### SPECIAL SESSION TALK

Governor Bryan has indicated no intention of calling a special session of the legislature for the purpose of enacting a law to enable farmers to crib their corn on the farm for warehouse purposes so as to obtain loans on the grain, a measure advocated by Mark W. Woods, who is gathering sentiment direct from members of the legislature. Five members expressed a desire for a special session, said the governor, judging from replies that he had been shown.

"My investigation discloses," said Governor Bryan, that three-fourths of the farmers have no corn to sell and the other one-fourth will be able to market their corn in Nebraska without further legislation. I don't know the percentage of owners of corn who desire to obtain loans on their corn to enable me to judge whether there is justification for a special session of the legislature."

Legal and commercial printing of all kinds at the Journal office.

### ANOTHER MESSAGE FROM SANTA

Prince Rupert, B. C. December, 9, 1931.

To Plattsmouth Journal: Plattsmouth, Nebraska. Greetings and Salutations--

Another hard day through the snow and here we are in Canada. These Siberian dogs surely know how to travel. When they come galloping down Main street you will see how we travel in this North country. I am expecting to arrive in Plattsmouth on time Wednesday morning, Dec. 16. Hope you will all be there to see me come in. Tell Chief Elliott to keep all dogs off the street on that day. Will wire you again tomorrow. SANTA.

Do not forget that Christmas is but a few weeks away and accordingly call at the Bates Book & Gift Shop to make your selections of the handsome Christmas cards for printing or engraving. A wide range of prices

## Nehawka

Mrs. C. W. Avord of Minneapolis, a sister of Mrs. R. C. Pollard of this place, has been visiting here for the past few days and the two sisters and others are surely enjoying the visit.

The Lincoln Telegraph and Telephone company are having a new covering placed on the floors of the office which they purchased through the Sheldon Department stores of Nehawka and which when placed will make the office very pretty and comfortable.

Quinton Palmer, who was so seriously injured by the kick from a tractor which he was attempting to start some weeks since, is reported as getting along nicely and will in short time be so far recovered that the wires which are holding the bones in place can be removed.

Albert Anderson and Frank B. Lemon were over to Nebraska City on last Sunday where they shot some golf, and notwithstanding it was winter they had a very fine afternoon and when all was said and done it was found that their scores were a tie. Now this will have to be shot over again.

George Trunkenholz of Eagle was a visitor in Nehawka on Monday of this week and was conferring with his man here, Charles Hall, regarding the business and the manner of conducting the same. Speaking of business, Mr. Trunkenholz had to say that business was fair and that like all they would be pleased to see the time come when the business was again established on the former good paying basis.

Will Have Program Christmas. There will be a very worthwhile program at the Methodist church on Christmas eve when under the direction of the ladies of the church the children of the Bible school will present a very fine Christmas program. They are industriously practicing on the playlet and are most interested.

Undergoes Operation at Omaha. Wm. Obermuller, who has not been in the very best of health for some time past, went to Omaha on last Friday and entering one of the hospitals where he underwent an operation for the restoration of his health, and since the operation has been getting along fairly. Mr. Obermuller was over to Omaha on last Sunday to visit his husband.

Visited in Nehawka. Roy Kratz and the family of Omaha, former residents of Nehawka, were guests for the day on last Sunday in the city and were visiting while here with their friend, John Steffens, whose old enjoyed a very fine visit. The visit was made the more pleasant by the presence of James M. Palmer and family.

Received Severe Injury. Mrs. J. G. Wunderlich was a visitor on last Sunday at Plattsmouth and while there was the guest of her daughter, Mrs. Sattie Shriner, and as she was descending the steps leading from the house into the yard and has but two more steps to go to reach the ground, slipped and in falling twisted her knee in such a way that she was made lame and could not walk. She is remaining at the home of her daughter, where she has the best of care and medical attention.

Visiting in Nehawka. Frank Boedeker and wife of Council Bluffs, Iowa, were spending last Sunday and a portion of Monday in Nehawka visiting with their many friends and enjoyed meeting their many friends very much. Mr. Boedeker is prospering very nicely in the Iowa city, as he now has three stores and markets in that place and all doing well. We and many others of the many friends are pleased that they are doing so nicely.

Lands Go Cheap. The estate of E. M. Pollard, former congressman for this district, was sold on last Monday to satisfy a mortgage and there being something over three hundred acres, made the land cheap at the sale price of \$28,000. The place was bid in by the owner of the mortgage.

Will Give Return Party. The members of the I. O. O. F. of Nehawka are just at this time making extensive preparations for the entertainment of the members of the Rebekahs, as well as their wives and friend at a meeting which they are to hold on December 14th, which will be their pre-Christmas meeting and are expecting to have a very fine time.

Gave Hard Time Party. The Daughters of Rebekah, and they are sure a capable lot of entertainers, at their meeting on last

week, produced a very wonderful entertainment of course they were assisted by the men, as competitors for the several prizes which were hung up. The idea was to wear the most outlandish costume possible, and in this the first prize was won by Mrs. Elmer Stoll, who out distanced all competitors in the ladies class and drew first prize. We did not learn what it was. But in the case of the men, David C. West won easily against the array of men and was presented with a new suit of clothes. Ask Dave.

United Brethren In Christ. OTTERBEIN CHURCH Church Bible school 10 a. m. Morning worship service 11 a. m. Prayer meeting Wednesday evening, Dec. 16, at Mrs. Kropp. The Y. P. S. C. E. will meet at G. A. Murdoch's Friday night Dec. 11. These are your services. You are welcome to each one.

NEHAWKA CHURCH Church Bible school 10 a. m. Evening gospel service 7:30 p. m. Prayer meeting Wednesday evening, Dec. 16 at Mrs. Kropp's. The Y. P. S. C. E. will meet at the church Thursday, Dec. 17. Instead of our regular meeting we will practice for our Christmas program on that night. Come.

The Ladies Aid will be entertained at the Herman Skomaker home Wednesday, Dec. 16. Mrs. Rutledge will serve. Everybody welcome. Remember the special offering for our old people and orphans. We were glad to have a good attendance at our services Sunday. Come again. We need you and you need the church. "The Lord knoweth them that are his. Let every one that nameth the name of Christ depart from iniquity." II Timothy 2:19. Ye cannot serve Jesus Christ and the Devil. Jesus Christ loves you and gave Himself for you on Calvary's cross. Serve Him.
