Death of Well Known Resident of Murdock

Mrs. Louise Marie Merkle Dies at Home at Murdock Where She Has Long Resided.

Louise Marie Merkle, nee Volmer, was born March 24, 1853 at Wilbad, Wurtemberg, Germany, and peacefully passed away at Murdock, Nebraska, on May 7, 1932, at the age of 79 years, one month and 13 days.

In her early youth the deceased attended the public schools of her native land and at the tender age of 14 years was confirmed in the Christian faith in the State Church of Germany.

On October 7, 1873, she departed was very happily wedded to Mr. George Merkle who preceded her in death in May, 1930. This happy union was blessed with 5 sons and 4 daughters of which five sons and one daughter preceded the mother to the great beyond.

In the early spring of 1881, the deceased bade farewell to her loved ones and to the land of her birth and migrated to America, settling in Lincoln, Nebraska, where she with her family lived for one year.

In the early spring of 1882, she moved to a homestead two and one-half miles east of Huntley, Nebraska. In the year 1906, she moved one mile west of the old home and in the year 1919 she with the family came to Murdock, Nebraska, where she departed this temporal life on May 7, 1932.

In the year 1888, she departed was soundly converted to God under the labors of Rev. G. Streicher and became one of the charter members of the Zion Evangelical church near Huntley, Nebraska. She remained true to God and the church unto the end.

The departed was a devoted Christian and a true praying, godly mother and her life made a deep impress on the life of the home and the family. She was a very liberal and staunch supporter of God's cause and the church in word and deed and found much joy in laying her financial gifts upon the altar for the support of the church and the missionary cause. Her home was always open to the ministers of the church and many of them found inspiration as she testified to them of the good and kind providence of God. She had the art under all conditions of life to look on the bright side. She is gone but her life has left a deep impress for God and the church upon the hearts of her children and relatives. She did not care for flattery but always said "what I am I am by the grace of God which has not been bestowed upon me in vain." Her example will remain with us.

She leaves to mourn her demise, three daughters, Mrs. Henry Koelling, Ord, Neb.; Mrs. William Rikil, South Bend, Neb., and Mrs. Henry Heineman, Murdock; four grandchildren, two brothers in Germany, many relatives and friends.

Funeral services were conducted on Monday, May 9th, at the Murdock Evangelical church at 2:00 p. m. in charge of the pastor, Rev. H. R. Knosp, who is also her nephew, and who based his consoling and comforting message on John 14:2. The ladies' quartet composed of Mrs. Frank Rosenow, Mrs. Carl Schlaphof, Mrs. O. H. Miller and Mrs. H. R. Knosp, sang "Jesus Lover of My Soul" and "We Are Going Down the Valley," and the members of the Woman's Missionary society sang a German song "Droben in Eden." The pall bearers were, Gottlieb Bauer, Louis Neitzel, Fred Diekmann, Henry Oehlerking, H. R. Schmidt, and Henry Klemme. The remains were tenderly laid away in the Emmanuel Evangelical cemetery near Murdock, to await the resurrection morn.

HAVE FAST BALL GAME

The town team and the Four Mile Creek Stars staged the first ball game of this season at the Athletic Field on Washington avenue. The game was hurriedly decided on as the grounds at the Graham farm were wet and accordingly the game was staged in the city. The score was 10 to 5 for the town players. Dick March and Bill Smith served as the battery for the locals, while Floyd Becker was on the mound for the Four Mile team and "Toughy" Stoehr, doing the receiving. Stoehr featured the game with a home run, the ball getting away from "Pepper" Oie and allowing Stoehr to make the circuit of the bases.

TO PAY OVER COMPENSATION

Congressman John H. Morehead has notified the local world war veterans organizations that he will take steps to have the compensation due on the policy of the late George E. Wever, paid to his estate. Mr. Wever died here in December, 1930, and later his widow was charged with the murder of her husband, tried and convicted of the crime and is now serving a life sentence at the state penitentiary at Lincoln. The compensation policy of Mr. Wever was made payable to the widow, but on her conviction of murder, the payment was refused by the U. S. Veterans bureau. In order to get the matter adjusted it will be necessary to have a bill introduced in congress to authorize the veterans bureau to pay the money due on the policy to the estate of Mr. Wever and where it can be distributed to the heirs of the estate.

