

# Nehawka

Mr. and Mrs. John L. Young were visiting in Nebraska City last Saturday, looking after some shopping as well.

C. D. Boedeker was looking after some business matters in Syracuse on last Wednesday and was attending the community sale held there.

Billy Wehrlein, little son of Mr. and Mrs. Victor Wehrlein, who has been quite ill from an attack of flu, is reported as being much better at this time.

Dr. G. H. Gilmore and son, John, of Lincoln, where John is attending school at the University of Nebraska, were visiting in Nehawka and Murray last Friday, they driving over in their auto.

Ray Whiteman held his sale last Monday and although the day was very cold, there was a large crowd present and bidding was spirited, all the goods offered bringing right smart prices.

Dick Hitz, of Plattsmouth, came down last Friday night to take in the basketball game between the Nehawka and Otse teams and was pleased with the playing ability shown by the Nehawka team.

The Nehawka high school basketball team engaged in a game with the team from Otse on last Friday evening. It proved to be a very spirited contest, with the home town winning by a score of 24 to 10.

R. C. Pollard, manager of the Nehawka Farmers Oil company, was under the weather last Saturday and was compelled to remain at home. He was feeling much improved by Monday, however, and back on the job again.

Sheldon Mitchell and Marion Tucker were over to Lincoln, where they completed arrangements for Sheldon to enter the University of Nebraska. He will take a special course of instruction, requiring some time to complete, but which will, in the end, give this young man an excellent education.

Ray Creamer, W. O. Troop and A. C. Must were over near Syracuse on last Wednesday, where they attended a farm sale, finding things bringing a very good price, which seems to be the rule at farm sales this year. Rex Young, the Plattsmouth auctioneer, was also present at the sale meeting his many friends.

W. O. Troop and son, George, of

north of Nehawka, accompanied by Charles R. Troop, of Plattsmouth, were in Omaha on Monday of this week, where they were looking over the supply of feeders at the stock yards with a view to purchasing a goodly number at this time for placing in their feed yards.

**Woman's Club Board Meets**  
There is to be held at Nebraska City today (Thursday), a meeting of the district board of Women's clubs, together with the officers of the district for the purpose of laying plans for the district convention to be held in Plattsmouth April 3rd and 4th. A large number of representatives of the various clubs over the district are expected to be present. Those attending the meeting from Nehawka are Mrs. Indore Tucker, Mrs. E. C. Stimbert, Mrs. J. A. Jinnert, Mrs. Robert Reed, of Plattsmouth, president of the Women's club there, will also attend the meeting in company with the Nehawka ladies.

**Gave Delightful Dinner Party**  
On last Thursday, Mrs. Vilas P. Sheldon entertained a number of her friends at a dinner party at her home. There were present for the occasion, Mr. and Mrs. R. C. Pollard and a sister of Mrs. Pollard, Mrs. Velford, who is now visiting here from her home in Minneapolis. Mr. and Mrs. M. M. Tucker and Mr. and Mrs. Ben Olive, of Weeping Water. The supper party was a very pleasant occasion for all.

**Have New "Ag." Teacher**  
The former Agricultural instructor in the Nehawka school, Mr. Ballman having been tendered a good position in Lincoln, has asked that he be released from his contract with the schools here and his request has been granted by the board. To fill the vacancy, the board has been able to secure a Mr. Roe, of Ord. Mr. Bollman has left to accept the new position in Lincoln and Mr. Roe is now engaged in teaching Agriculture in the local schools, the shift being accomplished in very short time and without any difficulty.

**Young People Enjoy Fine Meet**  
Sterling Ross, son of Mr. and Mrs. Adolph J. Ross, entertained a large number of his young school friends at the beautiful country home of his parents on last Friday evening. The time was spent in the playing of various games, with music and to climax the affair one of the finest lunches imaginable. All present enjoyed the evening and are loud in praise of Sterling and his parents as entertainers.

**Thomas Fulton Much Better**  
Thomas E. Fulton, who was so seriously ill for so long, is at this time feeling much improved and is able to be up most of the time. He says he is expecting to be out and around in the near future.

to have some excellent music and also a fine time at the dance, which is given to assist with the construction of the Nehawka library. Better get in the swim and do your bit for the library.

**Received Offer of Employment**  
Miss Maurine Cliney, the 17-year-old daughter of Mr. and Mrs. A. G. Cliney, who is a very clever musician and especially talented on the guitar, was at Shenandoah recently, taking part in a contest that was held there and was offered a position on the program given by the Earl E. May Seed company, of Shenandoah. Miss Cliney sang and played a number of cowboy songs and was winner of one of the substantial prizes in the contest. She has not decided as yet, whether she will accept the position tendered her by the Shenandoah concern.

