

MURDOCK ITEMS

Ivy McCrorey was shelling and delivering corn on Thursday of last week.

Mr. Frank Zoz and son drove over to Omaha last Saturday on a business trip.

Fred Hass reports a large number of hoppers in his clover hay and that they did much damage after the hay was cut.

Mrs. D. W. Clarke and grandson, William Potter, of Plattsmouth, were visiting with friends in Murdock for a short time last Thursday afternoon.

The Elmwood band will give a concert at the Veterans' hospital east of Lincoln on August 14th. Charles Long and H. W. Tool will play with them.

William Bourke and Warren Richards, of Wabash, were visiting for a time last Thursday in Murdock, as well as looking after some business matters.

Louis Wendt has had a very sore hand and wrist on account of the sting of an insect and which became affected and made a very lame hand. He is, however, some better at this time.

Mrs. E. Kroh and daughter, Miss Pauline, who have been visiting at the home of Mr. and Mrs. Charles Schaeffer for some time past, departed early last week for their home at Stella.

Oscar C. Zink, who was so seriously ill for a time last week is reported as being some better during the latter portion of the week and was able to be up and out of doors a portion of the time.

In the organization of the Board of Education of the Murdock schools they selected Frank A. Melvin as the chairman of the board, August Rua as the secretary and Frank Buell as treasurer.

John Scheel and the good wife were called to Plattsmouth on last Monday to look after some business matters and made the trip in their auto, going through Louisville and returning via Murray.

Henry Carson and Frank Melvin were over to Omaha on last Thursday, where they were looking after some business matters and while they were away, the elevator was looked after by Mr. Otto Miller.

Floyd Richardson, 12, son of Mr. and Mrs. Clifton Richardson, underwent a very successful operation for the removal of his tonsils by Dr. L. F. Lee on last Thursday and was able to return home in the evening and is getting along very nicely.

Mrs. Eddie Craig was over to Alvo for a number of days, where she was caring for her parents, Mr. and Mrs. E. D. Friend, who had received ptomaine poisoning from some canned goods which they had eaten. While they were quite sick for a time, they are reported as being some better at this time.

Attorney Guy Clement, of Elmwood, with a number of his friends, went through Murdock on last Thursday afternoon with a load of lumber on their auto, going to near South Bend on the Platte river, where they are constructing a cottage to be used in fishing, and where they are expecting to enjoy many an outing.

Mr. and Mrs. W. P. Meyer, of Sioux City, were visiting here for a time and on last Sunday, when they departed for their home, they were accompanied by Mr. and Mrs. A. J. Tool, who visited there for the greater portion of last week. While they were away, their son, Douglas Tool looked after the business at the store.

Rev. and Mrs. H. R. Knosp, August Oehlerking and family and Fred Luetchens and family were over to Clay Center when a double wedding was held, wherein Harold Luetchens and Alvin Oehlerking and two young ladies named Schroeder were the contracting parties. A more extended account of the wedding appears in another column.

Misses Ardence, Catherine, Irene and Evelyn Tool and their brother, Everett Tool, all children of Stephen Tool, who was formerly a merchant of Murdock, and who left here several years ago for Mandan, North Dakota, arrived in Murdock last week for a few days' visit with their uncle and aunt, Mr. and Mrs. Henry A. Tool. Mr. and Mrs. Stephen Tool left here for the north in 1898.

Married at Falls City
Mrs. Una McHugh and daughter, Miss Mary Margaret, were guests at the home of Mr. and Mrs. J. E. McHugh, of Falls City, where they at-

tended the wedding of Mr. Edmund McHugh, a brother-in-law of Mrs. McHugh, when he was united in marriage with Miss Helen McCarthy, of Falls City.

Threshing Over With
Threshing over this part of the country is nearly all completed, and we are all always eager to hear the report from Frank Zoz and his son last week with oats giving out forty five bushels to the acre and wheat thirty, and we believe that about as good as we have heard this year, at least in this vicinity. And the corn also looks very promising.

