**TOTAL OF 75 ARRESTED
IN DES MOINES CLEANUP**
Des Moines, Ia., April 5.—Seventy-five persons were arrested here in raids by liquor and vice squads Sunday morning. Police Chief Henry A. Alber, announced that he intended to "clean up Des Moines."
Four women and 14 men were rounded up at one place and 26 persons at another. Liquor charges were

filed against some but many were released after police had questioned them.
Mother's day, Sunday May 10th, plan your remembrances now. A fine line of hand tooled handbags and mottoes can be found at the Bates Book & Gift shop.

Landscape Demonstration.
A yard landscaping demonstration will be held at the Nelson Berger home, northeast of Nehawka, Monday, April 13th, at 1:30 p. m. The demonstration will include pruning, dividing and planting of shrubs and foundation plantings. Those interested in beautifying the home grounds are urged to attend this demonstration.

"The Better Friend"
Wives, mothers and friends of livestock producers have a real treat in store for them Feeders Day, April 17, 1931 at the College of Agriculture, Lincoln, Nebraska.
The following program has been arranged:

9:15 Assembly for meeting with men (Activities Bldg.)
10:45 Special sessions. (Take your choice) (a) Attractive Lawns and Gardens Illustrated (b) Trees and Shrubs for the Farm. C. W. Watkins, Extension Service, W. H. Dunman, Ag. College. (c) Making Household "Pests" Easier. Miss M. Mason and Mrs. Edna Snyder, Agricultural College. (d) Our friends, the birds. M. R. Swenk, Agricultural College.
11:45 Luncheon (Activities Bldg.)
Afternoon Session (Judging Pavilion) Miss Mary-Ellen Brown, presiding.
1:15 Now Everybody sing, Mrs. N. W. Gaines.
Play, University Players.
Making the Most of Things About Us. Dean W. C. Coffey, Minnesota College of Agriculture.
Tricks in All Trades. Inez Willson, National Livestock and Meat Board.
Our Work in Meat Judging and Identification. Dr. Rebekah Gibbons, Home Economics Dept.
We're Long on Shortening. Dr. C. Robt. Moulton, Institute of American Meat Packers.
Safe at Home. J. R. Jewell, State Dept., Vocational Education.

Song Contest.
A song contest between the clubs of the various groups will be the main feature of the Extension Group Achievement programs.

"The ability of a group to follow their leader plays a big part in good community singing," said Mrs. N. W. Gaines at the social leaders training meeting last September. With this in mind the clubs this year have spent more time practicing their song a month.

Make plans now to attend the group achievement in your locality. Programs will be held at the following places at 1:30 p. m.
Weeping Water, April 9th, Congregational church.
Murdock, April 10th, Woodmen hall.
Elmwood, April 15th, Community Bldg.
Alvo, April 16th, Methodist church.
Murray, April 21st, Christian church.
Louisville, April 22nd, Methodist church.

We'll Meet You There.
Cass county farmers have the opportunity of winning a cash prize for having the largest attendance at the annual feeder's day held at the Agricultural College in Lincoln on Friday, April 17. County Agent, D. D. Waincott, received word from the college recently, announcing the rules for the contest.
The counties having the greatest number of points will be given cash prizes. The first prize winner will receive \$40, the second \$15 and the third, \$10. The Nebraska Livestock Breeders Association is donating the money.
East county over the state is given a definite number of votes for each person attending feeder's day. Counties further away from Lincoln are to receive more votes for each person than those counties close to the capital city. Every Cass County farmer present at the meeting will count 10 points toward winning the grand prize.
With an outstanding program arranged for feeder's day at the college are laying plans for entertaining a record crowd. Last year 2,000 Nebraska farmers and their wives attended. The program this year includes a home economics section as outlined in the above new article.
Cass county farmers attending the meeting will also hear the results of sheep, hogs and cattle experiments conducted at the college during the winter months. A. D. Weber will give the sheep report while Wm. J. Loeffel will explain the results of the hog tests. Prof. R. R. Thalman will have charge of reporting upon the cattle experiments.—D. D. Waincott, Jessie H. Baldwin, Cass Co. Extension Agents.

