

Murdock Bank Robbers are Still at Large

Trio That Secured \$1,300 From Cass County Bank in Stippuk, Reported at Several Places

From Monday's Daily—
The trio of youthful bandits who Saturday morning held up the Bank of Murdock in the west part of Cass county and forced Miss Mary A. Tool, bookkeeper of the bank, to hand over to them \$1,300 which was the currency in the bank at the time, are still at large, altho' officers have searched over several parts of the state for the men since the robbery. The alarm was sent over all the state by the office of State Sheriff Endres as soon as the crime was reported, highways watched and all suspicious characters questioned but no trace of the robbers found.

Two reports as to seeing the supposed bandit car were received late Saturday but nothing was developed from the report. Deputy Sheriff Rex Young receiving the report here that the car had been reported near Douglas, in Otoe county, and officers were at once sent to that locality to search for the car but without success. The second report was received at the office of State Sheriff Endres from Omaha and stated that the car had been driven to that city where the bandits had changed cars and then had picked up some girls and driven north in the direction of Norfolk. While the report was not given credence by the state officials, officers along the route were notified to be on the watch for the men and their supposed companions.

RED SOX WIN TWO

The Murray Red Sox added two more to their string of victories over the week end, taking the Hollywood Movie Stars, a travelling feminine baseball team, on Saturday afternoon by the score of 11 to 4 and which would have been even greater but for the gallantry of the Sox players.

The big game, however, was Sunday, when the Manley team was the opponent of the Red Sox and in the early innings the Manley ball stars were leading the Red Sox but in the closing innings the boys from the bathing beach were able to hit more effectively and with several errors to assist them in gaining the lead and at the close the score was 10 to 6 for the Red Sox. Hopkins hurled a good game for the Sox and Billy Sheehan for Manley until in the fourth when passes and errors allowed the Sox to start their scoring rally. John Sroboda, Pierce and Gansemer led the Sox in hitting.

The Sox are to play one of the strong colored teams of Omaha on Saturday (the Fourth of July) and the Papillon team on next Sunday. The score of the Manley-Murray game was as follows:

Delphians Enjoy Banquet at Gering Home

Pleasant Occasion Marks the Close of Six Years of Study by Chapter Ladies

The Lewis and Clark chapter of the Delphians on Saturday evening at the Gering home on North Sixth street held a very delightful banquet that marked the close of six years of study that has been both pleasant and profitable to all of the members of the chapter.

The beautiful Gering home was most artistically arranged for the banquet and the decorations were largely of the summer flowers in tones of blue, rose and gold and made a delightful setting for the gathering.

The courses of study have embraced many of the great phases of our world civilization in history, art, music and the studies of different nations and their particular contributions to the world in many ways.

There were fourteen of the ladies present and the chapter members had as a guest of the evening Mrs. Marion Duxbury, of Oakland, California, who is here visiting with her mother, Mrs. Mae N. Creamer, and sister, Mrs. A. H. Duxbury.

ADMITTED TO THE BAR

From Wednesday's Daily—
Howard Dwyer of this city, son of Attorney D. O. Dwyer, one of the leaders of the Nebraska bar, was yesterday admitted by the state bar commission to the practice of law in all of the courts of the state, at the session at Lincoln. Mr. Dwyer took a law course at the University of Nebraska, but for two years was engaged in special work at Chicago, returning here a short time ago to prepare for the formal bar examination, which he has now successfully passed.

The new attorney is opening his legal work at Nebraska City where he is associated with his brother, Harry Dwyer, they having a very fine and well arranged law office in that city and where they will be located in the future.

The Dwyer family is well represented in the legal profession in the state as D. O. Dwyer is one of the veteran attorneys of the state and Mrs. Dwyer some two years ago was admitted to the bar and the two younger members of the family, Harry and Howard, are now members of the profession.

Another trouble with this country is that too many people are studying time tables for Reno instead of reading books on "How to be Happy Though Married."

ENJOY CLUB PICNIC

The members of the Fairview Workers club held a very pleasant picnic party on Sunday for their members and families, the event being staged at the pasture on the farm of John Buechler, where an ideal spot was found for the happy gathering. The picnic was held in honor of Mrs. W. A. Becker, soon to leave the neighborhood to make her home in Plattsmouth.

The members of the club regret their circle but are pleased that she will still be a resident of the county and can join with them occasionally in their meetings.

The time was spent in visiting until the noon hour when a fine dinner was served, all having come with well laden baskets and which made a most delightful part of the day's program.

The afternoon was enjoyed in taking in the baseball game at the Graham farm where the Speck and Kell teams battled and in which many of the picnic party participated.

RETURNS TO THE WEST

From Wednesday's Daily—
This afternoon Milford B. Bates, of Los Angeles, who has been here for the past week visiting with his father, T. B. Bates and at the home of Mr. and Mrs. R. A. Bates, the former an uncle, departed for his home on the west coast. Mr. Bates has been at the grand encampment of the Knights Templar at Minneapolis and en route to the west stopped here for a visit with the relatives. This is the first visit in a number of years and gave Mr. Bates the opportunity of meeting a number of the old time acquaintances.