Entertained Two Classes
Mrs. L. B. Gorthey, who is a teacher in the Bible school of Murdock entertained at her home with Mrs. Edna Rikli, her class and that of Mrs. Rikli on last Friday evening.

Enjoyed Picnic Wednesday Eve
The members of the E. L. C. E. enjoyed a very pleasant picnic at the Henry Rueter grove on last Wednesday evening, where they enjoyed a lot of fine games and also cooked their luncheon out of doors and under the trees.

4-H Workers Meet
On Thursday, August 4th, the Cozy Corners 4-H club met at the home of Miss Dorothy Gakemeier, where their meeting was called to order by the president. Following the roll call, the new lessons were taken up and which were along the line of "Care of the Room." The subject was ably discussed and then the other business of the club was looked after and a dainty lunch served. The club then adjourned to meet the next time at the home of Miss Lucile Backemeyer.

Second Burglary
A second burglary was committed this time on the service station of Mr. A. H. Ward, where they were able to secure some twenty-five gallons of his high grade gasoline. Mr. Ward has a pretty good idea who the culprits are and will expect in a short time to be able to definitely lay his hands on them. The guilty ones will not then have an opportunity to commit the same crime again.

Undergoes Operation
Miss Opal Knaube, who has for the past six months been at the Evangelical Covenant hospital at Omaha and where she is serving in the hospital to graduate a trained nurse, has been having some trouble with her tonsils and some two weeks ago had her tonsils removed and after having recovered came home for a few weeks visit with the folks before resuming her duties there.

Visited in the North
Uncle G. V. Pickwell, accompanied by his daughter, Mrs. Harry Davis, of Murdock, and Mr. and Mrs. George Shackley, of Avoca, were visiting for some weeks at the home of Mrs. Ella Gettard, of Atchison, in Holt county, where they all enjoyed the visit and the vacation very much, returning home on last Saturday. Mrs. Gettard was a sister of the former Mrs. Pickwell and aunt of Mrs. Harry Davis. Mr. Pickwell, who is very observing, says that the crops, while excellent up that way, are not equal to the crops of Cass county.

Will Have Graveled Roads
Some time since there was a schedule for the graveling of the roads of Elmwood precinct and when times grew slower many thought it best to defer the work so on last Tuesday some ten or more of the citizens west of town went over to meet with the county commissioners and urge the completion of the schedule of graveling. There were among those to meet with the board, Messrs. H. C. Backemeyer, Fred Stoke, Sr., Wm. Stock, Gust Stock, Andy Zoz, Charles Bornemeier, George Nickel, Dan Schlaphoff and J. J. Gustin. The board agreed to get at the work as soon as possible.

Maxine Miller Goes Home
Maxine Miller, daughter of Mr. and Mrs. Emil Miller, of Adams, who was here for some time and who underwent an operation while here for the removal of her tonsils, was able to return to her home at Adams on last Thursday morning. The operation was performed by Dr. L. D. Lee and was very successful.

Small Harvest in Northwest
Mr. and Mrs. Herb Ademan, who some time since engaged in the cafe business at Louisville, were very pleasantly surprised last Tuesday when their son, Roy Ademan and Mr. and Mrs. William Ademan, who make their home at Williamston, North Dakota, arrived for a visit, and the latter, Mr. and Mrs. William Ademan to remain and engage with the parents in the restaurant business. The party drove down from almost the Montana line on the west and within a few

miles of Canada on the north. They saw many different conditions of crops and while in the far north it is a little early for harvest the grain is showing some tendency to ripen. Roy Ademan, who is engaged in farming there, says that every conceivable hindrance has been injected into their farming this season—chintz bugs, the Hessian fly, green bugs and grasshoppers, and that notwithstanding all of these, they are expecting to harvest about ten bushels of wheat to the acre. This amount will not pay for the expense of harvesting, as the market price there is only 14 cents a bushel.

