## Bishop Shayler Sends Pastoral Lenten Letter

Episcopal Bishop of Nebraska Points to Need of Observance of Season of Penitence.

The Holy Season of Lent never has been so pregnant with necessity nor so promising with spiritual opportunities as this one close at hand. Its old message rings out with new emphasis, "Turn ye even to me with all your hearts, saith the Lord."

This world and all it has is proving an illusion. Houses that have been builded upon the sand are crumbling away before the storms of economic adversity. We hear the groans of the miserably, the cries of the hungry and unclothed and the laments of minds distressed.

In the Gospel we read that Jesus had "compassion upon the multitude" and I am asking that your prayers and thoughts be turned this way during Lent. May real penitence carry us out of the region of self-interest in which we have, too long, comfortably remained. May our fasting spiritualize itself into giving for our poorer fellowmen, May our alms enrich the hungry who sit at our gate.

Let your communions and readings, your sermon-hearing and your meditations serve to lead you out into service in the name of the Lord. Carry the Blessed Christ from the altar rail into the lives of every soul with whom you make contact. Establish your thoughts into deeds of mercy and rise from prayer-bent knees to service-active feet.

The church of the unchanging Christ must assert her power to create a spiritual morale which shall challenge and regenerate the world's methods and sins. The individual is the church to other individuals, and her power is limited only by the powerlessness of the individual members of her body.

Throng your church at every opportunity; open your hearts to the inspiration of the Holy Spirit and then go forth strong in the Lord and the power of His might. Forty days thus utilized will indeed be a death unto sin and a new birth unto righteousness, and Easter will reveal a real resurrection unto life.

Faithfully yours,  
BISHOP  
ERNEST V. SHAYLER.

## MISSIONARY SOCIETY M. E. WOMEN'S HOME

The Foreign and Home district organization of the M. E. ladies held the joint yearly luncheon and inspirational program at Stuntz Hall, Omaha, on January 12th. Stuntz Hall was formerly Brownell Hall, a finishing school for girls under the Episcopal church. When they built their new school the old building was for sale and the late Bishop Stuntz greatly desired to make of it a home for girls working in Omaha, that they might have a place with home atmosphere and righteous influence, where they felt safe and yet at nominal cost. It was taken over by the Methodist church and all but the south wing repaired and redecorated and is indeed a delightful home for the purpose. All auxiliaries of the district were invited and there usually two hundred or more gather for the meeting the attendance was not quite that good on account of road conditions. Rev. Troy kindly took three members from Plattsmouth and all join in pronouncing it one of the most uplifting and encouraging of meetings held.

Mrs. M. D. Cameron brought for the devotional period, the resume of addresses on Spiritual Life as given at the National Home Meeting at Minneapolis last October. Mrs. F. O. Leete, wife of our resident bishop, brought a word picture of their sojourn in Korea last summer, when on a world tour over Methodist activities. The closing address was by Dr. Jennie Callias on the "Ecumenical Meeting," held in Atlanta, Georgia, last fall. It was a revelation of the power the church possesses and what it might as for this racketeer sick depression-weary, and rich-poverty stricken country, if it, with its teachings of justice and truth were given first place in the life of every individual who makes up our great population. As a fitting conclusion, Mrs. Morgan, a negro sang most beautifully a Negro spiritual of joy in the Christian life. Everyone was so deeply impressed that none felt they would ever complain or become discouraged again in doing the work of the Lord and returned home determined to go at their tasks with renewed devotion. Plattsmouth hopes to bring a part of that program to its own church at some near date.

The January meeting of the local society was held at the parsonage the evening following the Omaha meeting. Condition of streets and sickness cut the attendance very low. But the few in attendance seemed to receive a double portion of strength to carry on. The subject of entertaining the spring district convention was brought up and so few being present, it was decided not to vote favorably. However the district president is waiting for the society to consider its action at the February meeting which will be held at the home of Mrs. C. C. Wescott Tuesday afternoon at 2:30. Note change from evening to afternoon on account of other public and church meetings in the evening. Will the Foreign members also join with the Home to consider the public meetings? Some information will be brought fresh from the executive board held in Lincoln last Saturday at which the local society had representative. There will be a district board meeting at Omaha on Wednesday at 10 o'clock at the Y. W. C. A. building. Members welcome.

### DEATH OF MRS. VEST

The death of Mrs. Henry Vest, 45, of Murray, occurred late Tuesday at the University hospital at Omaha, where the patient has been for some little time. The Sattler funeral home of this city brought the body here last night. The funeral services will be held on Thursday afternoon at 1 o'clock from the Presbyterian church at Murray. Mrs. Vest is survived by the husband and several children.

### SHIPS CAR TO NORTH

A car for shipment to northern Nebraska, was just sent out of Avoca this date being consigned to Atkinson, Nebraska.

Loading of the car was started at Oteo and the work there was in charge of Guss Roetger and C. H.

Conrad and the facilities of Farmers Union Elevator were used for loading. A total in pounds of 29,804 was secured at Oteo, being shelled corn, ear corn and oats.

Loading of the car was completed at Avoca and work was in charge of Fred L. Carsten and Elmer Hallstrom. The Marquardt Elevator rendered invaluable assistance with the use of their elevator and kept charge of the record of grain as it came in. The following assisted in work of loading: Elbert M. Hill, M. C. Pittman, George Durham, Fred Marquardt, and Ed Freeman. A total of 43,947 lbs of shelled corn, 16,709 lbs of oats, and 530 lbs of hay was secured.

A remarkable fact in connection with this load of feed is the fact that neither town had a Legion post nor Chamber of Commerce, the entire work being done by individuals, no direct solicitation was used, no letters or cards were used, entire work being done thru the use of line calls thru the Avoca and Oteo exchanges and public announcement at sales. Two days were used for loading at each town.

### DIES AT WEeping WATER

Miss Bernese Wade, 20, who has served for several years as reporter and bookkeeper at the office of the Weeping Water Republican, died at the family home in that city and was buried on Sunday. Miss Wade was taken sick some time ago, suffering from a cold and which later developed into pneumonia, she gradually growing worse until death came to her relief. The deceased was a daughter of Mr. and Mrs. John Wade, the father having been an invalid for years and under constant care and now the death leaves the wife and mother with the sole care of Mr. Wade. Another daughter died several years ago.

Another gas line thru here and large river expenditures are some of the bright spots ahead for this vicinity. Better days are coming!

### AGED MAN HAS FALL

David Ebersole, Sr., who resides on South Sixth street, had a severe fall Monday while crossing Pearl street on the east side of Sixth street. The crossing and approaches to the sidewalks are quite icy, caused by the melting snow that has frozen and caused a sheet of ice and it was on this that Mr. Ebersole slipped. The accident caused an injury to the back of Mr. Ebersole and he was unable to return home, a short distance away, and it was necessary to have assistance to reach home. The injury was such that it was decided best to have the patient taken to the hospital at Omaha for an X-ray and treatment later in the day.
