Elected New Janitor.
The matter of a selection of caretaker for the Murdock schools which has been hanging fire for the past months or more was finally decided on Tuesday evening of last week after a prolonged and animated session and with many ballots before the selection was made. There were seven of the applicants for the position. The selection of John W. Kruger, who is sure a hustler to boot, should meet with the desires of the patrons and we are sure that Mr. Kruger will give the very best service. The salary which is to be paid is \$70 per month. There were many who bid higher and one whose bid was lower.

Celebrates Birthday.
Little Neal McCrory, who makes his home at that of Mr. and Mrs. Frank Buell, is to be eight years of age the coming winter in January, but you know that August is a far better time to celebrate a birthday anniversary than when the weather is cold, so the birthday was celebrated on Thursday of last week. Will Write Bible School Lessons.
L. Neitzel, who is a very able writer and a scholar of great capacity on Bible and kindred topics, will, beginning with August 23rd, 1931, write for the readers of the Journal, a digest of the lessons as carried by the International Committee. These lessons will appear in the Murray department of the journal as they will be then just before the coming Sunday. Were they to appear in the Murdock department, they would be separated in time a goodly distance from the time which they are studied in the Bible schools. This will afford students from all parts of the county an opportunity to study these notes. The subjects will be treated in a broad and liberal view of the subject presents and will be to assist all real students in the acquiring of a better knowledge of the lessons.

Home Sweet Home Again.
Brooks berries, happy in the very fine trip they have enjoyed, and also pleased that they were able to return to their good homes here in one of the very best of counties in the state, the party of Murdock people who have been seeing the west for the past two weeks and composed of Dr. and Mrs. L. D. Lee, H. W. Toof and wife and Mr. and Mrs. Henry Amwert, arrived from the Golden West on last Saturday. They were glad to see old Murdock and the people here again, notwithstanding they found many good places in the west.

Will Have Gravel Soon.
It is definitely understood that the gravel from Murdock to the church north will be spread before the fall comes and with the connection link from there to the gravelled road from Louisville to Ashland, and also from the Trinity church to the Lutheran church or better known as the brick church, will make good connections between Murdock and the east on the north road, and with the placing of gravel from Murdock on the south road to connect with the gravel west from Murray will place Murdock in good connections with the outer world however the roads or weather may be. This has been a long time coming but when it is done will surely make it nice for Murdock and vicinity.

Enjoyed the Compliment.
The people of Murdock and vicinity were surely well pleased with the very fine concert which the Weeping Water band gave them when on last Tuesday evening they came to Murdock and discoursed very fine music for the benefit and enjoyment of the people here. They were sure well pleased and extend the invitation to come again.

Judging of Lawns and Gardens will Commence Soon

Next Two Weeks Will See Final Inspection of the Lawns and Gardens and Rewards.

The Better Homes and Gardens contest which has been held this past summer in the city, is now drawing to the close and the final inspections will be made in the next two weeks and awards of prizes made by the judges of the contest.

The judges of the contest will be all non-residents of the city and as far as possible strangers to the residents here to give an unprejudiced award of the honors.

The contest opened very fine in the last part of May and the early part of June, but the intense heat of July served to do much damage to the lawns and flowers, the hot winds and blistering heat serving to dry up the vegetation and also affecting the flowers a great deal.

The fall flowers are commencing to bloom now and the rains of the last week will tend to freshen up the lawns very much and with continued cool and damp weather there should be a revival of the beauties of the lawns and gardens.

The contest has caused a large number in all parts of the city to enter the lists of those who will strive for the honors of the event. The prizes selected are very handsome and suitable for ornaments in the garden and lawn.

OBSERVE ANNIVERSARY
From Friday's Daily—
Last evening members of the American Legion auxiliary of Kankakee, Illinois, observed the tenth anniversary of the organization at a pretty party on the lawn of the Legion home.

Holcomb of Plattsmouth, Nebr., who is a past president of that organization.

A delightful program was given the first number being a group of selections by the Departmental jug band, Harry Streetter, first commander of the American Legion in this city, gave the opening speech and told of the progress made by the auxiliary during the past ten years. Mary Rose Suprenant and Peggy Ann Brouillette favored with a toe dance, after which George Wagner and Dee Simmons sang a group of vocal selections. Harriet Hixson delighted those present with a reading, Edgar Donar, present commander of the Legion gave a short talk and complimented the women on their work and progress. Francis Mae Johnson gave a tap number, Mary Hixson a reading, Louise Remillard a toe dance, and an acrobatic dance was given by Cecile Suprenant. BAD AUTO ACCIDENT

On Wednesday morning between the hours of eight and nine o'clock a rather serious auto accident happened on O Street near the Perry Colbert farm southwest of Elmwood. At this point a car in which Mr. and Mrs. Joseph Zugmeier, Mr. and Mrs. Wm. Zugmeier and daughter and George Prockett was passing around another car. Their car skidded in the gravel and turned over. Mrs. Zugmeier and another of the ladies were

thrown through the top of the car as it turned over and the rest seemed to have been pinned in the car. The elder Mr. and Mrs. Zugmeier were badly injured. Dr. O. E. Liston was called and rendered first aid and then the Clements ambulance was called and the injured taken to the Bryan Memorial hospital. Two of the parties were badly injured. The rest escaped with but slight injury. They were on their way from their home at Thayer, Kansas, to visit relatives at Odell, Nebraska. The top of the

car was badly damaged but was able to go into Lincoln on its own power for repairs.—Elmwood Leader-Echo.
