### SCHEIDER IS FREE AGAIN

Omaha—Herman Schneider, former Omahan is free to proceed to Germany to collect his fortune. Schneider, arrested in New York on complaint of Mrs. Charles Hoffman, his Omaha landlady, has returned the \$800 Mrs. Hoffman loaned him for the trip.

In addition he had promised to "cut the Schneider's in" when he came into his inheritance, which he asserted would aggregate \$190,000. Schneider's arrest caused him to miss the boat on which he planned to sail for Germany. In addition to the \$800 he had \$200 of his own money when arrested.

## City Basketball Team Drops Hard Fought Contest

Co. I Team at Glenwood Wins Game in Last Few Seconds 20 to 19 by a Free Toss.

One of the best basketball games that the fans of this section have had the privilege of witnessing in many a long day was that staged last night at the armory at Glenwood.

The team of Co. I, 188th Infantry, composed of the former stars of the Glenwood high school, including Hatcher, the scoring ace of last year's G. H. S. in their clash with the stars of the Plattsmouth alumni were the winners 20 to 19, but the game was one full of thrills and action on the part of both teams.

The Plattsmouth team led the scoring for the greater part of the game, having a 15 to 9 lead at the half.

In the second half the Glenwood team crept to the front and led at one time 19 to 17, the Plattsmouth tying the score just as the game was in the last few seconds of the hectic battle, then Osterholm, forward of Glenwood and Turner, local guard, tripped and the foul was charged to the fast Platter guard and Osterholm made it good for the winning score just as the gun announced the close of the game.

The Glenwood team will play here later in the season in a return battle with the Nebraskans.

The tabulated score of the game was as follows:

	FG	FT	PF	TP
Glenwood—				
Osterholm, f.	3	0	2	6
McClary, f.	3	1	2	7
Svoboda, c.	1	0	0	2
Turner, g.	2	0	2	4
McClary, g.	0	0	0	0
Wiles, g.	0	0	2	0
Trively, c.	0	0	1	0
	9	1	10	19
Glenwood—				
Osterholm, f.	1	2	0	4
Hatcher, c.	1	0	0	2
Plynn, c.	0	0	0	0
Cheney, c.	0	0	0	0

### SANTA PARADE

It is not certain as yet which way Santa and his party will make their entrance into Plattsmouth. It is a question whether he will come in from Washington or Chicago. However if you will locate yourself somewhere on Main street between 6th and the depot you will be sure to see him. He will have two full dog teams driven tandem. It will be a sight to see these teams as they are genuine Alaskan and Siberian dogs such as they use in the north and nothing of the kind has ever been seen in Plattsmouth before.

### SANTA AT SEATTLE

Seattle, Wash., U. S. A. December 11, 1931.

To Plattsmouth Journal  
Plattsmouth, Nebr.

Greetings and Salutations:

It does seem great to be in the good old United States again.

This city of Seattle is about as hilly as Plattsmouth and it is a bustling cosmopolitan city. Ships from all over the world put in at this port. The dogs and the deer and my northern traveling companions are all feeling fine. We expect to leave here in the morning and will reach Helena, Mont., some time tomorrow night. Glad to hear arrangements are being perfected for my coming. Your bicycle corps will be a big help. Tell the boys these dogs travel about 25 miles an hour so tune their bicycles up to about that gait. Is Claude Smith still in Plattsmouth. I used to fill his little stocking at Wahoo.

### RETURNS TO CALIFORNIA

Miss Henrietta Martens, who was called here several weeks ago by the death of her mother, Mrs. Augusta Martens, departed Thursday for San Francisco where she has been located for the past few years. Miss Martens after finishing her nurse training at Omaha, was located in that city for a short time, but in recent years has been stationed at San Francisco where she has been engaged in the Southern Pacific hospital at that place. While here Miss Martens was able to meet a number of the old time friends who were delighted to hear her again after regretting the sad mission that had called her home.

### MARRIED AT COURT HOUSE

The marriage of Miss Iva Maybelle Benedict and Charles W. Wright, both of Council Bluffs, Iowa, occurred on Thursday afternoon at the office of County Judge A. H. Duxbury. The ceremony was witnessed by Mr. and Mrs. C. J. Bowes also of Council Bluffs.