CELEBRATES BIRTHDAY
Mrs. J. J. Schneider, one of the long time residents of the vicinity of Cedar Creek, was made the guest of honor at a very pleasant family gathering Sunday at her home on the occasion of the passing of her birthday anniversary. Mrs. Schneider has been visiting at Blair at the home of her daughter, Mrs. Fackler, who suffered a fracture of an arm and which caused her to have to be cared for at the hospital, and she has just recently been able to return home. The birthday was one that all of the members of the family enjoyed to the utmost.

FOR SALE
A No. 1 milk cow, and a registered Holstein bull.—Russ Todd, Plattsmouth, a6-21d-2tw

NOTICE

Mass at 8:30 at the St. John's church.
Mass at 10:30 at the Holy Rosary church.

**Ice on Wings
Blamed for the
Rockne Disaster**

**Broken Propeller Theory Reversed
by Commerce Department—8
Killed in Crash**

Washington, D. C., April 7.—A coating of ice upon the plane's wings was blamed officially today for the crash that carried Knute Rockne, football wizard of Notre Dame, and seven others to their death at Bazaar, Kans., March 31.
Originally the commerce department's aeronautics inspectors expressed the opinion a broken propeller caused the crash but in a statement issued late today this judgment was changed.
Additional evidence uncovered by inspectors, the department said, "seems to indicate that weather was the primary cause of the accident."
"The pilot of the air liner, knowing from his radio conversation with Wichita that the weather was clear at that place, is believed to have started up through the low clouds to get above them. In doing so, it is thought that ice collected on the plane and possibly rendered inoperative certain of his flight instruments that function through the air stream."
"Without these instruments to assist the pilot, the plane apparently went into a steep dive. The results seem to indicate that on coming out of this maneuver, the change of direction occurred with such unusual rapidity as to build up an enormous load on the wings, which in turn brought about the wing failure."
—World-Herald.

YOUNG MAN "STUCK UP"

From Wednesday's Daily—
Last evening when George Lane, who is engaged here in the work of installing some of the switchboards at the sub-station of the Iowa-Nebraska Light & Power Co., was returning home from Omaha, he was the victim of a "stick up." The highwaymen took some \$20 from the local man and also gave him a rough handling while the robbery was in progress.

Mr. Lane had reached the railroad crossings at Fort Crook when a car drove past him and blocked the road, two men getting out of the car and coming over to the car of Mr. Lane where one of the men ordered Lane to get out. The local man failed to comply and one of the party reached in and tried to pull Lane from the car. As Lane stepped out on the running board of the car he struck at the robber who was struggling with him and at this time the second of the robbers struck Lane a heavy blow. After the assault on Lane the men proceeded to frisk him and getting in their car drove away before Lane was able to recover and get in pursuit of the men.

Rev. H. G. McClusky Speaks on "Religion in the Home" Before Members of the Club

From Tuesday's Daily—
The Plattsmouth Woman's Club enjoyed a very interesting and pleasant meeting last evening at the home of Mrs. R. A. Bates on North Seventh street and who was assisted by Miss Mathilde Soennichsen, Mrs. W. E. Rosencrans, Mrs. Fred Lugsch, and Mrs. E. A. Oldham as hostesses.
The ladies spent some time in the discussion of the plans for the 3rd district convention which will be held at Nebraska City on April 13th and 15th, many of the local ladies planning on attending the meetings. The official delegates from the club will be Mrs. James T. Begley, the president, and Mrs. William L. Heinrich. The short distance and good roads will bring a large number from the Cass county clubs to the convention.
The annual banquet of the club will be held on May 4th at the First Methodist church and which will be one of the most notable of the club gatherings. Mrs. Bertha Clark Hughes, prominent leader in the club work of the state will be one of the speakers and Judge Rhodes of Omaha, who has charge of the domestic relations branch of the district bench, will also be a speaker on the program.

The club ladies had the pleasure of a very inspiring address by Rev. H. G. McClusky of the First Presbyterian church on "Religion in the Home," the speaker pointing out the value of the home where religious life was made evident, the uplifting ideals that made for better and happier homes as against the unhappiness that is so often found in the homes where there is a lack of the true ideals of life.
The school girls as guests of the club were Miss Dorothy Woster and Miss Germaine Mason.

At the close of the evening the hostesses served a very dainty and delicious luncheon that all enjoyed to the utmost.

