Mrs. Herman Diers is Called to Last Reward

Prominent and Well Loved Pioneer Resident of Near Gresham Passed Away Last Friday.

Mr. and Mrs. W. F. Diers, son Billy and daughter Katherine, went to Gresham Sunday to attend the funeral of Mrs. Herman Diers, prominent resident of that locality who died on Friday, July 17, of heart trouble, death coming suddenly in the early hours of the morning.

Mrs. Diers' husband preceded her in death April 6, 1926. Since that time she had continued to live at their old home in Gresham.

Mrs. Diers' maiden name was Martha Susan Arnes. She was born near Valparaiso, Indiana, March 10, 1862. She fitted herself to teach school and completed a normal course for teachers at Valparaiso. She came to Nebraska to stay with a sister on a farm near Ulysses and taught in the district schools of that vicinity for four years.

It was here that she met and married Herman Diers on September 9, 1885. Mr. Diers was then in the implement business. He later engaged in the general mercantile business at Gresham and at one time was associated with his brother, W. F. Diers in the general store at Louisville. For many years Mrs. Diers assisted her husband in the store and was ever a loving and helpful wife and they lived very happily.

Four children were born to them, the eldest son, Dr. Harry Diers passed away just after finishing his medical course and receiving his degree. The surviving children are William H. and Kenneth, engaged in partnership in their father's old store and Margaret, the only daughter, a welfare worker of wide experience and great ability. Four grandchildren and one brother, Dale Barnes, of Indiana, also survive.

Mrs. Diers was a woman of strong character, forceful and capable, and possessed of a ready wit and love of fun that endeared her to a host of friends. She was a devoted mother and her love and wise counsel will be sadly missed by her children whose loving attentions were ever her greatest pleasure.

For some time it was known that the life of this good woman hung by a slender thread because of a weak heart but her cheerfulness never deserted her and she accepted whatever the future had to offer with her usual calm philosophy and fortitude. At the time of her passing she was 69 years, 4 months and 7 days old.

The funeral was held from the Presbyterian church at Gresham. In the absence of the pastor, a former pastor, Rev. Hutchinson, of Iowa, came to officiate, having also conducted the funeral services of Mrs. Diers' husband. The floral offerings were beautiful and numerous and testified to the love and great esteem in which the departed was held by all who knew her. Interment was in the beautiful cemetery at Gresham in the family lot.

The influence of Mrs. Diers and the memory of her love and outstanding character will remain with her family to cheer them through the coming years and will sustain them in their hours of mourning.—Louisville Courier.

DOING VERY WELL

From Saturday's Dairy—
Mrs. John Sanders, who was operated on Wednesday at the Methodist hospital at Omaha for a mastoid, is reported as doing just as well as could be expected under the circumstances, the very serious operation requiring some time for her being able to show any marked improvement, but her condition is reported as being very good.

Merle McCarty, who is also at the Methodist hospital, is doing very fine from the effects of his injuries received here a week ago and it is hoped that he may be able to return home the first part of the coming week and complete his recuperation here at home.

PROGRAM OPENS NEW PARK AT RED CLOUD

Red Cloud, July 23.—The new city park and playgrounds was formally opened Tuesday evening, a large crowd attending the program, which included a band concert, speeches, contests and other attractions.

The new park, comprising a block of land which for several years has been used principally as a storage ground by local firms, has been cleaned and leveled up for a number of tennis courts, volley ball grounds, playgrounds, and a bandstand. Beautifying of the grounds will start soon.

GO TO MINNESOTA

From Thursday's Dairy—
Mr. and Mrs. L. J. Mayfield of Louisville have laid away the cares of the print shop and bled themselves today to Minnesota where Lee will endeavor to snare the elusive perch, bass and pickrel in the lakes of Minnesota while Mrs. Mayfield will enjoy the many pleasures of interest. In the absence of Mr. and Mrs. Mayfield, the Courier will be issued by Mrs. Mable Mayfield, their daughter, with the assistance of August Pautsch and Jess McGrew.

FARMERS ARE COMMENDED

Washington—The government is well satisfied with the way farmers who received drouth loans after last year's withering dry spell are living up to their obligations. Inspectors of the agriculture department's seed loan office have found that practically every one has kept his agreement to plant and cultivate carefully the crops upon which the govern-

BOOKWALTER FARMS TO HOLD WHEAT IN STORAGE
Beatrice, July 23.—Frank Bookwalter, Beatrice, has returned from the Bookwalter farms in southwest Pawnee county where he has been looking after the construction of buildings in which to store the wheat crop. He says all of this year's grain will be held for higher prices.
