This Woman Lost 45 Pounds of Fat

"Dear Sirs: For 3 months I've been using your salts and am very much pleased with results. I've lost 45 lbs., 6 inches in hips and bust measure. I've taken 3 bottles—one lasting 5 weeks. I had often tried to reduce by dieting but never could keep it up, but by cutting down and taking Kruschen I've had splendid results. I highly recommend it to my friends." —Mrs. Carl Wilson, Mantion, Mich. To lose fat SAFELY and HARMLESSLY, take a half teaspoonful of Kruschen in a glass of hot water in the morning before breakfast—don't miss a morning. To hasten results go light on fatty meats, potatoes, cream and pastries—a bottle that lasts 4 weeks costs but a trifle—but don't take chances—be sure it's Kruschen—your health comes first—get it at F. G. Pricke & Co. or any drugstore in America. If not joyfully satisfied after the first bottle—money back. I-5

Nehawka

Bert L. Philpot of Weeping Water, was a visitor in Nehawka on Monday of this week. Martin Ross was delivering two bull calves which he had sold from his Shorthorn herd, they being delivered to A. G. Cisney and Leo Switzer. Mr. and Mrs. John Knabe of Lincoln were visiting in Nehawka on last Saturday, coming to attend the funeral of the late Mrs. Henry Knabe. George Troop and family were visiting with friends in Plattsmouth on last Saturday looking after some chipping as well as visiting with friends. Mrs. Harriett Leach of Union, who is attending school at Peru, was a visitor at the home of her parents, Mr. and Mrs. E. E. Leach for over Sunday. John G. Wunderlich has been having a siege of the grippe and while he is some better and able to get about, is still being harassed by the malady. Mrs. Jane Brooks of Plattsmouth, was a visitor in the vicinity north of Nehawka where she was guest at the home of her sister for Sunday, Mrs. George Rhoden and husband. A letter from Earnest Kropp who is visiting in Indiana where he has been for the past week and where Mrs. Kropp has also been visiting, tells of them enjoying the visit there very much. Walter J. Wunderlich was called to Omaha on last Monday to look after some business matters for the Bank of Nehawka, he driving over in his car notwithstanding the not the best of roads. Thomas E. Fulton has not been feeling the best for some time and has been keeping himself at home on that account, but his many friends are hoping he will soon be in his usual health again. The condition of the sickness of Nehawka and vicinity is greatly improved and everyone is feeling much better for all the cases of contagious diseases have improved and which gives cause for encouragement to all. Vance Balfour, son of Mr. and Mrs. Carl Balfour who is attending the state university at Lincoln, was a visitor for over the week end at the home of his parents south of Nehawka, returning to his studies early Monday morning. Miss Mildred Nellor, who went to her home a week ago where she had her tonsils removed and took treatment for her throat, has so far recovered that she was able to return to her duties at the Nehawka school on Monday of this week. A. G. Cisney and Fred Nutzman, who are feeding cattle together received a very fine lot of feeders during the latter portion of last week which they placed in their feed lots and are feeding same for returning to market when fattened. Mrs. Daniel Anderson, who has been at the Clarkson hospital for the past ten days and where she has been receiving treatment, is so far improved that she was able to return home last Saturday and is feeling fine since her treatment there. On last Sunday Earl Troop and family were guests for the day at the home of Victor Wehrlein and family, who live north of Nehawka on the highway No. 1 and which afforded Mr. Troop a very fine roadway via Murray from his home in Union. Clarence Hansen, who has been kept to his home and most of the time to his bed was able to be out for a short time on last Saturday and again was out a little on Sunday and on Monday came down to the garage and is feeling pretty good by this time and is hoping to be well again soon. Little Oriah Marie Kunts, the six

year old daughter of Mr. and Mrs. Herbert Kunts celebrated her sixth birthday on last Monday, October 24, and was feeling pretty fine for she is just getting over the scarlet fever which has been holding her a prisoner for the past more than ten days and from which she soon expects to be free. Parr Young received a very fine shipment of young feeding cattle on last Friday when he had unloaded at the station at Murray some one hundred and sixty-three head of cattle which he immediately placed on feed at his feed yards some five miles west of Murray. Mr. Young is an experienced feeder and well knows the art of making cattle fine. Charles R. Troop of Plattsmouth, was a visitor in the country north of town during the early portion of the week, where he was picking corn. He has heretofore found plenty of people to gather corn but just at this time the work on the highway has absorbed a good deal of the labor and it is difficult to secure men for the work and so he is at it himself. David C. West, Frank Lemon, Charles D. Adams and son, Burwell, were over to Nebraska City on last Sunday where they were enjoying a game of golf. They returning came via Murray, the pavement and the gravel, and also some of the mud trail north of town where they found the roads very bad and some had to get out and push to get through the mud and home.

