

ENROLL AS JOURNAL READERS

Saturday afternoon Mr. and Mrs. Gardner Hamilton of Murray was in the city to look after some trading and while in the city called and had their names enrolled as readers of the Journal for the ensuing year.

George Schroeder of Cedar Creek, one of the well known residents of that locality was also a visitor in the city and enrolled as a reader of the Journal for the coming year.

Paperhanger and painter.—M. G. Churchill, Murray, Nebr. f12-ftw

TAKEN TO HOSPITAL

Miss Sophia Newman, who for the past two weeks has been suffering from pneumonia, was taken to Omaha Tuesday afternoon where she was placed in the Methodist hospital for treatment. The patient has recovered from the attack of pneumonia but the illness has left her in very weakened condition and the development of pus on the lungs and which will necessitate an operation for its removal.

Alfalfa hay for sale.—J. L. Young, Murray, Nebr. sw-8-15

CALLED ON SAD MISSION

Mrs. J. F. Clugy received a message Monday of the death of Charles Raake, a brother-in-law, which had occurred at Clarinda early Monday morning. Mrs. Clugy departed this morning to the Iowa city to be with the members of the bereaved family and to attend the funeral services.

Temperance Work Shown in Sunday Schools

S. T. I. Programs of the W. C. T. U. Are Given Sunday in Plattsmouth Churches.

On February 11th was observed the quarterly program for study of temperance in all church schools of this our land. Regular lessons give time and place for this but the W. C. T. U. are especially urging that this be made a lesson for total abstinence. In some of the local Sunday schools teachers were urged by their superintendent to give special attention to the subject.

In others, concrete demonstrations were given of the wise spending of money for food rather than the newly legalized beer, with emphasis placed upon the harm of taking any drink containing alcohol into the human system. Posters carrying visual arguments refusing the statements of benefits from alcoholic beverages, were placed where adults might read and think quietly to themselves of this new project for national revenue, and the influence it would have in overcoming crime and graft in our country. Three to five minute talks were given in adult departments emphasizing our duties as citizens of a Christian nation in regard to this traffic and the patronizing of the same.

These lessons are not so much for the little child who scarcely knows as yet what it is all about, having been raised during the years when prohibition did make the small communities and home conditions better, but for those who are responsible for keeping conditions safe for the child and setting before him a clean and wholesome path of Christian citizenship in a country which has every possibility of being the best in the world and a leader of its kind in Christian democracy.

JUNIOR HIGH CONVOCATION

A convocation was held in the Junior High school last Friday afternoon which consisted of music from the music department and a magic act by Robert Hayes and Bill Armstrong.

The meeting opened with community singing led by Mr. Devoe followed by the group program. The music was under the direction of Miss Lillian Garrett, supervisor of music in the junior high school.

7th Boys' Glee club sang "Bells of the Sea," "Ship of Rio," and "Texas Cowboys."

7th and 8th grade octette sang "The Bell Boy."

8th Girls' Group sang "My Mother."

8th Girls' Glee club sang "Mighty Like a Rose."

The program was concluded by the wizards, Bill Armstrong and Robert Hayes, who gave several magic acts. Their feature act was one in which Jimmy Jones was securely padlocked in a box and he escaped without any assistance. These young men showed considerable training in their demonstration.

CENTRAL BUILDING AUDITORIUM

The new auditorium at Central building is near completion and is being used jointly by the kindergarten and older pupils.

The room was planned by Miss Amelia Martens, principal of Central school, and with the consent of the board of education the work was carried on as a CWA project under the supervision of Mr. Devoe and Mr. Hudson.

The new curtain which has been purchased is being paid for from the remaining funds of a former P. T. A. association which was active several years ago.

The providing of chairs for the room remain to be accomplished and for this purpose Central school has been divided into two groups, a primary and intermediate group. These groups will give two entertainments. These will be sponsored by the teachers of the respective grades and the money earned in this way will be used at Central building. The newly arranged room altho small is a great asset to the school, which has an enrollment of three hundred pupils.