UNDERGOES OPERATION

Mrs. James Jelinek and daughter, Mrs. Anna Zitka and Mrs. James Sedlak, were at Omaha Sunday where they visited for a few hours with their daughter and sister, Mrs. Lillian Jaske, at the Methodist hospital. Mrs. Jaske underwent a very serious operation the past week and which she is doing just as well as could be expected under the circumstances, her case is still a serious one. The patient is a former resident of this city and the old friends are trusting that she may soon be able to recover from her illness and the operation.

FAREWELL FOR MRS. LIGHTBODY

As Mr. and Mrs. Harry Lightbody and family are soon to move from this city, the Women's Foreign Missionary society of which Mrs. Lightbody is a faithful member, tendered her a farewell party at her home on Wednesday of last week.

After the usual program of devotions, business and lesson, the members devoted the time to a social hour with their hostess, whose departure causes much deep regret among them.

During this time, the guests very much enjoyed Mrs. Lightbody's collection of lovely scarfs, Japanese dishes, fans, art work, rich Chinese carvings and embroideries which had been sent to her years ago, when Mr. Lightbody, then a sailor, furloughed in the far east. These were especially appealing to this group, as the society is helping the missionaries in both China and Japan, as well as Korea, India, the Philippines, Hawaii, parts of Africa and other places.

A dainty luncheon was served by Miss Emma De Hart, Mrs. Harry White, and Mrs. Frank Barkus.

Mrs. Lightbody served the local society in the office of treasurer for the past three years. The members will miss her and feel her loss, but trust that she will find pleasure and the opportunity for service in her new home, also.

GRANDDAUGHTER OF PIONEER

Mrs. C. D. Meade, who has been making her home in this city for the past several months, is granddaughter of one of the best known and picturesque figures of the American frontier in early days, Joe Bridger, intrepid scout who founded a post on the edge of the known civilization.

Mrs. Hahn, grandmother of Mrs. Meade, has just recently returned to Wyoming, the scene of her father's early settlement of Fort Bridger, being a guest of honor at a banquet tendered by the residents of the town of Metropole. Mrs. Hahn, who is eighty-six years of age, has been staying at Miami, Oklahoma, but decided that she would again visit the scenes of her father's settlement and was given a great reception by the residents of that section of Wyoming.

Mrs. Hahn was born at Fort Bridger, the trading post of her father, and when but nine days old her mother passed away and she was reared by relatives until reaching womanhood. The greater part of her mature life was spent near Kansas City.

Joe Bridger's post was one of the best known places in the west and located on the main line of travel from the east to Utah and the Oregon country and around this post was woven a great deal of the romance of the earliest days of the west, Mr. Bridger having settled there in 1832.

ANNOUNCE CLASS PLAY

Prof. D. J. Nabors of the Peru State Teacher's college, has announced the cast of the senior class play for 1932. "The Dover Road" is the play that has been selected for the annual dramatic offering.

The Dover Road is written by A. A. Milne who was the author of The Ivory Door, another play presented at Peru earlier in the year. The Dover Road is very much of a comedy centering around a house on the road from London to Dover, England. All eloping couples are stopped here on their way to Dover to embark and are kept a week to give them a chance to become acquainted. The play centers around such an experience.

The play will be presented on the evening of Monday, May 23rd at the college auditorium.

A great deal of interest will be had in the play in this city as two of the main characters of the play are taken by Plattsmouth young people, Bernard Galloway and Miss Margaret Engelkemeier, who have been among the leading students on the campus.

RETURNS FROM HOSPITAL

Fritz A. Fricke, who has been at Omaha for the past two weeks taking treatment of a specialist, has returned home to this city. Mr. Fricke came home Monday afternoon and is now recuperating at the family home here. He is still under the care of his physician but it is thought that he will soon be on the highway to complete recovery from his illness. The many friends are pleased to see Fritz home and trust that he may continue to improve until he is over the effects of the illness which has been of some duration.

QUALITY Above Price

You might not look a "gift horse" in the mouth, but it certainly behooves you to look well to the quality of the provisions some dealers advertise to all but "give" you. True economy doesn't lie in buying a thing merely because of its cheapness. You don't do it in buying clothing or furniture or automobiles—so why sacrifice quality in food, the most important commodity sold, because of ultra-alluring ads.
