Westminster Guild Holds a Costume Party

Elegant Social Event Is Held at the Home of Dr. and Mrs. H. G. McClusky by Church Group.

An event of importance to the Westminster Guild of the Presbyterian church was their Appreciation meeting. The society met at the home of Dr. and Mrs. H. G. McClusky on Tuesday evening.

The program for the evening had been cleverly arranged by Mrs. McClusky who was leader for the meeting. Each of the members had come costumed to represent people of other races and creeds.

When the girls had all arrived, the room presented a colorful scene, with Indians, Porto Ricans, Chinese, Japanese, Latin-Americans, an African and others. The impersonations were given by each one and made an interesting evening's entertainment.

Each country represented passed around some article of food to show what is produced in that particular locality.

Mrs. McClusky led the group in singing several songs.

Miss Alice Hlatt offered a very much enjoyed violin selection.

The business meeting followed, being presided over by the president, Mrs. Louis Lohnes. Among other things the Valentine party plans were discussed.

Dainty refreshments were served by Miss Sue Simonton, hostess, who was assisted by Miss Valda Dyrast which brought to a close a most enjoyable occasion.

ROTARY LEADER SPEAKS

A large group of the members of the Plattsmouth Rotary club were at Nebraska City Wednesday evening where they were guests of the club of that city in greeting Arthur B. Mayhew, a director of Rotary International, of Uvalde, Texas, home city of Vice-President John Nance Garner.

The speaker discussed the growth of Rotary, the speaker stating that: "Rotary is growing year after year. Membership has increased in over 900 clubs since July, 1933. In twenty-eight years, 3,700 charters have been issued over the entire world and of these only eighty-five have been given up; in the last six months, forty-three were chartered and eight gave up. Membership in October increased \$07 and in November \$16." District Governor Hugh Butler of Omaha, was present to introduce the speaker and to call attention of the members to the nineteenth district convention which is to be held at Omaha, April 30, May 1 and 2.

Those from this city to attend were Judge A. H. Duxbury, local president, William Baird, L. O. Minor, Arthur Troop, A. E. Stewart, Dr. P. T. Heineman, Frank A. Cloldt.

There were representatives present from Red Oak, Falls City, and Glenwood.

PLEASANT RIDGE PROJECT CLUB

The Pleasant Ridge project club met on January 16th at the home of Mrs. Will Renner. The meeting was called to order by the president, Mrs. Earl Lake. After the business meeting the topic, "Happy Homes—Gift Investments," was discussed and the project leaders had each member respond to roll call by giving a happy memory of their childhood days. One of the many truths learned at this meeting was:

I AM STILL SICK

(Reprint from Christian Science Monitor)
"It may be true that I have much less to live on than I had a year ago, but it is certainly true that I have just as much as ever to live for. The real values of life are unshaken and solid."

The next meeting will be an all day meeting at the home of Mrs. Max Burnmeister, February 12th, and each member to bring a covered dish. A delicious lunch was served by the assistant hostesses, Mrs. Norman Renner and Mrs. Louie Meisinger. One visitor was present, Miss Catherine Meisinger and all present joined in playing games and singing.

A MOST WORTHY UNDERTAKING

The memorial birthday balls being arranged all over the nation in honor of President Roosevelt's birthday on next Tuesday, offer to everyone an opportunity to aid in a small way in paying tribute to Franklin D. Roosevelt for his honest and sincere efforts to aid the common man, and helping to provide funds for the carrying on of the battle against dread infantile paralysis, so nobly begun under direction of the Warm Springs Foundation movement. The raising of this money does not mean that it will all be spent at Warm Springs. In fact it is the plan to establish other study centers and treatment facilities all over the nation to help speed the day when the effects of this terrible disease can be minimized and cure provided for all who have suffered therefrom. The great come-back of our beloved president has shown what can be accomplished and everyone should be willing and glad to aid in enlarging the program by buying a ticket to the president's birthday ball next Tuesday night. Every cent of the net proceeds will be forwarded to Mr. Roosevelt, and he in turn will add it to the large amount of personal cash contribution he has already made to carry on this work.

Tickets are in the hands of many people in the community, but if you have trouble locating anyone who can supply you, go to the chairman of the ticket committee, C. A. Rosencrans, who will be delighted to sell you one or a dozen. In fact, Clate prefers to deal in dozen lots. A special ticket drive will be made on the streets tomorrow and everyone should respond and by so doing feel proud of having a part in this great program.

Radio facilities will be provided at the hall Tuesday night, to hear the address of the president, which will be delivered around 10:30 C. S. T. and a part of the supporting portion of the one-hour birthday program may also be tuned in. Dancing will start at 9 p. m. and be continued to an early hour in the morning, to music furnished by the Hells-Bells orchestra.