MYNARD HOMEMAKERS

In spite of the threatening weather, the Mynard Homemakers Project club held their achievement program on Friday evening, March 20, at the Mynard Community hall. The program carried with it many helpful features in convenient home equipment and also home accounts. The following program was presented to the families and friends of the club, the program being: Group singing by the club and audience, "Carry Me Back to Old Virginia," "Juanita," "Comin' Thru the Rye," Aims and Purpose of Project club, Mrs. Elbert Wiles, president; Home Accounts, Mrs. Sherman Cole; Remodeling Problems, Rev. H. A. McKelvey and S. W. Cole; Making Ironing Day Easier, Mrs. C. L. Wiles; Vocal solos, Miss Grace Livingston, Miss Vivian Livingston, accom.; Playlet "Wheels vs. Heels," by Mrs. E. H. Spangler, Mrs. A. L. Hauff, Mrs. Elbert Wiles and Mrs. Howard Wiles.
At the close of the program a social time was enjoyed by all, during which time light refreshments were served by Mrs. Myron Wiles and Mrs. Glenn Wiles.

On last Tuesday the Homemakers met at the home of Mrs. Glenn Wiles when a demonstration on "Beautifying the Home Grounds" was given by the leaders, Mrs. C. L. Wiles and Mrs. E. H. Spangler, who had prepared a miniature plot of a farm home, including house, barn, driveways, trees and shrubbery, explaining the proper layout of the planting of the home grounds. At this meeting, also, the lesson on "Dressing Up the Pantry or Cupboard," was given by Mrs. C. L. Wiles and the reports of the year's work were taken by Mrs. E. H. Spangler.
Plans for the Group Achievement program at Murray on April 21, were announced. It was decided to hold a song rehearsal at the home of Mrs. Sherman Cole, next Tuesday afternoon.

At the close of the meeting, refreshments were served by the hostesses.

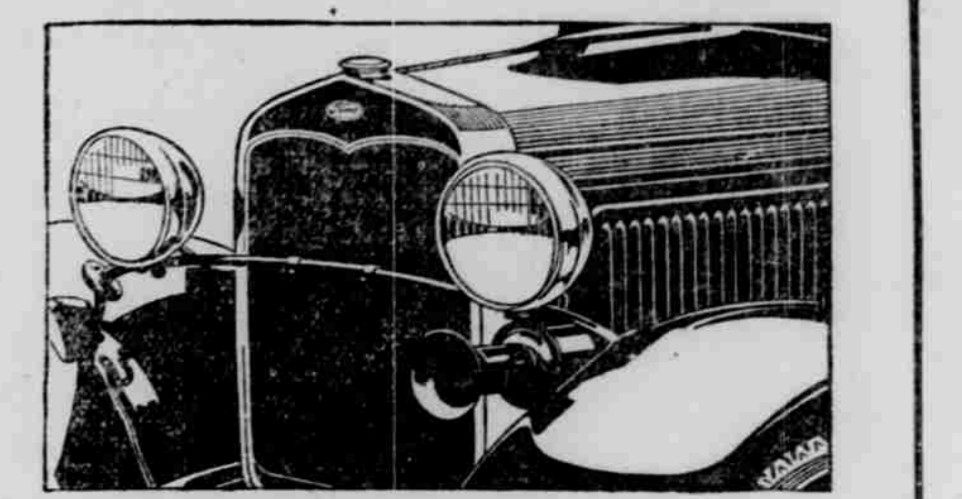

CHRISTIAN SCIENCE

The subject of the Lesson-Sermon read at all Christian Science churches and societies on Sunday, April 5, was "Unreality." The Golden Text, selected from the Bible was, "The things which are seen are temporal; but the things which are not seen are eternal." This and other Biblical selections are intended to show that there is a great difference between that which God knows and does and that which mortals often believe, and also brings out that mortal belief is the unreality which needs correcting by spiritual understanding. One citation read from "Science and Health with Key to the Scriptures," by Mary Baker Eddy (p. 277) is, "As God himself is good and is spirit, goodness and spirituality must be immortal. Their opposites, evil and matter, are mortal error, and error has no creator. If goodness and spirituality are real, evil and materiality are unreal and cannot be the outcome of an infinite God, "good."

A hand tooled handbag for mother is a fitting gift for Mother's day and one that will be treasured for years. See the large and select line at the Bates Book & Gift Shop.