Stocks Rise to Astound Even the Brokers
Wheat Is Spur for Advance to New High Levels; A. T. & T. Goes Over 100.
New York, Aug. 5.—The stock market staged a sweeping comeback at the close Friday, after having shown signs of tiring, and under the leadership of "farm" stocks the list as a whole swung up to the best levels of the recovery.
Persistent strength in wheat, which closed more than 1 cent a bushel higher, was the signal for a concerted buying movement in the final half hour, and professionals who had sold the market for a turn were caught completely off their guard.
J. I. Case was the pivot for the last hour uprush, soaring to a new high at 45 1/2, up 8 3/4 points on the day. International Harvester finished with a gain of 7 3/4 points at 38 3/4.
Other stellar performers included American Telephone, which was up 3 1/2 at 101 1/2; U. S. Steel common, up 1 1/2 at 34 1/2; U. S. Steel preferred, up 3 to 74 1/2; Air Reduction, up 4 at 49; Allied Chemical, up 3 at 69; American Can, up 2 1/2 at 45 1/2; Atchison, up 2 1/2 at 37; Eastman Kodak, up 3 1/2 at 52 1/2; Sears Roebuck, up 3 1/2 at 21 1/2; Western Union, up 3 1/2 at 30 1/2; and Westinghouse, up 2 1/2 at 29 1/2.
The persistency of the advance has confounded Wall street, for with the public still somewhat laggard in joining in the advance, it has been the professional element, obstinately holding on to its bear position, which has been placed in a position of bidding the market up on itself.
Friday's closing Dow-Jones industrial averages at 62.59 show a gain of almost 3 points on the day, and represent a total recovery of more than 50 per cent from the lows of the bear market established on July 8.
Turnover fell off considerably from Thursday's 3,500,000 share record total. Friday sales approximated 2,700,000 shares.—Omaha Bee-News.

ANOTHER WAVE OF BUYING
New York.—Still another wave of buying enthusiasm gave security and commodity price levels another prod along the way to economic recovery Thursday, but profit-taking sales brought considerable retrogression in the afternoon trading. Buying in the New York stock exchange reached feverish proportions for a time, piling up the largest volume of transactions for any day thus far in 1932, but as traders took profits during the afternoon more than half the advance was lost, and the principal commodities also slipped back into sympathy.
A number of prominent shares finished the day with net gains of \$1 to \$2 a share, after making extreme advances of \$2 to nearly \$6. Bonds made quieter but almost steady progress, and closed with moderate gains. Wheat, however, finished the day virtually unchanged, after getting up 1 to 2 cents a bushel, and cotton closed moderate losses of 25 to 24 cents a bale.
The advance in the stock market, on top of the sweeping gains of the previous session, had carried prices up some 50 percent from their bear market lows, registered June 1 and duplicated again in early July. Price averages indicated an aggregate appreciation in the total quoted value of all shares listed on the stock exchange of some 7 billions. On top of such a striking recovery many traders were willing to take profits, particularly in view of the fact that the recovery appears to have been based largely on the hope of substantial business recovery not yet realized.

