seriously ill at his home in Wood Lake, declared that all the cattle in the Niobrara district were now being trucked to Omaha.

The effect of heavy trucks on the highways was brought to the fore by State Senator Arthur Bowring of Merriam, who charged that the high upkeep of the highways was due directly to the wear of heavy trucks and buses.

This view, however, was disputed by Mr. Beels who declared that pneumatic tired trucks and buses caused no undue strain on the highways but added that roads today should be constructed to meet modern traffic conditions.

County Clerks Meeting. Meeting at the same time was the Association of County Clerks and Registers of Deeds, at whose sessions appointments of committees and a discussion of and plea for more hard surfaced roads in Nebraska featured. The committees follow: Nominations, Frank Lehmrühl, Wahoo; Etta Shoemaker, Alma; and J. T. Gilmour, Nance county. Resolutions: Roy Oakley, Clay Center; W. E. Barz, Fremont; Pearl V. Edgell, Sheridan county.

The commissioners named a legislative committee as follows: R. Wildie, Genoa, chairman; W. S. Crook Meadow Grove; Adolph Garner, Crete; Louis Buchholz, Falls City; and Herman Hahn, Custer county.—State Journal.

After the lesson the club song "Joy to the World" was sung. Then everyone enjoyed a Christmas tree, and gifts were exchanged.

At a suitable hour the hostess served a delicious and appropriate lunch for the holiday season which was very much enjoyed by all.

An extra meeting will be held at the home of Mrs. Myron Wiles, Jan. 13th. d10-d&w.

GOVERNMENT WINS A POINT

Berlin — Bruening government Tuesday defeated a motion in the reichstag to open debate on the ministry's foreign policy. The vote was interpreted as a direct result of the chancellor's threat earlier in the day to assume the foreign portfolio himself if his foreign minister, Julius Curtius, was subjected to attack from the floor of parliament.

The reichstag, having disposed of the important issue and of the government's new financial program, has nothing left now but to turn its attention to routine matters. An adjournment for the Christmas holidays was expected before the end of the week.

United Gas Service Co. to Start Work

Inform City Officials That Company Expects to Push Work After January First.

The United Gas Service Co., which secured a franchise here the past summer to operate a natural gas line in this city for the purpose of selling and supplying gas to the residents of this city, are planning on starting their activities in the state.

The company has informed city officials that the Continental Construction Co., are progressing in nice shape with their part of the gas line program and accordingly the United Gas Service Co., will be in a position to get their work in the state started in the next few weeks and after the first of the year will be actively engaged in the work of completing the pipe lines and getting the service into the various localities where they have franchises.

Just what this company will do in this city is not learned, whether they will construct pipe lines to compete with the Iowa-Nebraska Light & Power Co. line in serving this city or will content themselves with service to cities not having natural gas service.

When the United Gas Service Co. was seeking the granting of their franchise here they assured the city that they were ready to see that their line was placed in service here and the franchise provided that it will become inoperative after a certain period if the service is not provided as called for.

CHARGED WITH TAKING CAR

Reports from Nebraska City are to the effect that the two boys from Union who disappeared from their homes Sunday and later were located Monday night at Nebraska City, are to be charged with taking an auto from that place.

The two boys, it is alleged, took a car belonging to a Dunbar resident which had been parked near one of the theatres in Nebraska City Sunday night and which it is claimed the boys drove to Norfolk and then back to Nebraska City where it was found abandoned. When the boys were first found by Sheriff Carl Ryder, it was not known of any alleged connection with the taking of the car. The matter will be given a hearing in the next few days at Nebraska City.

BOAT NAMED FOR HOOVER

Newport News, Va.—The steamship President Hoover was launched here Tuesday with ceremonies befitting the new queen of the American merchant marine. A bottle of water collected from the seven seas and two canals, in the hands of Mrs. Herbert Hoover christened the Dollar line vessel as it gracefully glided down the ways into the James river.

Mrs. Hoover said while it was not the first time she had christened a ship, Tuesday's event thrilled her even more than the occasion when she first acted as sponsor. To her went the priority of being the first president's wife to sponsor a ship named for her husband. On the launching stand with the first lady of the land, were Mrs. Herbert Hoover, jr., and Herbert Hoover III.
