Enjoyed Very Fine Meeting. On Wednesday of last week at the beautiful country home of Mr. and Mrs. C. M. Reed, was held the regular meeting of the Ladies Aid Society of the Christian church. A large and very much interested number of the members were present and a very worthwhile time was had. The hostesses served a very fine luncheon and entertained the ladies in a very pleasant manner. One very pleasing feature of the afternoon was the address given by Mrs. O. T. Leyda who treated the subject of law enforcement and especially the eight-eenth amendment to the federal constitution and which is generally known as the Volstead law, and with the array of facts at her command occupied some forty-five minutes in Ash, If _____ 4 1 0 0 0 the go the delivering of the address. Root and Mrs. Walter Thompson, both of Wood River. A foster son, Fred, preceded her in death. Other relatives surviving are two brothers, Homer Abel, of Kansas, and Nelson Abel, of Idaho: two grandchildren, Murel and Harold Root. One brother, Theron Abel, and a sister, Elma Burton, also preceded her in death. Mrs. J. H. Graves, a niece, of this

city also survives. She was a devoted wife, a loving mother and a friend to all. She was untiring in her labor in the service

We loved her, yes we loved her, But angels loved her more, And they have calmly called To yonder's shining shore. The golden harps were ringing, A gentle voice said come, And with farewells unspoken She calmly entered home.

CHRISTIAN SCIENCE

The subject of the lesson-sermor read at all Christian Science churches and societies on Sunday, September 13, was "Substance." The selections read are intended to convey the Found Crops Very Fair. concept of substance as that which is Last week C. M. Reed and Roy eternal, unchangeable, and indestruc-Gerking returned from their trip in tible, and that material things do the country and also with the very creation. One of the citations read good crops there. They visited at the from the Bible is in part as follows: home of Mr. and Mrs. Iver Standish, "I know that, whatsoever God doeth, it shall be forever: nothing can be put to it, nor anything taken from it." (Eccl. 3:14) One of the citations read from "Science and Health with Key to Scriptures" by Mary Baker Eddy (p. 349) is as follows: one thousand acre field of corn which was looking fine and as well to keep out of mischief, Mr. Chalfant also ponents of Christian Science beliebe substance to be matter. They think of matter as something and almost the only thing, and of the things which pertain to Spirit as next to nothing, or as very far removed from daily experience. Christian Science takes exactly the opposite view."

CRITICALLY HURT IN WRECK

Lester Lanson, twenty-five, Whiting, Ind., was at Dr. Bailey's sanitorium Sunday night in critical condition from a cerebral hemorrhage resulting from a car crash about mid-
