## Mrs. D. A. Young, Old Resident, Passes Away

### Loved and Honored Pioneer Resident Sinks Gently Into the Last Long Rest.

From Monday's Daily  
Mrs. David A. Young, resident of Cass county for a period of sixty-four years, was called to the last long rest Sunday evening, death coming to her gently and peacefully. For the past few days the condition of Mrs. Young had been very serious and while all that skill and care could bring to minister to her, she was passing from this earthly life to the final reward.

Several months ago Mrs. Young was injured in a fall and has since been bedfast, in the last week a complication of illnesses adding to the seriousness of her condition. Since returning from the hospital Mrs. Young had been at the home of her daughter, Mrs. Guy C. White on high school hill.

Anna Australia Mann, daughter of Mr. and Mrs. Thomas Mann, pioneer residents of the west, was born in Decatur county, Iowa, on September 3, 1857. When ten years of age the parents decided to seek a new home in the west, crossing the Missouri river at Rock Bluffs, near where the family settled. Here the departed lady grew to womanhood and on March 22, 1878, at Plattsmouth, she was married to David Andrew Young, one of the young pioneer farmers of that day, the wedding performed by the late Judge W. H. Newell, then county judge of Cass county. With the exception of three years spent in Knox county and a short time in Murray, Mr. and Mrs. Young resided on the Young homestead south of this city. To bless the life of Mr. and Mrs. Young there were born seven children, one daughter, Lucy, being killed when a child of thirteen years. The remaining children are D. C. Young, Chicago; Albert A. Young, Murray; Mrs. Ona Lawton, residing at home; Mrs. Lena Layman, Vale, South Dakota; W. R. Young and Mrs. Guy C. White of this city. There are also eight grandchildren, Eric Lawton, this city; Albert Young, Jr., Ruth and Vivian Young of Chicago; Stanley Lyman, Mary, Aurora Lee and Marcia Lyman, Vale, S. D.; Annice Lee White of this city.

Mrs. Young also is mourned by two sisters and one brother, Mrs. Garnet Welliver, Moorhead, Iowa; Mrs. J. Q. Connally, Union, Oregon and Grant Mann, Moorehead, Iowa. More than forty years ago Mrs. Young joined the Christian church at Murray and has since been a devout member of this faith. Mrs. Young was a member of Home Chapter No. 189, Order of the Eastern Star.

## ANOTHER TOUCH OF WINTER

From Tuesday's Daily  
A four inch snowfall starting at an early hour this morning, laid a mantle of white over the entire community, but aided rather than interfered with the travel, the snow covering the roads and rough roads that have existed for the past few days when the melting snow of the big storm a week ago, turned to ice. The streets in the city were especially helped by the snow. The large amount of snow has been a real problem in getting rid of, the city not being in a position financially to have the snow hauled off the streets as it should be.

The snow is reported as general in eastern and central Nebraska. In several places farther south sleet was reported as well as snow.

## VISITS IN CITY

## Platter Victory Feature of High School Contests

### State Basketball Activities Reviewed by State Journal State Sport Editor

Most of the basketball attention in prep circles the past week was centered on conference races and the majority of favorites came thru in fine style altho a few upsets were recorded.

Heading the list of surprising defeats comes the Plattsmouth-Nebraska Deaf game which Coach Robert's sharp shooters captured by a narrow 16-14 count. It was the sixth consecutive win for Plattsmouth and the second loss of the season for the Mutes. Earlier in the week Nick Peterson's boys were victorious over Jackson by a slim 16-13 score.

The western conference race was thrown into a muddle as three of the favorites took the short end of the count. Bridgeport stopped Alliance 23-18 and the latter quint turned around and defeated Sidney, last year's champions, 17-14, while Gering measured Scottsbluff 14-5. Coach Al Gembler's five had been selected as one of the teams to beat following its win over the Box Butte county flippers recently.

Mitchell dropped a pair of contests, losing to Liberty 20-18 and to Bayard by the identical margin. Lodgepole doubled the count on Oskosh, 24-12.

## Beatrice Beats Kearney

In one of the two feature mid-state league games, Kearney was beaten by Beatrice 19-13. Altho the tilt was regarded as a tossup because of the great improvement the Gage county outfit had displayed in its last few starts, Coach Tom Elliott's five boasted a much better record. Fremont registered a 26-12 win over Norfolk in the only other important conference encounter.