Church Meeting is Planned for Auburn Tues'dy

Second in Series of Church Loyalty Crusade Meetings for This Part of Nebraska.

Church officers, Sunday school executives and teachers, and women's leaders and workers of Protestant churches of Auburn and a surrounding radius of 50 miles will meet in the Presbyterian church at Auburn at 7:30 p. m. Tuesday, Jan. 30, to hear Dr. George G. Dowey, director of the United Church Loyalty Crusade.

The Crusade, a movement sponsored by the Rome Missions council representative of 27 Protestant denominations, is being conducted in Nebraska and western Iowa and constitutes a seven weeks' program from Feb. 25 to Easter and April 8, designed to "revitalize" the churches.

Dr. Dowey, who has been making addresses throughout the two states at various centers preliminary to the opening of the Crusade, will explain the various programs for each unit in the church which the Crusade embraces.

At a meeting held in Omaha last week when 800 church officers were present, Dr. Dowey declared that "there are a good many churches in Nebraska that could fold up their tents, their pastors could move away, and they would never be missed."

Urging united effort to reawaken latent interest of members in their churches, Dr. Dowey said "I lay the blame for this situation at the door of the churches themselves. What we need is a Pentecost, and a denominational Pentecost will not serve the purpose. There is a direct connection between the empty seats of the absent church member and the discouraged preachers and church officers," he charged.

Army Chaplain Speaker at H. S. Convocation

Major Harkins Addresses the High School Today—Masonic Quartet Part of Program.

From Friday's Daily

An outstanding convocation program on the high school schedule this year was presented this morning. The program was made up of three numbers which proved to be most popular with the student body who showed their appreciation by their close attention and applause. The Masonic quartet sang four delightful numbers, opening with "My Nebraska" and closing with "Highways Are Happy Ways." This organization is called upon many times in the community and elsewhere and the students deeply appreciated the fact that the men who compose the quartet took time from the demands of their own duties to come to the school building. The members are Frank A. Cloldt, Raymond Cook, H. G. McClusky and Roy W. Knorr with E. H. Westcott as accompanist.

The guest speaker was Major Harkins, chaplain of the army post at Fort Crook where he has been stationed for the past five years. Major Harkins' wide experience and travel in the service made him an interesting speaker. His remarks were followed closely by the audience as he spoke to them of "The Great Adventure of Living." Comment afterward was that his address was one of the finest heard on the P. H. S. platform in a long time.

The program was closed by a delightful solo number sung by Miss Leona Hudson a graduate of the class of 1928. The program was arranged by the seniors on the council with Earl Lamberson as chairman. President Mary Ann Rosencrans introduced the numbers.

ATTACKED BY INDIANS

Mrs. Phillip Kahler recently learned of a terrible experience which her brother, Henry Boedeker, of Lander, Wyoming suffered while attending to his work as night marshal in that city. While going the rounds of his beat one night just before Christmas, he was attacked and severely beaten by three half-breed Indians. Mr. Boedeker's moans and cries soon summoned help and the assailants were caught and each given a sentence of three years when brought to trial.

In order not to worry her, Mr. Boedeker sent his sister her usual Christmas turkey, and she did not learn of his trouble until he was well on the road to recovery.—Louisville Courier.

From Saturday's Daily
Mrs. C. H. Lewis, 67, passed away this morning at her home in the south part of the city, having been ill for the past ten days from an attack of heart trouble. Mrs. Lewis suffered an attack a week ago Monday when she fell on arising and was unconscious for some time before discovered.

She had been bedfast since and gradually grew worse until death came to her relief.

Platters Win from Peru Prep; Score 21 to 13

Contest Staged at Peru College Court—Hiner Leads the Locals in Their Scoring.

The Platters Friday evening at Peru advanced another step in their victory record for the season of 1933-34, when they won from the Peru Prep by the score of 21 to 13.

The Preppers had won the past week from Nebraska City but in the contest last evening were unable to get going in the opening half and their last minute rally was not strong enough to stem the blue and white gain.

For the Platters it was the first game that they have played on the large college court, McClusky being the only member to have played there two years ago.

In the opening quarter the Platters started to go places and a few minutes of play found McClusky scoring and from then on the battle was all for the blue and white. Velreik, forward of Peru was the only one to solve the Platter defense in the first half, scoring two field goals, in fact he being the only member of his team to be effective in the entire game.

At the half time Peru was dragging 16 to 5 but in the second half they were able to outscore the Platters and made good free tosses in this half.

The scoring of the Platters was led by Hiner, center, who acquired seven counters in the first half but was well covered by the Preppers in the second stanza of the game.

The tabulated score of the game was as follows:
