Mt. Pleasant Voters Organize Roosevelt Club

Democrats and Independent Republicans Join for Roosevelt and Bryan.

Last Friday evening at the Philpot school house, the Mt. Pleasant precinct democrats and others favoring the election of the Roosevelt-Bryan ticket, held a meeting.

The speaker presented many arguments why the people of this state and nation have had enough of the present leadership. The president's argument to perpetuate himself in power of justifying the federal government, putting of large sums of money into the large trust companies and insurance companies, was criticized as an unfair use of public money, when a large portion of the people in the agricultural district were every day losing their farms through mortgage foreclosures and no assistance given to tide over the depression. The president's argument that furnishing large sums to the insurance companies saved the policy holders their insurance and thereby aided the citizen, was criticized as far fetched and not comparable with the man and his family in dire distress, and who is now and has been during the depression ignored. Everybody knows that a large part of the insurance premiums is set apart as a reserve fund which will mature the policy.

If not wasted by criminal or incompetent management the policy is at all times fully protected. If the government is going to stand back of the business of the railroads, banks and insurance companies it should have a say in their management and expenditures. Those companies could not do worse in the dissipation of their assets with a \$5,000 per year president, in place of a \$100,000 per year, as most of them are paying, to say nothing of the high salaries all down the line. That method of dealing out money is unfair to the great number of our people. It does not add a new job nor demand for farm products.

Governor Bryan was commended for re-election in the highest terms. His strictly business-like and economical administration made him the man whom the people, without reference to party, prefer. The people are determined he shall fill that office.

His services are looked upon as indispensable, in the bringing of further reduction in the expenditure of public funds. Bryan is no experiment. The people know that where there is an opportunity to economize it will be done. Aside from the general reduction in the annual appropriation bill of over \$2,000,000, obtained an antagonistic attitude of a legislature controlled by the opposing party, there are many instances of substantial economy, he said, in the handling of failed banks. The expense of converting the assets of such banks into cash was less than one-fourth the expense under the preceding administration. The voters are well pleased with the record of the present governor.

After the speaking a Roosevelt Bryan club was organized, by electing the following officers: Rudolph Hart, president; Henry Doty, vice-president; Ruth Hart, secretary, and Frank Masde, treasurer.

It was decided to have another meeting before election at which a prominent speaker will be present.

FORMER EAGLE MAN DIES

Harry L. Hartsock, 37, was killed and his brother, Roy, 29, was seriously injured when the truck in which they were riding was overturned. The two men were en route from their home at Heber, California, to San Diego when the accident occurred. The truck went out of control on Viejas grade, forty miles east of San Diego. Roy Hartsock was taken to a hospital at San Diego to be cared for.

The two men are sons of Mr. and Mrs. John Hartsock, of Eagle. The brothers have been in the trucking business. Harry went to California twelve years ago and Roy about seven years ago. Harry Hartsock is survived by a widow and three children.

IN SERIOUS CONDITION

Oscar York, a former resident of this city, who has made his home for the past few years in Omaha, is reported critically ill there. The patient was operated on Friday for what was thought to be appendicitis but his condition was found much more serious with an intestinal disorder that has made the matter of his recovery very doubtful.

Weeping Water Lady Ends Life by Hanging

Mrs. Emma Ehlers, 70, Found Dead When Family Return from Church Sunday.

Mrs. Emma Ehlers, 70, was found dead in the bedroom of the home of her son, Louis Ehlers, north of Weeping Water, with whom she had made her home. The death of Mrs. Ehlers was caused by her hanging herself.

The discovery of the death was made by the members of the family who returned home from church Sunday noon and not finding the mother in the living rooms of the home they had gone to her bedroom to find the lifeless body lying on the floor.

The rope with which she had hung herself had broken and let the body fall to the floor of the bedroom, but the tight rope around her neck had caused the strangling to death of the unfortunate woman.

Mrs. Ehlers had resided in the vicinity of Weeping Water for a great many years and was a lady held in the highest esteem by all who had the pleasure of her acquaintance. She had been greatly worried in the last few months over financial matters as she had been quite well to do but had suffered financial reverses in recent years. Since the death of her husband she had made her home with the children and lately had been at the home of her son. Worry over her financial affairs is thought to have caused her suicide.

SKETCH OF LIFE OF MRS. LAURA PETERSON

Mrs. Laura Peterson was born in Cochocton county, Ohio, August 8th, 1856 and died at Plattsmouth, Nebraska, Oct. 18, 1932, her twin brother, Lora Davis, preceding her in death two years ago.

With her parents, Mr. and Mrs. Edwin Davis, she came to Nebraska in 1865 and settled in Plattsmouth, which has been her home all ways.

In 1882 on the golden wedding of her parents, she and Rasmus Peterson were united in marriage, her husband preceding her in death eleven years ago.

She united with the Methodist church in early girlhood and as long as her health permitted, she was an active and devoted member.

Mrs. Peterson was possessed of a very lovable and generous character, and a host of friends will remember her many acts of kindness.

Her immediate family have all preceded her in death, but she leaves to mourn her loss seven nieces, three nephews and their families, all of whom, and her many friends will realize that the chair is vacant that "Aunt Laura" occupied for so many useful years.

The nieces attending the funeral of Mrs. Peterson were Miss Ella Kennedy of this city; Mrs. Doris Colvin Parker and daughter, Miss Catherine Parker, of St. Paul, Nebraska; Mrs. Maude Colvin Smith, Santa Fe, New Mexico; Mrs. Gertrude Colvin Ireland, Fort Morgan, Colorado; Mrs. Laura Keeney Bissel, and son, J. Edward Atkinson and wife, Kearney, Nebraska; Mrs. Tessa Nessen, Louisville; Antone Peterson, Sedalia, Those unable to attend were Mrs. Anna Colvin Smith, Los Angeles; Berel Colvin, Perry, Oklahoma; Mrs. Edna Colvin Culver, Portland, Oregon; Mrs. Ella Mae Colvin Thomas, Washington, D. C., and Fred L. Keeney, Pasadena, California.

Card of Thanks

The nieces and nephews of Mrs. Laura Peterson wish to thank the neighbors and friends for their many kind acts and sympathy.

LOOT AUTOMOBILE
From Wednesday's Daily
Last night some parties looted the car of Lester Burrows, which at the time was at the home of his brother, Claude Mayabb, west of this city. The

car was parked outside the garage while a gathering of friends was being held at the Mayabb home. Later when Mr. Burrows visited the car he found that the thieves had helped themselves to a number of articles, removing the clock from the dash of the car, also removing the latch on the car doors, as well as taking a flashlight, a pair of gloves and a blanket that was in the car. Mr. Burrows states that he is aware who the parties and is willing to let them return the property and let the matter drop or will have to take the matter up with the authorities and see that the persons are punished.
