## Board of Equalization Sets Levy for Cass County

Valuation Show Loss of Almost \$10,000,000—Levy for County Is Set at 3.13 Mills.

The county board of equalization met Thursday afternoon at the court house and set the levy for the various county funds for the year and approved the various village levies as presented by them.

The levy this year will be 3.13 mills based on a valuation of \$43,422,106, as against a levy in 1931 of 2.96 mills in a valuation of \$53,077,114, or a decrease in the taxes that the county will receive this year under the lower valuation, of some \$22,000.

The valuation of the county in the year has been reduced almost \$10,000,000 and made necessary the higher levy.

The various levies voted by the board were as follows:

	Mills	Amount
General	1.32	\$ 57,317.19
Bridge	.47	22,435.02
Road	.39	39,079.99
Mother's Pen.	.11	4,776.43
Soldier's Relief	.03	1,392.66
<b>TOTAL</b>	<b>3.13</b>	<b>\$135,911.29</b>

The state levy as certified to the board was 2.37 mills and the combined state and county levies will be 5.05 mills for the ensuing year.

## Mynard Community Club Holds Annual Picnic

Large Number Attend Event Held at Spangler Grove and Enjoy Pleasant Day.

The annual picnic of the Mynard community club was held Friday at the pleasant grove on the E. H. Spangler farm and was largely attended. For the day the cares and tribulations of the daily tasks were laid aside as young and old entered heartily into the spirit of the occasion.

The picnic was visited at the noon hour by a group of some twenty of the business men of Plattsmouth—and did the fried chicken disappear when the caravan opened up on the good things the Mynard ladies had prepared. Through the grove there were many family gatherings while the long table under the shade of the tree served for the disposal of the dinner, served cafeteria style.

In the afternoon a short and interesting program was given, Rev. H. A. McKelvy, pastor of the Mynard church, giving a very fine address along the lines of the community activities and the friendships and associations that had been brought about by the community club.

Readings were given by Miss Gertrude Valley and Mrs. E. G. Ruffner, which was presented in a very fine manner by the two ladies. Ella Mae Ruffner also gave a recitation that reflected the greatest credit on this talented young lady.

The sport program of the day was well filled with races and the baseball game that was staged between the two picked up teams of the men of the party. In the baseball contest there was some fast and snappy plays that made the game of the greatest interest.

Among those who attended the picnic were Mrs. W. E. Truelson and daughter, Miss Margaret, of California, who are here to visit at the C. M. Parker home. Mrs. Truelson is a member of one of the old families of the Mynard community and the old friends were delighted to meet her and the daughter.

## W. C. T. U. Attacks Both Party Planks

Support Is Pledge to Dry Candidates Everywhere for Congress and State Legislatures.

Seattle, Wash., Aug. 18.—With only one slight revision, the fifty-eighth national convention of the Woman's Christian Temperance union today adopted a report of the resolutions committee which opposed platform planks of both parties on prohibition and promised to support, regardless of party affiliations, to dry candidates for congress and the state legislatures.

The one change came in the section devoted to party planks. Referring to the republican plank, the report had said "it would practically repeal the Eighteenth amendment. We are opposed to the submission of this alternative amendment."

The statement "it would destroy national prohibition" was inserted between the two sentences.

After the report was approved, Mrs. Ella A. Boole, national president, told the convention she had been frequently asked whether the union's expression of political policy adopted yesterday "favors a third party." The declaration expressed a belief the time is near "for a new major party based on moral ideals which will include observance and enforcement of the Eighteenth amendment."

"In my opinion we are neither for nor against a third party," Mrs. Boole said, "but practical consideration indicates there is neither time nor money available for a third party in this campaign."—World-Herald.
