## Mynard Club is a Splendid Community Center

Social Event and Meetings Afford Means of Producing Helpful Community Interest.

The Mynard Community club which has in the last few years been in active operation in the section south and west of this city, has served as one of the most successful organizations of its kind in the county and as a unit of the community life to serve the social activities of this portion of Cass county.

There have been many fine meetings held in the community center at the church in the fall and winter that have brought together the residents of the community to enjoy the fine programs of the local and visiting talent.

The latest offering of the club was the picnic to mark the close of the summer season and which was staged at the week at the church in the Spangler grove nearby. The threat of rain failed to dampen the enthusiasm of the members of the party, also interfering some with the plans.

The dinner which had been planned to hold in the grove was held at the church parlors instead and with a wonderful array of the good things to eat provided by the housewives of the community and which is a guarantee of its excellence.

After the close of the dinner the men of the party adjourned to the Spangler pasture as the clouds had lifted and there staged a fine exhibition of baseball that was enjoyed to the utmost by all of the members of the party who are lovers of the outdoor sports.

### SUFFERS SERIOUS ACCIDENT

Mrs. A. J. Burquist, well known resident of near Alvo, suffered a serious accident at the home of Mr. and Mrs. Art Hiers, a few days ago. When the storm came up from the northeast Tuesday morning, it was very threatening and the members of the family opened the door to the cellar, located in the pantry, for the purpose of seeking refuge there if the storm was too severe. Later Mrs. Burquist in working around the home forgot that the door was open and stepping into the pantry fell through the open door to the cellar below. Mrs. Burquist is seventy years of age and the accident is most severe for her. All that is possible is being done for her by the attending surgeons and nurses.

### Young Farm Hand Injured in Bad Runaway

Earl Furry, Driving Hay Rake, Has Team Run Away and Kicked in Face by Horse

From Saturday's Daily— Earl Furry, a young man engaged in working at the farm of Maurice Stander, northwest of this city, was very severely injured this morning when the team that he was driving ran away with the hay rake and the young man was thrown off the rake and kicked.

The young man was unable to give a very clear account of the accident but it was thought that as the team started to run away that Furry was thrown from the hay rake and in such a manner that one of the horses kicked him in the face. The blow knocked a number of his teeth out and also cut a terrible deep gash on the chin as well as the upper lip and a part of the right side of his face. He also suffered a laceration of the back of the head in the accident.

### WINS TEN INNING GAME

The Murray Red Sox Thursday afternoon on the Weeping Water diamond played one of the most hotly contested games of the season, the Elmwood team being their opponents and proved most dangerous to the Sox. For ten innings the game was a scoreless tie until the last of the tenth inning when Harry Newman, Sox hurler rapped one of the offerings of his opponent, Carlson, for a two sacker that won the game, scoring Livingston, who had been given a base on balls.

The hurling of Carlson and Newman for the two teams was of the best, the few hits that marked the game were well scattered on both teams, while the fielding was of a high order, although both teams were checked with two bobbles during the long and grueling battle.

The Sox had two on in the second with no outs but were unable to advance to the scoring point as fast fielding cut their chances, while the Elmwood team in the third, fourth and sixth innings were threatening, but the fast fielding of the Sox and the hurling of Newman prevented their crossing the plate.

During the game Joe Krejci had the little finger on his right hand broken and was compelled to retire from the battle.

The tabulated score of the game was as follows:

## Chicago Auto Party in Wreck Near Elmwood

Mrs. F. J. Flynn Has a Serious Scalp Wound—Hit by Auto of Bridge Workers.

Mrs. F. J. Flynn and two nephews, of Chicago, were victims of a very severe auto accident Friday on the "D" street road in the vicinity of Elmwood and the result of which Mrs. Flynn will have to remain at Elmwood for several days under medical care.

From the reports it seems that the Flynn car was coming east and a Ford coupe was headed for the west and they crashed head on a short distance this side of Elmwood, the occupants of the coupe driving on westward as the Flynn car was turned over several times.