## Louisville Pioneer Reaches 100 Years of Age

William A. Johnson Will Observe the Anniversary at Home of the Daughter in Omaha.

From Saturday's Daily

On Monday, December 14th, William A. Johnson, pioneer resident of the vicinity of Louisville and one time marshal at that place, will observe the one hundredth anniversary of his birth.

There are few given the privilege of reaching this very advanced age and for the years that have laid their weight on him, Mr. Johnson is very vigorous.

He has made his home for some years with a daughter, Mrs. Rose Bender, at 807 South 20th street, Omaha, and where he has every care to make his last years pleasant. He is visited frequently by old time friends and acquaintances from Louisville, and despite his years he retains a clear recollection of the pioneer days and the friends and neighbors that he knew in the old home community.

While a resident at Louisville Mr. Johnson and wife resided in a home in the south part of the city and the family is well remembered by the older residents of the cement city.

### FIND AGAINST BRIDGE CO.

From Saturday's Daily

The suit of Rosewater, Mechem, Burton, Hasselquist & Chew, of Omaha against the Louisville Bridge Co., in which the plaintiffs sought to recover the sum of \$2,792.88, which was alleged to be due as fees, was terminated Friday afternoon in the district court. The jury was only out a short time deliberating on the issue of the case and rendered a verdict for the plaintiffs in the sum of \$1,100.

Following the verdict in the bridge case Judge Begley excused the jury panel until Monday when the case of John Hertz vs. the Mercury Insurance Co., of St. Paul, Minnesota, will be called for trial.

### RECOVERING FROM INJURIES IN AUTOMOBILE ACCIDENT

Mrs. Frank Riester, of near Manley, returned home last Thursday from a few days spent at Murdock assisting in the care of her parents, Mr. and Mrs. John Scheel, who were hurt in an automobile accident about six weeks ago. Mrs. Scheel suffered a relapse although she had not been able to be up since the accident. She was thought to be making good progress until there was a change for the worse in her condition.

However, we are pleased to be able to report that they are now doing fine and we trust will soon be enjoying their usual good health and spirits.—Louisville Courier.

### SUFFERS FROM FALL

Mrs. Alice Eaton, one of the long time residents of the city, is confined to her home as the result of a severe fall that she suffered a few days ago. Mrs. Eaton is residing with her daughter, Mrs. F. L. Cummins, and while around the house fell, the result being a severe shock that has made necessary Mrs. Eaton remaining quiet for some time.

Plattsmouth stores offer every buying advantage you will find in the city—and they don't hike the prices at Christmas time like a lot of city stores do. Read their ads in this paper and buy here at home where your money isn't removed from circulation.

## Schoolmen's Club of County Holds Meeting

Basketball Contest Between East and West Sides Staged and Fine Supper Enjoyed.

The second meeting of the Cass County School Men's club was held at Plattsmouth high school last Thursday night with twenty-five men present. Supt. J. H. Adee of Eagle, is president of the organization and Supt. S. M. Leger of Elmwood, secretary. A basketball game between teams representing the east and west ends of the county was played at 7:30 and aging muscles and rheumatic joints were overcome as the team from the east side defeated the west team by a small margin. Following this another contest in volley ball also went to the east side pedagogues.

The local men had prepared oyster stew which was served in the Home Economics department. Future arrangements for basketball games were discussed at the business meeting, and Sammy Patterson, two weeks old son of Principal R. P. Patterson of Plattsmouth, was made an associate member of the club.

This organization has been functioning for the past three years and brings together the school men of the county in a social way that does much to promote a spirit of friendship and co-operation between the schools of the county. The next meeting will be held in January at Avoca.

### SANTA RESTS AT HELENA

Helena, Mont. Saturday, Dec. 12

To Plattsmouth Journal  
Plattsmouth, Nebr.

