### Mynard Farmers Set Price for Corn Shucking

Decide on One Cent a Bushel If Worker Boarded and Two Cents If Worker Not Boarded.

From Wednesday's Daily  
The harvesting of the corn crop of the season being at hand the matter of the price to be paid for shucking in this locality has been the subject of a great deal of discussion.

Last evening the farmers of the Mynard community held a meeting at the community building to discuss the matter and to arrive at a definite scale to be paid by the farmers in that locality. The meeting was presided over by E. H. Spangler, president of the community club.

The different farmers discussed the matter of wages, the excellent corn crop and what other localities had decided on for a wage scale of the present season. The comparison of the wages in other lines of labor was also discussed and used in making a definite scale.

It was practically the unanimous sentiment of the farmers that the price would be one cent a bushel if the shucker was supplied with room and board and two cents if the worker supplied his own board and lodging. It was the sentiment that with the large crop of corn and the general low wages of all other lines of labor that these prices would be ample.

### WRITES FROM CHILE

Rev. O. G. Wichmann of this city has received a letter from his son, Arthur Wichmann, one of the American engineers engaged with the Braden Copper Co., at their mines in the mountains of Chile. The letter came by air mail and was nine days on the way, but in the ordinary channels of boat transportation would be several weeks.

The big news of the letter was that another son arrived at the Wichmann home on Wednesday, September 14th and is doing fine as is the mother, formerly Miss Gertrude Roessler of this city.

Mr. Wichmann also states that on Monday, (Sept. 12th) that Chili had another change in government and another provisional president was ruling and that conditions were quieting down.

In the section of Chili where the copper company is located summer has come again and fruit trees are blooming and other trees leafing out and nature garbing in its summer beauty.

The copper company is reducing their personnel as a matter of economy, the market being very bad at this time. Some forty of the American employes of the company have received their notices and many have started for their homes in the states.

### LEAVE FOR HOME

Mr. and Mrs. Merle Rainey of New York City, and Mr. and Mrs. Frank Cross of Pittsburgh, Pa., have departed for their homes.

They have been visiting for the past two weeks with Mr. and Mrs. A. N. Sullivan, parents of Mrs. Rainey and Mrs. Cross, also at the home of Mrs. W. H. Rainey and other relatives and friends in this vicinity.

Don't give your printing to out-of-town salesmen. Journal pay-rolls are spent almost 100 per cent right here in Plattsmouth.

### City Council Holds Regular Grind Last Nite

Chairman W. H. Puls Presides Over the Meeting in Absence of Mayor From City.

From Tuesday's Daily  
All of the members of the city council were in attendance at the regular session of that body last evening. In the absence of Mayor John P. Sattler from the city W. H. Puls, president of the council, presided.

The city council received a communication asking for the remitting of the licenses on various devices that will be used for entertaining purposes during the Korn Carnival. This communication also bore the written endorsement of seven of the members of the council. There were none of the members of the Carnival committee present to present the matter and it was passed in the order of business.

High school authorities presented a petition asking that they be allowed to close 10th street, just west of the Athletic field on dates when they have football games and which permission was granted.

The estimate of \$50.25 for the expenses of the representatives of the fire department at the state convention at Falls City was read and as it bore the approval of the finance committee, it was approved, Davis voting no and Puls not voting, sa he presided.

The claims committee through Chairman Webb, reported that they had the opportunity of selling one of the city tax title properties for the sum of \$27, the purchaser also to pay the back tax. This sale to C. A. Markan was approved by the council. Mr. Webb also reported that the city had the prospects of renting another of the houses for \$5 per month.

The question of the remitting of license fees for the riding devices then came up, there being no one from the committee present and Councilman Webb then championed the cause. Mr. Webb stated that he was in favor of remitting the license fee if the riding devices would guarantee free rides to the children coming here from the rural districts for the parade, but was not in favor of remitting fees for other concessions. Councilman Davis suggested that the seven councilmen signing the petition should also guarantee the concessionaires from any loss if they had to give free rides. The motion of Webb to remit the license carried six to three, Webb, Tippens, Rebal, Luschinsky, Gabelman and Marshall voting for the motion, Davis, Smith and Johnson against.

The following claims were ordered paid by the council:  
W. W. Alexander, compensation insurance \$124.25  
Clouid Lumber Co., sand and cement 1.10  
John L. Tidball, posts and tile 16.25  
C. B. & Q., lease 1.00  
Omaha Printing Co., cash book 3.50

The following were in attendance: Mary Phyllis Soennichen, Jean Goodchild, Bonnie Jean Walters, Annis Lee White, Dorothy Wurga, Norma Spidell, Ellen Gertrude Clouid, Mary Hatt, Eileen Ahlers, Shirley Braham, Elaine Handley, Wilma Swatek, Shirley Walling, Helen Mineer, Dorothy Lynch, Geraldine McClintock, Dick Livingston, Howard Mrasek, Franklin Sedlak, Eugene Andrews, Shirley Mason, Billie Mason, Jr.

### COMMUNITY BENE-FIT CARD PARTY

There will be a community benefit card game given at the corner room of the Journal building, on Tuesday afternoon, October 4th. Prizes will be given, there will be no refreshments. The admission will be by either food or old clothing, potatoes, carrots, onions or canned goods of any kind. The patrons may bring either a large amount or small as they wish and which will be used this winter in relief work. The party is sponsored by the St. May's guild. All are urged to come and aid this worthy cause.

Plattsmouth's Leading Cash Store

IMPROVES HOME  
The residence of John Kaffenberger on Granite street has been greatly improved in the past few days by being redecorated both on the exterior and interior of the building. The old paint was removed by burning on the exterior of the house and which was then repainted, while on the interior the woodwork was all repainted and varnished and placed in excellent shape for the winter season. The work was looked after by Charles Fulton.

Everything for school—most complete line in Cass county at Bates Book Store.

### HOLD INITIATION

From Wednesday's Daily  
The Korn Klub held their executive session at the American Legion building last evening with a very large number of the membership, all wearing the blue and gold caps of the harvest festival.

There was not a great deal of the business session, but a boy, the initiation ceremonies that had been prepared. A large number of the club members were "given the works," some even being so deeply moved that they arose to offer large cash donations to the club.

The initiation created a great deal of fun for the members and the various stunts that had been arranged kept a constant series of surprises for the auditors. The dispute over the purity of a case of eggs near provoked a panic among the club membership as the supposed henfruit was hurried through the hall.

The club decided to start a booster trip over the county on Thursday and which will take the caravan to Louisville, Murdock, Manley, Weeping Water, Avoca, Nehawka, Union, Murray and Mynard before the boosters return home.