The Ford coupe continued on west for about a half mile and then the driver of the car, who was one of the young men who were occupants of the car, were compelled to cease their flight from the scene of the accident.

The two men walked to the home of a farmer named Miller and who they secured to drive them to Ashland, stating that they were bridge workers on the Ashland bridge and had to be at work at the bridge by 7 o'clock. While at the Miller home they were met by two nephews of Mrs. Flynn and the two men stated to the nephews that they thought that the accident had been a slight one, glancing back they had seen the red light of a car and concluded that the Flynn car was continuing on east. The two men drove on to Ashland with Mr. Miller, while the boys returned to the wreck and the deputy going on to Ashland where it was found that her scalp was lacerated from ear to ear and required a great many stitches to close and the patient was kept at the home of Dr. Liston until she is able to travel.

### EIKERMAN-BACKEMEYER

On Thursday afternoon August 20th, 1931, at five o'clock at the home of the bride's parents, Mr. and Mrs. Henry Eikerman near Greenwood, Neb., occurred the marriage of Miss Anna Tressa to Mr. Harvey Backemeyer, the ceremony being performed by the Rev. Chas. Lewien, of the Evangelical church of Elmwood. Mr. Jay Miller, acted as best man and Miss Helen J. Tressa, a sister of the bride, as bride's maid.

Mrs. Louis Kaufman of Ashland, Neb., played the wedding march. Mr. Walter Lenz of Chappell, Nebraska, sang, "Oh, Sweet Mystery of Life," accompanied by Mrs. Louis Kaufman. The marriage was performed in the corner of the living room under a beautifully decorated arch of peach and white crepe paper. A large white bell hanging in the center of the arch. After the ceremony congratulations were extended.

The bride wore a beautiful gown of peach color trimmed with white egg shell lace and carried a shower bouquet of peach color Ophelia roses. Miss Streick wore a gown of pale green georgette and carried an arm bouquet of red roses. The groom and his attendant both wore dark blue suits.

At 6:30 o'clock a lovely two course dinner was served by Misses Ruth Miller, Lidia Streick, Mildred Nelson and Grace Backemeyer.

Both of these young people are well known to all Elmwood. The groom is a son of Fred Backemeyer, and is a graduate of the Elmwood schools. He is employed at this office as linotype operator.

The bride is a charming young lady of splendid character who has a host of friends.

The happy young couple left Friday for an auto trip in the western part of the state. After which they will be at home to their many friends at Elmwood.

### UNION GIRL WEDDED

The bride was beautifully gowned in black transparent velvet. Her dress was trimmed with a beaded sash. Her hat and gloves were of contrasting colors. Miss Helen James her bridesmaid, also wore black transparent velvet with hat and gloves of blending shades. Joe Lewis attended Mr. Ehlers as best man.

posts with public agencies in every manner possible looking toward the alleviation of the present economic depression brought about by crop failure and unemployment.

The federal government was urged to provide for a unit at the Veterans' hospital in Lincoln for hospitalization of women war nurses.

Development of a guide book setting forth places of interest in the state was suggested in another resolution.

The resolution opposing further bonus payments now was presented by the resolution committee of which Robert Waring, Geneva, was chairman. It was passed with only one dissenting oral vote.

Adoption of the resolution came as a surprise, in view of the urgent appeal expressed Monday by Congressman Edgar Howard of Columbus for more legislation on cashing the certificates.

Immediately following the vote, Harry W. Colmery, Topeka, Kan., chairman of the national legislative committee, in his scheduled address, criticized Congressman Howard, saying his action "is sincere but not sound politics."

"We need men in public life who are sincere and honest in their conviction, who do not have to sacrifice convictions for politics," he said. "We need men who do not seize a particular fancy for a time merely to get votes."

"Beware of the demagogue in public life, the man who catches the cry of the hour to catch the attention of the public. Beware of the play actor in public life. Whether he be in the garb of the pulpit, soldier or reformer, he is never for the people, only for himself."