Double Wedding at Clay Center
Ruth Schroeder and Harold Luetchens and Lily Schroeder and Alvin Oehlerking, Married.
A very pretty and impressive double wedding took place at the Emmanuel Evangelical church, five miles east of Clay Center, Nebraska, on Thursday, August 4th, when Miss Ruth Schroeder of Clay Center, Nebraska, became the bride of Mr. Harold Luetchens of Wabash, Nebraska, and Miss Lily Schroeder of Clay Center, Nebraska became the bride of Mr. Alvin Oehlerking of Wabash, Nebraska.
Promptly at 11:00 a. m., Miss Edna Luetchens and Miss Martha Oehlerking, sisters of the grooms played softly "Valse Venitienne," by Leon Ringuet, and immediately thereafter the "Lohengrin" wedding march when the contracting parties took their places at the altar, beneath a beautiful arch trimmed in pink and white and from which hung a large white wedding bell. The Misses Ella and Selma Schroeder, sisters of the brides, were maids of honor, Mr. Lloyd Vogt of Wabash Nebraska, and Mr. Lawrence Opp of Lincoln, Nebraska, acted as ring bearers and the Misses Lois Opp of Lincoln, Nebraska, and Eunice Hoesch of Huntley, Neb., were the flower girls, and Mr. Frank Schroeder of Clay Center, Nebraska, and Mr. Conrad Ohs also of Clay Center, acted as ushers. Rev. J. H. Oehlerking, district superintendent of the Montana conference of Billings, Mont., assisted by Rev. H. R. Knosp, pastor of the Evangelical church at Murdock, Nebraska, read the marriage lines which made these respective young people one for life. The impressive double ring ceremony was used. The church was filled to its full capacity by immediate relatives and friends to witness the happy occasion.
The brides looked very charming, both being gowned in a very pretty white eyelet embroidered organdy dresses and white hats, each carrying a very beautiful bouquet of ophelia roses. The grooms wore the usual conventional blue.
Immediately after the ceremony, a mixed quartet composed of Mrs. William Vogt, Wabash, Nebraska, and Mr. and Mrs. Herbert Oehlerking and Mr. Walter Oehlerking, Elmwood, Nebraska, sang, "The Lord Is My Shepherd." After this song, Rev. J. H. Oehlerking gave a very timely and practical address on the theme, "Religion in the Home." Following the discourse, Miss Mildred and Mr. Frank Schroeder sang "Go to Thy Father in Prayer." After congratulations, the contracting parties quietly passed from the church, while Edna Luetchens and Miss Martha Oehlerking played very softly "Home, Sweet Home."
The brides are the second and third oldest daughters of Mr. and Mrs. Ernest Schroeder of Clay Center, Nebraska. They are both known as industrious, ambitious young women, being graduates of the Clay Center high school and having taught in the Clay county public schools for some years. They also have been very active in the Emmanuel Sunday school and the Evangelical League, having held offices in both organizations and also have been Sunday school teachers for several years. The grooms are young, progressive and successful farmers of the Wabash vicinity and are young men of sterling Christian character and have proven themselves as very faithful and ardent workers in the Emmanuel Evangelical Sunday school and Evangelical League and are at present officials in the Sunday school and quarterly conference.
Immediately after the wedding services, the immediate relatives of the bridal parties went to the home of the brides' parents where a bounteous and very delicious wedding dinner was served and to which all did ample justice.
On Thursday afternoon, the bridal parties left for an extended honeymoon trip to points in Minnesota and to visit relatives near New Aibin, Ia.
The good wishes of the entire community go out to these excellent young people. May theirs be a long, happy and prosperous life. They will be at home several miles east and southeast of Murdock, Nebraska, after their return from the extended tour.

Buying in the New York stock exchange reached feverish proportions for a time, piling up the largest volume of transactions for any day thus far in 1932, but as traders took profits during the afternoon more than half the advance was lost, and the principal commodities also slipped back into sympathy.
A number of prominent shares finished the day with net gains of \$1 to \$2 a share, after making extreme advances of \$2 to nearly \$6. Bonds made quieter but almost steady progress, and closed with moderate gains. Wheat, however, finished the day virtually unchanged, after getting up 1 to 2 cents a bushel, and cotton closed moderate losses of 25 to 24 cents a bale.
The advance in the stock market, on top of the sweeping gains of the previous session, had carried prices up some 50 percent from their bear market lows, registered June 1 and duplicated again in early July. Price averages indicated an aggregate appreciation in the total quoted value of all shares listed on the stock exchange of some 7 billions. On top of such a striking recovery many traders were willing to take profits, particularly in view of the fact that the recovery appears to have been based largely on the hope of substantial business recovery not yet realized.

ANOTHER WAVE OF BUYING
New York.—Still another wave of buying enthusiasm gave security and commodity price levels another prod along the way to economic recovery Thursday, but profit-taking sales brought considerable retrogression in the afternoon trading.