FOR SALE
Fresh Holstein, Ayrshire & Guernsey dairy cows.—T. H. Pollock, Plattsmouth, Nebr. a2-1fw

**ANOTHER EXAMPLE
OF FORD VALUE**

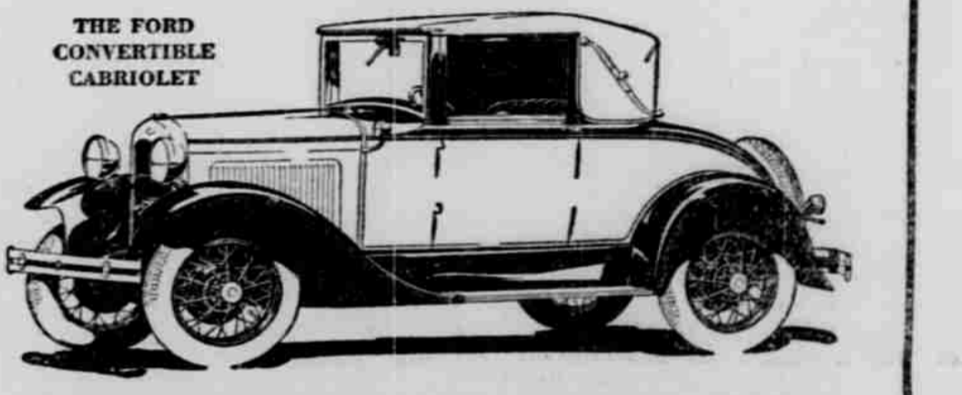

**Bright, enduring
RUSTLESS STEEL is used
for many exposed bright
metal parts of the Ford**

WHEN YOU BUY a Ford you buy enduring beauty. The body finish is made to last for the life of the car and practically all exposed bright metal parts except the bumpers are made of enduring Rustless Steel.

This Rustless Steel has great tensile strength. It is the same bright metal all the way through. A salt test equivalent to forty years' service under the severest weather conditions failed to have any effect on its brilliance. It never requires polishing. All you do is wipe it with a damp cloth, as you do your windshield.

This is just one of many features that show the substantial worth of the Ford. In speed, comfort, safety, economy and long life—in the richness of its finish and upholstery—it brings you everything you want or need in a motor car at an unusually low price.

Call or phone for demonstration.

LOW FORD PRICES
\$430 to \$630

(F. o. b. Detroit, plus freight and delivery. Bumpers and spare tire extra at low cost. You may purchase a Ford car or truck for a small down payment, on convenient, economical terms through your Ford dealer.

HAVE PLEASANT MEETING

The members of the W. C. T. U. held a most enjoyable meeting on Monday afternoon at the First Christian church where they were entertained by Mesdames Jessie Hall, Edward Brantner and William Rice, Sr.

The devotions were in charge of Mrs. Charles Troop and who took as her subject the Easter story.
Miss Olive Gass gave a very interesting reading, "It is the Promise of Easter Day," while Mrs. Ralph Anderson also gave a very interesting talk on the lessons of Easter.

Mrs. R. B. Hayes was heard in a very beautiful vocal number, "Jerusalem," Mrs. George L. Farley playing the accompaniment.
Mrs. Robert Troop gave a reading, "Easter Day" that was much enjoyed and showed great beauty in its rendition.

Mrs. J. E. Wiles spoke on "College Students Home at Easter Time," and Mrs. Fred G. Morgan on "The First Easter."
During the afternoon two very fine piano solos were given by Cecil Comstock, one of the talented young musicians of the city.
Miss Gertrude Vallery gave a very delightful reading, "China Blue

Eyes," in her usual charming manner.
The meeting was closed with the singing of the W. C. T. U. songs and the serving of very dainty and delicious refreshments by the hostesses of the day.

SUSPECT IS UNDER ARREST

St. Clairsville, O.—Authorities said that Andy Yelan, fifty-five, of Barton, near here, had identified Anton Schantz, thirty, of Blaine, as one of the robbers who tortured him in his home. The suspect, it was said, was picked by Yelan from a crowd of twenty-five men in a pool room. Schantz, who denied he was implicated in the case was arrested. Yelan's ears and finger tips were partially torn off by three men with pliers as efforts were made to force him to reveal the hiding place of \$2,000 he received recently from the sale of real estate. After Yelan passed into unconsciousness from the pain, the trio left with \$16, taken from Yelan's clothing.
