GOVERNOR CHARLES W. BRYAN

Democratic Candidate for Re-election

1. Favors repeal of the intangible tax law which gives to the man with his money invested in securities, a 75% advantage over the man whose money is invested in a farm or a home.
2. Favors the enactment of a law to reduce the interest rate on delinquent taxes from 12% to 8%.
3. Favors repeal of the deficiency judgment law, which permits the mortgage holder, after foreclosing his mortgage, to take a deficiency judgment against the land or lot owner if the land or lot does not sell for enough to satisfy the mortgage. The land ought to be the sole security for the mortgage.
4. Favors a State income tax for the purpose of equalizing taxes between the farmers and the holders of intangible property now untaxed. All money collected from an income tax to be used to reduce taxes on farms and homes and not as an additional tax.
5. Favors farmers organizing and co-operating to promote orderly marketing and holds that the State can afford to encourage these movements by financial assistance.
6. Reduced State taxes, 1931-32: \$2,971,822.92 or approximately 25%.
7. Brought about a reduction in the valuation of farm and home property for taxation purposes.
8. Favors legislation to further reduce and equalize taxes so as to give the farmers a "break."

Cass County

taxpayers will save \$50,096 in state taxes as a result of the contest waged in their behalf by Governor Bryan before the last session of the legislature. This saving is equivalent to \$6.12 for each person who voted at the general election in Cass county in 1930.

HOLD FINE MEETING

The Four-Mile Community club met Tuesday afternoon at the home of Mrs. Morris Stander, with Mrs. Elmer Tritsch and Mrs. Leonard Born, assistant hostesses.

Mrs. John Wehrlein, the new president, called the meeting to order at 1:30 and all joined in singing "America," which was followed by reading of the minutes. Dues for the coming year are five cents each month.

Mrs. Russell Todd was elected social leader after which the meeting was turned over to the leaders who demonstrated dress remodeling which was a very timely subject. The meeting was closed by singing the September song, "The Little Brown Church in the Vale," and the October song, "When You and I Were Young Maggie," after which very delicious refreshments were served by the hostesses.

The next meeting will be November 15th.—Reporter.

EXECUTIVE COMMITTEE

Maldon Brown, June Marshall, Fred Herbster, John Hadraba, Dr. Taylor, Otto Lutz, Don Stever, Eugene Vroman and Tom Walling.

Regardless of which political party may be swept into power on November 5th, the local Legion post is facing the coming year with a spirit of optimism and confidence and a unified working force determined to push aside all obstacles that stand in the way of success. Although attended by the largest number of members of any recent meeting in months, every action taken and every vote at last night's annual election was unanimous.

Clyde Jackson, the Senior vice commander of last year, who has been acting as commander since the departure of Commander Distell from the city August 1st, presided over the meeting.

Representatives of the Retail Section, Chamber of Commerce, appeared before the meeting to negotiate use of the building for weekly Merchants' night festivities during the winter, which was granted with the only expense being for light and heat used.

The trade show report was received and ordered placed on file, showing a neat margin of profit, considering the times. This money will be used to apply on building indebtedness and meet current unpaid bills of several months' standing. Another minstrel show is being projected for around the middle of November and from the proceeds of this enterprise it is hoped to realize enough to clean up all remaining accounts.

A letter of appreciation was directed to be sent to Bennett and Cook, who are arranging the forthcoming show and who have appeared on Legion benefit programs in the past.

Election of Officers

Election of officers was declared next in order and the name of Albert Olson presented for commander. With no further nominations, Olson was unanimously elected to this position for the coming year. The new commander served as acting commander for several months in 1931, following the removal of Commander Holcomb from the city and is well versed in the duties of the office. He has been one of the most active workers in the post and given freely of his time and energy in such projects as placing of ceiling in the community building, building of stage, carpenter work of various kinds, etc.

For vice commanders J. A. Capwell and James Farnham were nominated, to represent the army and navy respectively, and after their election was also unanimously approved, a motion to rotate Senior vice commandership between these two branches of the service, beginning with the navy this year, was carried, making Farnham Senior vice commander.

The executive committee was selected in the same unanimous manner, being composed of Maldon Brown, June Marshall, Fred Herbster, John Hadraba, Dr. Taylor, Otto Lutz, Don Stever, Eugene Vroman and Tom Walling.

These being the only elective officers, Commander Jackson called upon Judge Duxbury, one of the first commanders of the post to act as installing officer and the twelve newly named were properly installed.

It was decided to continue the practice of meeting on the first Thursday night of each month, due to conflicting arrangements on the former Wednesday meeting date.

Plans were taken up by the new officers for the district convention here about six weeks hence, and a preliminary arrangements committee will be announced by Commander Olson within a few days.

Leslie Niel was appointed building trustee to fill out remaining two years of George Petring's term, and Elmer Webb, whose term as trustee expires this year, was renamed for another three year term.

The post went on record as opposed to the practice of extending aid to transient service men, who should be better off in these times remaining in their home community where they can be supplied with food and clothing. Now and then it may be ad-

"In the TORTURE CHAMBER— I saw it proved"

THE Safest TIRE EVER BUILT!"

