Material Contribution to Complete Scout Cabin

T. H. Pollock Makes Available Proceeds of Fund He Laid Aside for that Purpose in Past.

Assurance of being able to complete the Boy Scout cabin at Camp Wheeler, on Rock Creek, six miles south of games Plattsmouth in most creditable manner, through donation of a handsome sum for purchase of material, announced at last night's Scout commit- ful evening. tee meeting, drew applause from the Scouts who had tarried after their regular meeting and warm expressions of thanks from the members of the committee supervising this project, which is being carried out under a CWA labor and partial material grant.

This contribution, amounting to \$150, came unsolicited from T. H. Engineer Will Have Charge of Work Pollock, long active in Scouting circles here, and who, with E. H. Wescett, another local pioneer "Scouter." have been instrumental in holding the Scouts intact throughout the years since Scouting was first introduced here about 1915.
