Convention of Sunday School Workers Tuesday

One of the Most Largely Attended Meetings in Cass County Held at Weeping Water.

The thirty-second annual convention of the Cass County Association of Christian Education was held Tuesday at Weeping Water. It was one of the most largely attended of any of the meetings and some 200 were present. The attendance from Plattsmouth numbered some forty.

The sessions were held in the Congregational church, one of the most attractive church edifices in the county, being opened by the organ prelude by Mrs. Carl Day, organist of the church.

The inspirational service was led by C. A. Rawls of this city and participated in by the ministers of the county who are affiliated with the association.

The Rev. Ezra Duncan gave one of the addresses of the morning session, taking as his subject, "Working With God." One of the main addresses was that of Attorney A. L. Tidd of this city who spoke on "The Supreme Need of the Teacher," giving a fine appeal for Christian teaching and thought in the lives of each individual.

In the afternoon the convention had a number of most inspiring addresses on the work of the Christian training. Rev. John C. White speaking on "Religion in the Home," and in which he stressed the need of the religious influence in the home life as a means of the forming of character.

A group conference was held and which was participated in by Rev. H. A. Norenberg of Murdock, Rev. Duncan and Rev. White, taking up phases in the work of Christian education.

Rev. G. W. Rosenlof, state president, delivered the main address of the afternoon, taking up the matter of the church and the school co-operating in building better citizens and in which the speaker stressed the importance of these great American institutions in making better men and women.

The election of the officers for the ensuing year resulted in the naming of the following:

President—A. H. Duxbury, Plattsmouth.

Vice-President—Mrs. Fred H. Gorder, Weeping Water.

Secretary—Mrs. Fred Marquardt, Avoca.

As the heads of the two new departments of Youth Leadership and Leadership Training, Mrs. Floyd Cole of Weeping Water and Rev. H. A. Norenberg, of Murdock were selected.

The evening session was devoted to a very much enjoyed musical program as well as the address of Rev. White, "Are You Carrying Your Religion or Is Your Religion Carrying You?"

In the musical work of the convention the singing was led by Mrs. E. H. Westcott of this city with Mr. Westcott as the organist. Other of the features of the musical portion of the program were vocal numbers by Don C. York, xylophone numbers by Anton Bajek, the Weeping Water high school brass quartet under the direction of Miss Marjorie Cole. The choir of the Congregational church also gave a part of the program that was much appreciated.

DRAWS DOWN FINE

From Wednesday's Daily
This morning before Justice of the Peace Charles L. Graves, William Grogan, of Syracuse, was arraigned on the complaint of Chief of Police Joseph Libershal. The man was charged with having operated a motor vehicle with paper tags contrary to law. To the charge the man entered a plea of guilty and was given a fine of \$5 and costs which was paid. Mr. Grogan was driving a car for a party of men solicitors for magazines when he was taken in custody by the chief of police.

Road paving in Cass county this year will run about ten miles. Not so bad, for "depression" times.

Elmwood Drug Store is Robbed Last Night

Green Drug Store and the Fuller Store Burglarized Sometime Monday Night.

Two of the business houses of Elmwood suffered Monday night from the visitation of burglars it was revealed this morning when the clerks at the Green drug store and the

Fuller general store arrived to open the stores for the day's business.

The burglars had made their entrance to the stores in the same manner, that of prying open a window and which allowed free entrance to the store rooms.

At the Green drug store as far as could be ascertained a few fountain pens and small articles had been taken, while at the Fuller store burglars had helped themselves to several suits of underwear, a wise foresight with the winter coming on. Sheriff Ed W. Thimman was notified of the robbery and motored out to the scene of the crime and was of the opinion that the burglary was a home talent affair. The case is being investigated and it is hoped that the party that committed the crime may be apprehended.

TO THE PUBLIC

Reports have been circulated in Plattsmouth as to persons that might be appointed as deputy sheriff in the event of my election. I desire to state that there has been no promises made as to the deputyship, that while there have been many who I have sought the promise of the office, I have made no pledges. If elected I shall endeavor to select some person of high standing and dependability in the county for the office, someone that it will not be necessary to apologize for and who will be worthy of the office. I wish the public to understand fully, no pledges have been made in respect to the deputyship.

Democratic candidate for Sheriff

Mrs. Laura Peterson, Old Resident of City, Passes On

Resident of This City for Many Years Is Called to the Last Reward Tuesday.

After an illness that has covered a period of the last few years and in which she has gradually been failing, Mrs. Laura Peterson, 82, passed away Tuesday afternoon at 4 o'clock.

Mrs. Peterson has been making her home for several years with her niece, Miss Ella Kennedy, who has cared for the aged lady and ministered to her wants until the end. The deceased lady was a daughter of Mr. and Mrs. Edwin Davis, old residents of this city, where they located just after the close of the civil war. She spent her lifetime here and was married in this community some forty-five years ago to Rasmus Peterson, who preceded her in death. Until her health became enfeebled by the advancing years Mrs. Peterson and her twin brother, Loran Peterson maintained the home, later both moving with the niece. The brother passed away two years ago.

Mrs. Peterson was a devout member of the Methodist church since childhood, being a faithful attendant at the church until ill health and age prevented her activities.

The name of William Shakespeare now has a good chance of becoming known in every college from coast to coast. Notre Dame has a football player of that name.

CAR SMASHES RAIL

From Wednesday's Daily
This morning shortly after 2 o'clock an auto accident occurred on Chicago avenue when a Chevrolet couple occupied by Mrs. Ira Parsons and Mrs. George Parsons, Huron, Houth Dakota, crashed into the guard

rail along the east side of the avenue. The ladies were driving north at the time of the accident and had evidently dozed for a few seconds and lost control of the car and which broke the guard rail but fortunately did not crash into the creek bed which is quite deep at the point of the accident.
