INSIST on the INSIDE FACTS For Your Protection Make These Comparisons Before You Buy Your Tires

UNDERNEATH the surface is where you get the cold truth about tire values. It's the inside of the tire—the method of construction and the quality and quantity of materials—that determines its Stamina, Performance, Safety, VALUE. You can no more tell the quality of a tire by its outside appearance than you can tell the character of a man by the kind of clothes he wears.

propaganda. We urge you to thoroughly check every vital point—rubber volume, weight, width, thickness, and plies under the tread. Then buy accordingly—ON FACTS AND FACTS ALONE. Against the various claims presented about different tires, isn't this the most logical suggestion ever made to you? Could there be any more positive way to definitely determine which tires offer you the most for your money? There can be no question or controversy when you get the FACTS yourself.

We have arranged to show you cross sections of Firestone and special brand mail order tires. You can come here and make your own comparisons, uninfluenced by any sales

GRAVELERS MEET DEFEAT

The Lyman-Richey baseball team and Ben Speck's All Stars clashed Sunday afternoon at the Graham diamond four miles west of this city, the struggle of these two hard hitting teams going for eleven innings and at the close the Speck team was winner by the score of 18 to 17.

A great many errors were checked against each team and which helped to swell the score that each team rolled up.

For the All Stars Floyd Becker and Dale Rhodes did the pitching and Ben Speck and Kenneth Rhodes, the receiving; for the Lyman-Richey team "Stonewall" Jackson with his Missouri speedball did part of the hurled and "Emery Ball" Bragg also served in the box while the catching of the game for the Gravelers was by George Kalasek.

Manager Shafer of the Lyman-Richey team was the only casualty of the game, he being injured in the opening innings and forced to retire.

The Lyman-Richey team are planning on playing the Omaha Postal Clerks at the Lyman-Richey diamond on next Sunday afternoon at 2:30 and are inviting the public to come and enjoy the game.

LAST WEEK FOR NO. 15

This is the last week for the operation of Burlington train No. 15, the Omaha-Lincoln train which has operated out of this city as long as the memory of the middle aged residents of the city can recall. The railroad company is withdrawing this train and its companion No. 66 which comes from Omaha late at night and returns the next morning as No. 15. The removal of this train means that this city has practically no rail connection into Omaha in the morning save in the very early Missouri Pacific train at 6:20. The Burlington will have no trains through here for Omaha with the exception of No. 25 and which is only an emergency stop here. There are a number of trains from the west that will serve the city but only two from the east, one of these being the motor car that operates in the afternoon from Pacific Junction west to Ashland. The change in No. 15 will mean that Plattsmouth people who have been in the habit of traveling to Lincoln via railroad for business reasons must of necessity travel via bus to Omaha to make any connection as no train connection on the Burlington out of here will reach Lincoln before noon. The falling off in patronage has made the move of removing the train necessary the railroad has represented to the Chamber of Commerce of this city, but it will be found a very great inconvenience to the residents of the community.

CARD OF THANKS

I wish to thank all of the neighbors who responded to the call of distress when the barn at my farm was burned last Friday night, the response to the call was prompt and the neighbors who came did all possible to help save the other buildings and for which I feel very grateful, as it was impossible to save the barn, which was practically gutted when the fire was discovered. Also I wish to thank the Farmers Mutual Insurance Co., of Cass county for their prompt settlement of the claim.