Shoot Pheasants. Walter J. Wunderlich, Clifford Trotter and son, Robert, were out to Hastings on last Sunday, they starting early and being able to get there in time to get some good hunting, which they sure enjoyed and got their full quota of birds and were able to start home during the early evening or late afternoon, but the autumn evening seemed to race to get the dark in as soon as possible and was well along after dark when they left the gravel five miles north of Nehawka and very muddy near the home of W. O. Troop and as the skiddy roads were not so reliable, the car took a notion itself to try the west side of the road which it did, and then refused to pull itself out of the soft mud, and had to be assisted by the trusty car of Verner Lundberg which soon had the car working again, to the best when it got its feet on solid ground. However they had a fine time and enjoyed the hunt very much.

At Methodist Church. The services at the Methodist church were conducted on last Sunday by Judge A. H. Duxbury and Rev. Wm. Van Beuren, the latter a former pastor of the Methodist church of Nehawka, who ministered to the church in the years intervening between 1909 and 1913. A very interesting time was had at the session which was enjoyed by all.

Funeral of Mrs. Henry Knabe. Mrs. Henry Knabe, formerly Miss Louise Heebner, was born on the old Heebner homestead where C. E. Heebner now resides and where she resided until in 1887 she was united in marriage with Henry Knabe, and where she also resided the remainder of her life, passed away at the home where she had resided for the past half century. Mrs. Knabe united with the Methodist church in early life and was a devoted and consistent member of this great religious body and has ever conformed her life to the teaching of the holy Nazarene of which she was a true follower.

With her passing she left a place in the home, society and the church with which she was associated, that will ever be difficult to fill. To the union of this true man and woman were given by a kind heavenly Father three children, one of whom has preceded the mother to the home on the other shore, two remain, they being a son Edward Knabe and a daughter, Miss Florence Knabe, and the sorrowing husband.

The funeral was held from the late home and was conducted by the Rev. Wm. Van Beuren, pastor of the Methodist church of Nehawka during the years intervening between 1909 and 1913 and by the present pastor, Rev. E. S. Pangburn, who is also pastor at Weeping Water. The interment was made at the St. John cemetery which is within the neighborhood of the two homes where this excellent woman spent her life.

Will Make Demonstration. The manufacturers of the Caterpillar, which is counted a very powerful and economic motive power for road work as well as the farm and for all heavy work which requires rapid changing from one place to another, are to give a demonstration on the road south of Nehawka where the power graders are at work and which will be given on November 2nd and 3rd, and at which time

PUBLIC LIBRARY

A recent addition to the public library is a "pay shelf," which is a collection of the new books most in demand, these may be circulated to anyone upon payment of 2 1/2 cents per day for each volume.

This is an innovation in our library, but a plan that has been worked very successfully in many of the larger libraries. This has been decided on to "meet the budget" and yet supply the demands of the patrons who desire to read the new books; after the books are paid for, in this way, they will be turned over to the general library and more added to the "pay shelf" according to the demand.

The following titles are in this collection now: "Peking Picnic," by Ann Bridge, the Atlantic \$10,000 prize novel; "Prologue to Love," by Martha Ostensio; "Self Made Woman," by Faith Baldwin; "Forlorn Island," by Edison Marshall; "Sons," by Pearle Buck; "Ma Cinderella," by Harold Bell Wright; "Strange River" by Juliana Green; "Two Make a World," by Peter B. Kyne; "Uncharted Seas," by Ellille Loring; "Under Northern Stars," by Wm. McLeod Raine; "Benefits Received," by Alice Rosman.

WILL SPEAK IN COUNTY

A found car, equipped with a loud speaking system will visit Cass county in the interest of the democratic national and state ticket, announcement received here by County Chairman D. O. Dwyer, states. The car will be accompanied by Harry P. Cooklin, candidate for state commissioner of public lands and buildings, as well as a speaker of wide repute. The car is scheduled for meetings at Weeping Water and Plattsmouth on Friday, October 28th. It is expected that the meeting at Weeping Water will be in the afternoon and in this city in the evening.

RETURN FROM HOSPITAL From Wednesday's Daily Mrs. George Conis, who was operated on at the Clarkson hospital ten days ago for appendicitis, has so far recovered that she was able to return home today. The patient has had a rapid recovery and has shown fine progress from the operation. It is needless to say that the return of Mrs. Conis has been a great delight to the members of the family circle.

"A SACRED PUBLIC TRUST"

When you answer "the summons of death," the disposition of all your property comes under the jurisdiction of the County Judge. It is he you must trust to guard and protect the interest and welfare of your loved ones. You have a personal interest in the election of a County Judge who has had actual legal training and experience in the practice of probate law, who is incorruptible, fearless and yet whose "heart beats in human sympathy," and who will extend every kindness, courtesy and thoughtful consideration to your dependent family when they appear in the County Court to settle your estate, and who will protect their property interests according to law. Upon this basis, I respectfully and earnestly ask for your vote on November 8th. A. H. DUXBURY, County Judge Cass County.