Crete ran its victory string to eight straight and four in the midstate loop by virtue of decisions over Havelock and Fairbury. The Cardinals walloped the Engineers 33-10, and then administered a 21-9 lesson to the Blehn clan. Hebron stopped Fairbury, 16 to 13.

Hastings' attempt to shake off the losing jinx with more disappointments as the Tigers were presented the short end of the score in a pair of clashes with Capital City quintets. It took late minute rallies to turn the games in favor of the Lincoln team in each instance. Jackson nipped the Adams county tossers 20-17 in the final forty-five seconds of play and Coach Stuart Baller's tossers played the steam to come out ahead 24-21 after trailing most of the time.

Besides tripping the Thomas coached lads, Lincoln also took a more firm hold on first place in the Trans-Missouri conference by defeating St. Joseph Central 29-19 on the latter's court. The Red and Black flippers have won their only two valley starts and are heavily favored to come thru to a title.

Kearney split even in two inter-conference games with southwest opponents, taking a drubbing from North Platte, 21-7, and polishing off Gothenburg 32-20. The Lincoln county artists turned back Curtis Aggies 30-19 in a league battle.

## Tech Splits Pair

Coach Jim Drummond's Technical Maroons broke even in a pair of valley contests. Central stopped the Techsters 24-10 and the latter then nipped Abraham Lincoln, 1931 champs, 29-25 in two extra periods. Lincoln reserves broke into the Greater Lincoln league win column with a 15-9 win over College View, and the Robsonmen eked out a 10-7 victory over Havelock. Bethany smothered Ashland 30-3 in a one sided effort, while the latter dropped a 25-11 verdict to Milford.

Seeking to annex both the city title and interstate league crown, Creighton Prep advanced another step by defeating Omaha Central 17-12 and Missouri Valley, Ia., 54-15. Coach Eddie Hipsey's proteges also won from St. Francis of Council Bluffs 34-13. The youthful Bluejays have a record of eight straight without a reverse.

Coach Jackson's Vikings turned in a pair of triumphs, licking South 23-15 and drubbing Thomas Jefferson 55-15. The latter quintet defeated Benson 21-15.

Two powerful scoring eastern teams, Seward and Schuyler, also boast perfect records as a result of winning last week's tussles. Coach Ben Kellner's tossers, led by Lloyd Cardwell, measured David City 25-10 and the Baldwin coached flippers walloped Wahoo 34-8.

## Peru Cops Second

In the southeast Peru Prep chalked up its second league win by nosing out Nebraska City 21-18 to remain in the lead with Plattsmouth. Auburn strengthened its hold on third position with a 21-18 verdict over Falls City. Coach "Jug" Brown's tossers had a tough time winning from Dawson, the final count being 9-8. Humboldt moved into fourth with a 23-11 victory over Tecumseh. Crawford's attempt to halt the fast traveling Rushville team resulted in failure as Coach Fredstrom's hoopsters came out on the

long end of a 17-13 score. The game featured the northwest program.

## FEELING QUITE POORLY

Charles Creamer, one of the old residents of east Rock Bluffs, is reported as being very poorly the past few weeks, being hardly able to be around the house.

## Building Paysrolls Our Big Need for 1932

### While Exerting Every Effort to Bring New Industries Here, Let's Not Neglect the 'Old' Ones.

By ELMER A. WEBB, C. of C. Pub. Com.

With farm prices demoralized and the farmers' buying power cut one-half to two-thirds in the past few years, the crying need of cities, towns and villages throughout the west is for "bigger and better" payrolls.

Omaha has felt this need, and the smallest hamlet in Nebraska has felt it. So it is not strange that Plattsmouth be faced with a like problem. When the farm dollar was the standard of exchange many communities were content to ride the crest of the wave and enjoy the prosperity they little sought to analyze, forgetting the equally important phase of the good times, the steady employment of home labor.

When farm prices started down the toboggan and reduced buying power focused attention on employment, the payroll need came forward in logical manner and cities like Omaha spent weeks in newspaper and radio educational campaigns to impress upon the people the importance of buying Omaha made goods so that Omahans could be kept at work and money retained in the community.