Greetings and Salutations:

Every boy and girl should be able to tell me what city is the capital of Montana. If you don't know, look it up on the Geography. Here we are right in the heart of the Rocky mountains. Our sleds are pointed toward Plattsmouth but we are going to stay here over Sunday and rest. We shall attend church tomorrow "incognito"—if you don't exactly know what that means, look it up in the dictionary. Early Monday morning before the sun is up we shall start out again in a south-easterly direction, and expect to make our next stop at Cheyenne, Wyo., and will wire you from there. How is the weather down that way. It seems to us we are getting into a warmer climate all the time.

We told us at one of the mountain lodges today that we would soon run out of any snow and be on the bare ground. Well that does not worry us because we have wheels attached to our sleds and all we have to do is let them down and go! we are ready for dry ground. However, we would all feel more natural if there was a little snow, so you arrange with the weather man if possible to have it snow by Wednesday. Anyhow, we will be there Wednesday, rain, snow or shine. Hope every boy and girl in Cass county will be up on Main street when we drive in. How is Frankie Bestor. I understand he has been sick—I'm very sorry. He always was a good natured boy.

SANTA.

## Platter Quintet Wins from Bellevue, 24 to 9

Platters Show Well In Practice Game—Rummel Leads in the Scoring

The Plattsmouth high school quintet Friday afternoon enjoyed their first game of the season with the Bellevue high school team, the contest being played immediately after the close of the regular school session.

The locals were the winners of the contest by the score of 24 to 9, the visitors putting up a very strong battle, although their field goals were all gained from mid-court, the Platter defense not permitting many close shots for the basket.

The score at the half was 15 to 4 for the Platters and they were at no time in danger.

Robert Rummel, forward of the blue and white quintet, led the scoring with a total of 10 points.

All of the local squad were used in the game and the starting lineup of the Platters comprised: Arj and Rummel, forwards; Donat, center; Forbes and Knoeflek, guards. Maynard McClary, forward and Bill Bonne and Robinson were also used in the game against the boys from up the river.

The regular season opens on next Wednesday when the Louisville team is here to entertain the fans in what should be a fast and snappy game as Louisville has a good team this year, largely veterans.

### WESTERN WHEAT STILL IN NEED OF MOISTURE

Lincoln, Dec. 11.—Despite a four-inch snow that blanketed the region several weeks ago, western Nebraska winter wheat is 50 per cent damaged because of drought, D. M. Felton, assistant secretary of agriculture and a resident of Ogallala, said Friday.

The long dry period of the summer, he said, had parched the soil to such an extent that the melting snow was of little value.

He said the loss might run more than 50 per cent in some regions.

### HITLER FORBADE TO BROADCAST SPEECH TO THE U. S.

Berlin, Dec. 11.—Adolf Hitler, Germany's No. 1 fascist, tried to reach the ear of America tonight with a broadcast against Chancellor Bruening—but the dictatorial arm of the government thrust him aside.

Both Reich and Prussian authorities forbade him to broadcast to the United States an eight thousand-word address he had drafted in reply to the chancellor's radio speech of several nights ago.

After attempting in vain to telephone the document to London for relay across the Atlantic, Hitler grudgingly submitted it to the official radio censor. It was barred on the grounds that it would violate the "Christmas truce" on political agitation set up by the latest emergency decree.

The fascist leader had hoped to retaliate in stinging terms against Chancellor Bruening's warning that his government was the only recognized authority in the land and that President von Hindenburg would declare martial law if necessary to preserve it from subversive influence.

### C. A. MCCLLOUD WILL RUN

C. A. McCloud of York, republican national committeeman is a candidate for re-election at the April primaries. He made this announcement at the capitol Friday while passing out copies of his petition to friends for circulation among republicans. Under the law, a candidate for national committeeman must obtain the names of two-thirds of the republican voters of all the congressional districts. He estimates the necessary number between 7,000 and 8,000. Gould Dietz of Omaha will not run for national committeeman now that Mr. McCloud has announced his intention.

"After a national committeeman is elected," said Mr. McCloud, "he is given the privilege of traveling for circulation in the United States at his own expense."

Mrs. Cameron and Mrs. Lord both of Omaha, and Mrs. Peterson of Falls City, are candidates on the republican ticket for committeewoman from Nebraska.
