TOE CATTLE MARKET

From Saturday's Daily—
W. G. Bodeker and William Wehrlein, of Murray, who have carried on very extensive cattle feeding operations in the past few years, on their last shipment to Chicago this week again scored the top prices. There were thirty-six head of branded, two year old steers, dehorned, who show an average of 1281 pounds. The cattle brought \$10.10, the highest market price that has been recorded on the Chicago market for many months and the high quality of the Nebraska fed stock was the object of comment by the commission houses of the Chicago exchange, the C. O. Robinson Co. especially praising the shipment. The cattle were the heaviest average offered on the market for some time. Mr. Bodeker and Mr. Wehrlein have on their shipments to the Chicago market received the top on several occasions and when their shipments reach the market they are in sharp demand as among the best of the cattle received.

THE INDIANS ARE HERE

At the Indian Pow-Wow at Glacier Park last evening, two of our four members were honored by adoption into the Black Feet Indian tribe, the aristocrats of the Red Cen. Mrs. A. D. Asch of Murray is the lady member of the Cornhuskers who turned savage and she has been given the name of Water Bird Woman which in Indian is spelled and pronounced "Och-Ke-Pic-se-ak-Ke." H. J. Gibbs of Norfolk was dubbed by the Black Feet Warriors as Chief-Young-Man-Chief, spelled and pronounced, "Mon-A-Coppe-E-Mam." Indians have such taking ways about them that it may not be omis to be cautious from now on when in the company of these Redskins.

Red Sox Take a 3 to 2 Game from Eagle

Last Seven Inning Battle Goes to Murray Team in Game Staged at Weeping Water

From Friday's Daily—
The Murray Red Sox last evening annexed a seven inning game from the Eagle baseball team in the last half of the last frame, the score being 3 to 2 at the final of the contest. Hopkins, the chief hurler of the Sox, was placed at the second station for the game and Harry Newman, hard hitting shortstop of this city, was sent to the mound to face the boys from the west section in the first of the third inning when Persol hit safely to first and was scored on the two sacker of Jones, catcher of the west side team. The fifth inning saw the game tied up when with two of the Eagle players retired, Jacobson smacked one of Honos offerings on the nose for a two sacker and came rolling home when Raustford's hit to right field was not handled. In the last of the fifth the Red Sox proceeded to start their bid for victory, when Hopkins was safe at the initial sack and advanced by Newman's hit, but Honos was nipped at second as Svoboda was safe at first. A wild heave by the Eagle pitcher scored Hopkins while Svoboda advanced and scored on the hit of Pierce, tying up the game. With the score tied in the last of the 7th inning, Gansemer striking out but Jones dropped the ball and Ralph hastened to first and in the throw to first Jones hit the Murray player in the head and he was safe. Hopkins bunted and forced Gansemer at second but "Hoppy" was safe and advanced on the hit of Newman and scored when John Svoboda doubled and ended the game. The tabulated score of the game was as follows:

Murray	AB	H	PO	A	E
Newman, p	4	3	0	3	0
Svoboda, 1b	2	1	7	0	0

CORN PROGRESS NOTED

Excellent progress of corn in southeastern Nebraska during the week ending Aug. 18 was noted in the report issued Wednesday by the weather bureau. Moderate temperatures and rainfall of the week preceding were considered a great help to the crop in that section. However, dry and hot weather continued in other sections of the state with corn reported "fair to poor." Pastures are improved in the south and the ground is in favorable condition for plowing which is rapidly progressing. The hay crop being gathered in north central counties is reported short. A weather note of interest was the news of light frosts the morning of Aug. 11 in Custer and Blaine counties.

STEALS SCHOOL STOVE

While the sheriff's office are called on to investigate the stealing of a great many different articles, this morning the report by a pleased Heatrola from the school house in district No. 77, east of Avoca was reported. The stove is one that cost in the neighborhood of \$125 and weighed several hundred pounds, it being removed in a very slick manner as there was not a scratch on the floor of the school and it was necessary to take the stove through two doors of the building. There evidently was a number of persons engaged in the job of stealing the stove and they apparently made a successful getaway and are all set for the winter with the Heatrola to make them comfortable. The school from which the stove was taken is known as the "Straub" school.