The same thing that is true of Omaha is likewise true of Plattsmouth and the plan of the Industries committee of the Chamber of Commerce to bring this fact pertinently before the people of our community through a series of advertisements is most commendable.

## May Attract New Industries

Tomorrow, in Chicago, will be held a conference of business executives on the outcome of which hinges the matter of locating a real worth-while industry in our midst—one that will give year-round employment to quite a number of people and seasonal employment to a large group. The Industries committee has worked on this matter for a year and now that it sees almost certain success ahead, its thoughts turn to the kind of support we are giving the industries already in our midst—whether we are lending our aid and encouragement to their growth and prosperity or being content to let them struggle along as best they can!

Upon the answer to this depends in no small measure the growth of our community.

Our greatest payroll is that of the BRET shops, and while they have nothing to sell, our co-operation and good-will can help to bring about their further expansion.

We have other smaller industries however, which it is within our power to make larger by our patronage. Here they are:

## BREAD—Wentworth Bakery and Zondler Bakery.

## BUTTER—Farmers Co-Operative Creamery and Hoffman's Home Dairy.

## FLOUR—Heisel Flour Mills.

## CIGARS—John Bajack, manufacturer "Acorn".

## BROOMS—James Rebal.

## TIRE TOOL—Jiffy Tire Tool Co., Charles Valley, manager.

## BASKETS—Nebraska Basket Co., Hiatt & Slayman, Owners.

## PRINTING—Plattsmouth Journal.

Although little has been said concerning the latter industry, it might be informative to some Journal readers to know that this industry supports a payroll of eleven and provides steady year-round employment to each of these. Yet, like with other industries, there is outside printing being sold to our business and professional men.

"Bigger and Better Payrolls"—how to get them! Well, if you ask us, just support the industries we now have loyally and the problem will solve itself.

And certainly, until the farm dollar stages a "come back" everyone will agree that is what we need.

## RETURNS TO OMAHA

J. J. Smith, of Omaha, who has been here for several days at the home of his daughter, Mrs. T. B. Bates, assisting Mrs. Bates and Mrs. Smith, returned home Tuesday. Mr. Becker is still quite weak and confined to his bed but is progressing just as well as could be expected under the circumstances. ## Trio Hold Up Texico Station and Secure \$42

### Two Men and Woman "Stick Up" Chester Welshimer as He Opens Station at 6:45

Chester Welshimer, proprietor of the Texico Oil station at the intersection of Chicago avenue and the Louisville road in the south part of the city, was "stuck up" at 6:45 this morning, at his place of business, and robbed of \$42.

Mr. Welshimer, who resides near by the station, had gone as usual to open up the station, leaving home about 6:45. On reaching the office of the station, he unlocked the door, stepped inside, finding two men armed with riot guns awaiting him with the command of "stick them up."

With the two men was a woman companion.

The robbers relieved Mr. Welshimer of \$42 in change which had with him and then made their escape in a Buick sedan carrying a Kansas license number.

The robbers started from the vicinity of the station, Mr. Welshimer attempted to summon the police, only to find that the robbers had cut the telephone line and placed it out of commission. It was necessary for Mr. Welshimer to run to the residence of William Highfield, a block away, to telephone.

The visitors had an excellent team and they played a fast and accurate game, but the locals would not be known as the same team that last week defeated the fast Glenwood national guard organization.

In the opening quarter the wreckage started to leave the locals trailing 8 to 2 at the close of the period, McCleary being the only one of the locals to connect.

The second quarter of the game, Yelick, who was playing the best game for the Plattsmouth quintet, came through with three field goals, Galloway and McCrary one each while Galloway also added two free tosses and the margin of the visitors was cut to 18 to 14.

The third period was a very even battle, McCleary, Galloway and Turner securing field shots while for the visitors Pickering made two field goals and Vandever, the scoring ace of Syracuse, one. Lambeth scored a free toss that added one more to the visitors' lead.

In the last period Vandever and Lambeth of the visitors annexed five field goals and Pickering a free toss to bring their lead to 36. Plattsmouth in the last period was held to a field goal by McCleary and a gift shot by Yelick for a total of 23.

Vandever, forward of the visitors, was the scoring star of the game with nine baskets to his credit while Yelick and McCleary led the locals with three field shots.