Floyd Gibbons

HELLO everybody. Floyd Gibbons speaking. Those torture machines they used in the Middle Ages to force the truth out of people always intrigued me.

I thought, though, that sort of thing was all washed out. But I've just been in a Torture Chamber. I've seen a torture wheel at work. Forcing the truth out of TIRES!

This Torture Chamber is in a safety research laboratory at Goodrich. The torture wheel is a gaunt steel brute, standing higher than I do, and I'm no midge. On the rim of the wheel are heavy steel cleats— vicious ones.

The safety seekers forced a Goodrich Safety Silvertown Tire against this cleated rim, under pressure of 1,500 pounds. They pulled a lever, and the steel monster began to turn.

Faster and faster! They moved another lever, and the strength of nine horses pulled backward on the tire. One force against another, trying to tear its muscles and ligaments to pieces!

By this time the tire was whirling at 18,000 revolutions an hour. The steel cleats were hitting it 450 times a minute—each time with a clout of 10,700 pounds!

PUNISHMENT? WHY, THAT'S TORTURE! And just to make sure no form of torture was overlooked, the temperature in that chamber was 120 degrees! The heat of Sahara sand.

They SHOWED me! The Goodrich safety seekers didn't ask me to believe anything—they SHOWED me. They pummeled the truth out of the Safety Silvertown with the Torture Wheel. They drove a car on Safety Silvertowns around a "V" corner on wet asphalt—at 42 miles an hour—WITHOUT SKIDDING AN INCH.

I saw PLENTY. This tire has GOT it. Yet they told me it sells for the price of any standard tire—not a cent extra! . . . With thousands smashed up or killed every year in accidents due to skids and blowouts, I'll say this tire is NEWS—in a big way!

SELL US YOUR UNSAFE TIRES \$12.00 for as much as

Here's a sale without precedent! To rid the highways of "death tires" we're offering sensational allowances for one or more of your old unsafe tires,—allowance of from \$3.00 to \$12.00 per set when traded in for four new Goodrich Safety Silvertowns—THE SAFEST TIRES EVER BUILT.

"I'M FOR THIS LEAGUE, TOO! Here's something: The Silvertown Safety League. It gives me driving rules to follow—for safety. It gives me an emblem for my car. I joined up! Any Goodrich dealer will enroll you, they tell me. No cost."

Funeral of Wm. Kraft.

Wm. Kraft, 69, died at the hospital at Omaha on last Monday following an operation for relief from appendicitis which was very badly inflamed and so that the appendix burst before an operation could be performed. Mr. Kraft has been farming and keeping house for himself. He was taken ill first very badly on Wednesday morning and thought he would soon be better and when some one came finding him, and when he saw how severely ill he was asked if a doctor should be called. But Mr. Kraft asked to have his brother notified who was working about a quarter of a mile distant.

When the operation was performed it was found that the appendix had burst, and the condition of Mr.

Kraft was exceedingly grave. He passed away on Monday morning. The funeral was held at the Lutheran church and conducted by the Rev. T. Hartman, pastor of the church. The interment was made at the church yard across the way where the remains will rest until that day when all shall be called that sleep.

Home from the North.

Mr. and Mrs. John C. Rauth who have been visiting in Dakota since their marriage and who enjoyed the visit very much returned home on last Friday. They visited with friends in many places and found things there much the same as here with crops very good. On the following evening Saturday last, some fifty of their friends came and gave the newlyweds a charivari, and were received with joy by the happy couple and given entertainment in the shape of cigars and eatables.

Big Democratic Rally.

The democrats of Manley, and that means most of the people of the town, as well as Center precinct, have arranged for a big democratic rally to be held at Manley on Saturday evening, October 28th. There will be prominent speakers who will discuss the issues of the day, a cordial invitation is extended to all who would know the truth to come and hear the addresses and enjoy the meeting. Come everybody, and know the truth.

P. T. A. MEETING

The October meeting of the Parent-Teacher association was held at the school house on Monday night of this week and there was a fine attendance.

After the usual business meeting, Miss Helen Vallery, of the 5th A and 6th grades, presented a program given by her pupils. This was a very clever and interesting program, imitating a broadcasting station. There were musical numbers, a playlet, and a country school given before the microphone.

Miss Vallery's room won the dollar for the largest attendance present. This will be used to purchase something for their room and they have the privilege of selecting what it shall be.—Louisville Courier.

"A SACRED PUBLIC TRUST"

Aptly Defines the Duties of Your County Judge

When you answer "the summons of death," the disposition of all your property comes under the jurisdiction of the County Judge. It is he you must trust to guard and protect the interest and welfare of your loved ones. You have a personal interest in the election of a County Judge who has had actual legal training and experience in the practice of probate law, who is incorruptible, fearless and yet whose "heart beats in human sympathy," and who will extend every kindness, courtesy and thoughtful consideration to your dependent family when they appear in the County Court to settle your estate, and who will protect their property interests according to law.

Upon this basis, I respectfully and earnestly ask for your vote on November 8th.

A. H. DUXBURY,
County Judge Cass County.