Board Agrees to Trade Wheat for Coffee

Step Taken as Means to Reduce the Surplus—Agreement is Reached With Brazil

Chicago—The Grain Stabilization corporation, thru its president, Geo. S. Milnor, announced its plans for carrying thru the agreement, signed in Washington, by which it will exchange 25,000,000 bushels of wheat with the Brazilian government for 1,050,000 bags of coffee. The coffee, under the trade agreement, must be withheld from the market until late in 1932. When the coffee is finally offered for sale, Milnor said, it will be put on the market in cumulative monthly allotments of 62,500 bags to prevent disturbing the coffee trade. It will be offered only thru established channels, Milnor said. The wheat will be shipped from the Grain Stabilization corporation's stocks in monthly installments, starting in September. Milnor revealed that the Brazilian government has signed an agreement with the Bush Terminal company of New York which will store the farm board's coffee. The Bush company, he said, will store, handle, and grade the coffee without expense to the farm board and in return for this service, will receive 225,000 bags of coffee from the Brazilian government. Washington—President Hoover said the amount of wheat that might be sold to the Chinese government for food relief was unlimited. The quantity first suggested was 15,000,000 bushels. Chairman Stone said the Brazilian barter was based on the current market prices of those commodities. He pointed out that the amount of money finally received for the wheat would depend on the market price of coffee when it is sold a year hence. The coffee involved is exempt from the Brazilian tax. The trade does away with exchange rates. Stone said, which are out of line and will favor Brazil in that respect.—State Journal.

PREPARE FOR CONVENTION

A business meeting of the Cass County Women's Club Presidents was held Thursday at Elmwood, the meeting taking up the plan for the county convention which will be held in Plattsmouth. The meeting was presided over by Mrs. Grace Douglas of Elmwood as chairman and Mrs. Glenn Wiles of this city as the secretary. The program as outlined will include three addresses for the county gathering, the general subject of the meeting will be "Home." Every preparation will be made by the Plattsmouth ladies and residents in general to make the convention a most pleasant one. Those who attended the meeting yesterday comprised the following: Mrs. Ed. Frankton, Greenwood; Mrs. Bert Rager, Greenwood; Marie Dankleff, Avoca; Mrs. Fred Dettmer, Elmwood; Mrs. Elmer Judkins, Eagle; Mrs. Fred Druceker, Nehawka; Mrs. Merritt Pollard, Nehawka; Mrs. Spencer Leger, Elmwood; Mrs. Kayle Miller, Jr., Elmwood; Mrs. Ida Cole, Mynard; Mrs. Ben Albin, Union; Mrs. Orill Allen, Eagle; Mrs. Ivan Baifour, Union; Mrs. E. G. Shellenbarger, Plattsmouth; Mrs. John W. Norris, Avoca; Mrs. W. S. McGrew, Louisville; Mrs. Erma M. Begley, Plattsmouth; Mrs. E. H. Westcott, Plattsmouth; Mrs. M. J. Genger, Nehawka; Mrs. J. F. Mills, Murodock; Mrs. J. E. McHugh, Murodock; Mrs. George Lutz, Union; Mrs. R. E. Norris, Weeping Water.

UNDERGOES OPERATION

From Friday's Daily—
This morning at the Immanuel hospital at Omaha, John Wickman, of this city was operated on, the patient standing the severe ordeal in very good shape. Mr. Wickman, who is one of the most highly esteemed citizens, has been in poor health for some time and his condition has become such that it was decided to have the operation performed in the hope of securing him some permanent relief. The many friends are trusting that Mr. Wickman may soon be on the highway to recovery and regain his former health.

RECEIVES \$5 FINE

For the alleged violation of the city traffic ordinances by operating his car at a rate of speed greater than that set by the ordinance, John Becker was given a fine of \$5 and costs Friday in the court of Judge Charles L. Graves. The offense complained of, occurred early in the week but the young man was ordered to appear in court on his return from Kansas which he did.

