Debenture Plan Beaten in Senate in Tax Bill Vote

Two Per Cent Levy on Trucks Is Approved; Increase Killed; Warning Given.

Washington, May 24.—The senate made the first dent in the compromise billion dollar revenue bill tonight after firmly barring the way to further tariff revision in defeating the export debenture farm relief proposal 46 to 23.

The 1 per cent increase provided in the compromise measure drafted by the senate finance committee in the tax on auto trucks over the 2 per cent voted by the house was rejected, 39 to 30.

Before the senate recessed at 9:20 p. m. (Omaha time), leaders of the biparty coalition quickly rallied a majority, however, to prevent elimination of the auto truck levy, retaining the 2 per cent rate, 40 to 29.

A sharp warning by Senator Harrison (Miss.), democratic tax leader, that the sales tax forces were combining with the high income tax group to wreck the excise schedule brought a reversal in the lineup on the second roll call.

Cuts Out Two Millions. Only two million dollars was cut from the billion dollar measure by the senate in rejecting the 3 per cent truck tax, but it was the effect of revision on the delicately framed compromise which concerned the leadership.

The Norris amendment, which would have added the export debenture plan of farm relief to the bill was rejected, after Senator Robinson (Ark.), the democratic leader, pleaded that the door be closed against further tariff revision lest the bill be wrecked.

Pledges for consideration of farm relief legislation at this session were made by Robinson and Chairman McNary of the agriculture committee.

Proposes Beer Tax.

Senator Bingham (rep., Conn.) offered a tax on beer containing 3.6 per cent alcohol by volume or 2.75 per cent by weight as a substitute for the automobile tax increase, and indicated he would seek a vote on this proposition tomorrow.

Votes also will be in order tomorrow on the passenger automobile levy and the tax on accessories.

Conceding that he favored a general sales tax, Senator Reed (Rep., Pa.), told the senate that nevertheless he is going to support the special excise taxes to make sure that the budget is balanced.

Among the foes of the sales tax, who switched over and voted for retention of the 2 per cent auto tax after voting against the 3 per cent rate were Senators Borah (Idaho), Norris (Neb.), and La Follette (Wis.), republicans, and Shipstead (farmer-labor, Minn.).

The farm relief roll call showed an entirely new lineup from any hitherto on the tax voting. Twenty-one democrats, 11 republicans and the farmer-labor member, Shipstead, supported it while 16 democrats and 30 republicans opposed it.

The roll call follows: For Republicans — Blaine, Borah, Brookhart, Frazier, Howell, LaFollette, Norbeck, Norris, Nye, Schall, and Thomas (Idaho)—11. Democrats — Barkley, Bratton, Broussard, Bulow, Cohen, Connally, Costigan, Dill, George Hawes, Hull, Logan, Long, McGill, Neely, Shepard, Smith, Thomas (Okla.), Trammell, Walsh (Mont.), Wheeler.—21. Farmer-labor—Shipstead—1. Total, 33.

Against Republicans — Harbort, Bingham, Capper, Cargy, Couzens, Dale, Davis, Dickinson, Fess, Glenn, Goldsborough, Hale, Hatfield, Hebert, Johnson, Kean, Keyes, McNary, Moses, Oddie, Patterson, Reed, Shortridge, Smoot, Steiwer, Townsend, Vandenberg, Walcott, Watson and White—30. Democrats—Ashurst, Bailey, Bankhead, Bulkley, Coolidge, Copeland, Glass, Gore, Harrison, Hayden, Kendrick King, Pittman, Robinson (Ark.), Wagner, Walsh (Mass.)—16. Total, 46.—World-Herald.