**Visiting in Sunny California**  
Mr. and Mrs. Stewart Rough left last Thursday from Omaha, via the Union Pacific, and arrived at their destination on the west coast Sunday morning. They will visit there for some time at the home of their son, S. B. Rough and family, at Mount Delta, California, where Stewart, Jr., is superintendent of schools. It is their intention to return in time to put in their garden. While they are away, James M. Palmer will look after business at the elevator.

**Start Chain Reception**  
Mrs. Vilas P. Sheldon, as the initial mover in an effort to create a fund to assist in the completion of the Nehawka library, and in purchasing the additional needed materials for its completion, has invited eight of her friends to attend a benefit tea at her home. The ladies expect to enjoy a most pleasant afternoon together and the proceeds of ten cents per person will be applied on the building project. The following week these eight ladies each entertain similar teas, inviting in eight of their friends, or a total of 64, and that will add \$6.40 more to the fund, while the following week every one of the sixty-four invited guests is asked to arrange a tea for eight (Invitations will be sent to many not living in Nehawka as guests.) The proceeds from this third week would amount to \$51.20 and if the idea were carried out longer than that the figures would soon have the appearance of the annual report of government expenditures. The possibilities of the chain tea are very great and we hope the ladies are able to capitalize on them to the extent of aiding very materially in helping to finance the Nehawka library. With man-hours available to do the work, it would be a shame to let the proposition lag for lack of the few dollars of material money required.

## Young Democrats of County Band Together

Robert Bestor Selected as Chairman of Club—Some Forty Attend the Initial Meeting.

The formation of a Cass county branch of the Nebraska Young Democratic clubs was carried out Tuesday evening when an organization was selected and the club started on its way to success.

There were some forty in attendance at the meeting and which was presided over by J. A. Capwell, local attorney.

John A. Skiles, of Lincoln, district chairman, was present and explained to the group the purposes of the organization which is nationwide in its scope and has a large number of clubs in the state.

The officers of the club named were as follows:

President—Robert H. Bestor.  
Vice-President—Chris Bullin.  
Treasurer—Robert Wheeler.  
Secretary—Paul Vandervoort.

The matter of choosing two delegates to the state convention at Grand Island, February 16-17 was then taken up. Robert Bestor, Plattsmouth, and George Lepert, Rock Bluff, were named as delegates, with an advisory group consisting of Joe Knodlock, Plattsmouth, Walter Porter, Plattsmouth and Harold Duska, Louisville, being named to also attend the convention.

Following selection of the delegates a discussion of the matter of local dues was made. The proposition was not voted on, however, as it was decided to delay the matter until more consideration could be given it.

Discussion of precinct clubs was then gone into, the chairman explaining the purpose and standing of such clubs.

A motion was then passed that meetings be held at least once a month, but the time of the next meeting was left up to a temporary executive committee appointed by the chairman. Those named were George Lepert, Rock Bluff, Joe Knodlock, Plattsmouth precinct, and Mrs. Harold Dumke, Louisville.

The membership of the club is for both men and women and the age are set at sixteen to thirty-five and the purpose of the club is to instill into the young men and women the principles of the democratic party and to maintain an active unit for the aid and advancement of the party ideals.

### ARRANGE FOR SWIMMING INSTRUCTION FOR SCOUTS

Arrangements have been made at the Y. M. C. A. in Omaha, for the use of their fine swimming pool by Plattsmouth Boy Scouts at a very nominal charge. If the boys bring their own towels, they will be admitted to the pool each Monday and Friday evening at 5c, or 10c if they use the towel service provided by the "Y." At these hours, a swimming instructor is present to give assistance to beginners and after a course of a few weeks, every boy should become a proficient swimmer, thus enabling him to qualify for merit badges in that line as well as advancement to the rank of first class Scout.

Spurred on by the recent court of honor held here, all members of the local troop expect to make some advancement before the date set for holding the next district court at Peru March 21st, and the opportunity of taking swimming lessons will be welcomed by many, this being one of the requirements before a boy can be advanced to the rank of a first class Scout.

Arrangements will be made among local car owners at friends of the Scouting movement to transport the boys to and from Omaha on the two days of each week when they can have the advantages of the "Y's" regular paid swimming instructor.

### EIGHT MILE GROVE LUTHERAN CHURCH

10:30 English services. Semi-annual congregational meeting to be held in connection with services.

### GAVE A FINE NUMBER

One of the contestants in the musical contest at the high school Monday evening who scored one of the successes of the offering was Miss Margaret Taylor, winner of first place in the low voice section for girls. Miss Taylor was one of the features of the program in her fine number.

"If you want your money to go 35% farther, here's my advice—"

"Break in new tires at this time because cool roads toughen rubber—cold-cure it. Thus tires put on now will run about 30% farther than the same tires started off now on hot summer roads. That means you get 35% more mileage plus immediate non-slip safety. At today's low prices, isn't that worth thinking about?"