DOING VERY NICELY

From Friday's Daily—
The many friends of Cecil Costerton, local young man, will be pleased to learn that he is doing very nicely at the hospital at Omaha where he was operated on a few days ago. The patient has stood the ordeal in fine shape and is now on the highway to recovery and hopes soon to be able to return to the home here.

SERENADE NEWLYWEDS

From Saturday's Daily—
Last evening Mr. and Mrs. Leonard Born, announcement of whose marriage was made Thursday were surrounded by a very large number of the friends from all parts of this section of Cass county. The members of the party gathered and by autos proceeded to the Born home where they proceeded to make the evening one that the newlyweds will long very pleasantly remember. The party enjoyed a fine social time until a late hour and departed wishing Mr. and Mrs. Born many years of happiness and success.

Old Settlers Reunion Scores Fine Success

Large Crowd Present on Both Days of the Annual Gathering of Old Time Residents

Another of the Old Settlers' reunions has passed into history with the closing of the gathering Saturday night and which has proved an annual event at Union since 1889. Despite the general depression there was as large a crowd present as in the past years and the attendants at that a fine program and plenty of entertainment in the two-day event. The Friday program was arranged and carried out by the Lewiston community center and as usual with this group of people there was plenty of fun and amusement for the young and old alike. The old time residents who had come to Cass and Otoe counties at an early day were in evidence on the grounds of the reunion and many interesting stories of the olden times was related among the groups of the men and women who had such an important part in the development of the territory and state of Nebraska. The Saturday crowd, as is usual, was much larger than that of Friday and embraced large numbers from more distant points who came to share with the good people of Union an excellent time that had been prepared. On the Saturday afternoon program Judge James T. Begley of this city, was the chief speaker and gave a very fine address, paying tribute to the pioneer residents of eastern Nebraska, who coming from their old homes in the east settled to make homes in the new and unknown land and where in this garden of the Missouri valley had found an ideal condition for the growing of their crops and which had developed into one of the most fertile spots in all of the great western empire. During the Saturday afternoon program the Nehawka-Lewiston band was heard in several selections, given in their usual very fine manner and which reflected the greatest credit on the members and their director, James Smith. Tommy Troop, one of Cass county's most talented young musicians, was also a feature of the Saturday program and gave several very delightful vocal offerings that were very much enjoyed by all of the large audience. A solo dancing number by the daughter of Mr. and Mrs. Wayne Propst of Nebraska City, a former resident of Union, also pleased the audience with its charm and very artistic presentation. Adding to the entertainment was the fact that the Gibbs carnival company, a very high class organization, was on the grounds for the two days and their array of shows and riding devices served to help keep something doing all of the time on the grounds. The association that promoted the Old Settler's year was headed by W. B. Banning as president, and C. B. Smith, as secretary, and these gentlemen, with their active and efficient committees, deserve a great deal of credit for the fine time that was arranged for the visitors at Union.

MOVE TO CUT OPERATING COSTS

The railroads of the country in their economy moves have taken a new step as indicated by the request of the Burlington for permission to use the Rock Island railroad tracks between Beatrice and Rockford, Nebraska, a distance of eight miles and to abandon their trackage between these points, a saving of the upkeep of the line for both of the railroads. The trend of the conditions in railroad circles is for the consolidation of service where it is possible and which cuts down the operating cost to the companies.

MYNARD COMMUNITY PICNIC

The Mynard Community club is to hold its annual picnic Tuesday, August 25th, in the E. H. Spangler grove, one half mile east of Mynard. This is to be an all day get-together community affair. We want everybody to come for we are expecting to have a good time. The Lewiston band will furnish the music. There will be an address by an able speaker and games of various kinds. Bring your basket of "eats." Come early and stay late.

MARRIED AT METH. ODIST PARSONAGE

From Saturday's Daily—
This morning at the Methodist parsonage occurred the marriage of Miss Dagmar Nelson to LaVern Lee, both of the contracting parties being residents of Omaha. Following the marriage ceremony the bridal party returned to their home in the metropolis.

LIST DELEGATES TO LEGION CONVENTION AT DETROIT

Minden, Ia., Aug. 12.—Delegates to the national American Legion convention at Detroit from the Seventh Iowa district will include P. A. Lamson, Council Bluffs; Pat McDermott, Atlantic, and Frank Berk, Missouri Valley. Alternates will be J. B. Schwieger, Minden; Emmet J. O'Donnell, Council Bluffs, and J. E. Laundry, Stuart.

LEGION AUXILIARY MEETS

The American Legion Auxiliary held a very interesting meeting Friday afternoon at the Legion building and which was attended by a pleasing number of the members.

The chief feature of the afternoon was the address given by Mrs. E. H. Westcott, state regent of the Daughters of the American Revolution, who had as her subject, "Why I Am Glad That I Am an American." In her remarks Mrs. Westcott gave a very clear insight into the workings of organizations seeking to undermine the American theory of government, presenting many examples of the methods used to spread the red doctrine, communistic articles as well as attacks made by many societies of the patriotic organizations of the nation, the C. M. T. C., Boy Scouts and other organizations, seeking under the subtle means of propaganda to create a distrust of the factors that had served to stimulate the growth of a strong American sentiment in the nation in the years past. The address was followed very closely and the members of the Auxiliary felt very grateful to Mrs. Westcott for her presentation of these important facts for their consideration. The Auxiliary also voted to serve the banquet for the Cass County Women's Club convention which will be held here in October. The action of the delegates to the state convention on matters of vital consideration were discussed by the members of the entire Auxiliary. At the close of the afternoon dainty refreshments were served by the hostesses, Mesdames R. H. Patton, R. B. Hill, C. H. Jensen, Frank Rebal and A. H. Duxbury.

AN INVASION OF RODENTS

Rats are more numerous in Louisville this year than for many years in the past. The reason for it perhaps is that weeds are permitted to grow without restraint along the banks of Mill creek and refuse is thrown into the stream on which they feed and thrive. Tuesday night Dave Sjogren set 38 steel traps in his filling station and oil room. They were all carefully baited with cheese. As to what success he had, we have not been informed. They have been doing much damage by eating holes in chamois skins and other like articles. Recently George Ossenkop exterminated dozens of them by attaching a hose to the exhaust pipe of his car and inserting it in a hole under an old shed. In a short time they began to come out in great numbers and as soon as they got into the fresh air they tumbled over and died. The plan is worth trying.—Louisville Courier.

PLEASANT GATHERING TO HONOR GRANDMOTHER

Mr. and Mrs. C. G. Mayfield entertained a large number of relatives and friends at their home in the north part of town last Sunday, who called to pay their respects to Grandmother Mayfield of the Masonic Home in Plattsmouth, who was here for a few days' visit with her children and their families and with her old time neighbors and friends. About forty people called during the afternoon and evening and everyone enjoyed a happy time visiting together at this hospitable home. Mr. and Mrs. A. D. Scott and daughter Helen, of Omaha, who were the guests of their relatives, Mr. and Mrs. J. R. Mayfield, of near Weeping Water, were among the visitors.—Louisville Courier.

CONFISCATED GOODS SOLD

Omaha—Sheriff Charles B. McDonald of Douglas county Friday said two of his deputies, Carl Haylor and Ira Flanagan, who last week they received money from a junk dealer privately for sale of property confiscated in liquor raids. McDonald has been investigating the deputies' methods of handling property confiscated in raids, other than stills, since last week they received an Omaha paper stated the pair had not accounted to the county treasurer for money derived from such sales. Jake Wine, junk dealer involved, reiterated a previous story, the sheriff said, that after raids he was sometimes given cheap equipment for cleaning up mash and other refuse but that when the equipment was more valuable he gave checks to the deputies for the difference. McDonald Friday announced that henceforth all confiscated property will be sold at public auction. In the past only stills were disposed of in this manner. Taylor and Flanagan were removed from the raiding squad last May.

LABOR BODY IS FOR LEGALIZING OF BEER

Minneapolis—Modification of the Volstead act to permit manufacture of beer was urged in a resolution adopted by the Minneapolis State Federation of Labor in convention here. Lifting of the ban on beer would relieve unemployment, the resolution stated. The Minnesota American Legion meeting at Rochester also approved a resolution favoring a referendum after a suggested anti-prohibition plank was tabled.
