Drive Made to Bare All Income Tax Returns

Representative Patman Leads Fight for an Amendment to Revenue Legislation.

Washington.—A drive to make all income tax returns public was begun in the house in its second day of debate on the new 258 million dollar revenue bill. Efforts were made by a bloc of members headed by Patman to have the ways and means committee offer the proposition as an amendment.

Washington.—A drive to make all income tax returns public was begun in the house in its second day of debate on the new 258 million dollar revenue bill. Efforts were made by a bloc of members headed by Patman to have the ways and means committee offer the proposition as an amendment.

Rep. Treadway, a member of the ways and means committee, said if income tax returns were made subject to public inspection it would dis-

close the operations of corporations and individuals to competitors and work other injustices. He pointed out that all returns in excess of \$500 were made public annually.

Meanwhile, word was passed to congressional leaders that the administration opposed proposals for constitutional amendments to make government securities subject to taxation. Secretary Morgenthau was understood to have notified chairman Doughon (d., N. C.) of the ways and means committee, arguing that it might interfere with the financing program being carried on by the treasury.

STRING TO A RESIGNATION

Washington.—Robert W. Colflesh's offer to resign as United States district attorney for southern Iowa is under consideration by the justice department, but Attorney General Cummings said Colflesh's letter had been referred to him by President Roosevelt. "It was not an out and out resignation," the attorney general added.

Asked to describe it, he told newsmen "it was and it wasn't" a resignation. "But it was a very nice letter," he reflected.

Colflesh sent the letter of qualified resignation to Mr. Roosevelt shortly after Lieutenant Governor Kraechel was indicted by a grand jury for alleged public works conspiracy, and simultaneously with Colflesh's announcement he would be a republican candidate for governor of Iowa.

Conviction of Lux Affirmed by High Court

State Supreme Court Says He and Burleigh Properly Punished for Contempt.

The conviction in Saline county of Harry M. Lux and D. Robert Burleigh of Lincoln, on charges of contempt of court by aiding others in an attempt to prevent the sheriff from holding a mortgage foreclosure sale, was affirmed by the supreme court Friday. Chief Justice Goss, in the opinion, said that under the plan of government the judicial department may not lawfully be intimidated by threats, coerced by force or influenced by anything outside the facts and the law. He says it was timely and fortunate for the cause of law and order that the unlawful scheme of the defendants was promptly frustrated by a resolute prosecutor and a courageous judge.

The defendants were charged with fourteen others with executing a concerted plan and willful attempt last March 14 to impede and obstruct the administration of justice. The affair at Wilber was one of a number where farmers and others sought to prevent sheriffs from selling farms. Neither Lux nor Burleigh is a farmer. The crowd held the sheriff in his office for about an hour, and was finally dispersed by the use of tear gas bombs. Lux claimed to be an organizer for the farm holiday association.

The court says defendants' legal rights were fully protected by the lower court and that the fact that a mortgage moratorium law had been passed early in March cannot be invoked by them, since there is nothing to suggest their right or power to do so. They were neither owners nor liable on the mortgage. All inferences from the record indicate that they were uninvited strangers, crashing the doors, who now seek to avoid punishment for their bad legal manners. The court assumes that Lux received the heavier fine because he was more of a leader and organizer of the raid than Burleigh, that the court did not abuse its discretion, and that the defendants were fortunate they were let off with fines.

NORFOLK MAN IS INJURED

Omaha.—Elmer Hebner of Norfolk, was brought to an Omaha hospital after he had been seriously hurt in an automobile accident near Waterloo, Neb., early Thursday night. Hebner was riding in a truck driven by Clarence Wickman of Norfolk. Near Waterloo the truck broke down and James Hall, Waterloo, mechanic, began work on it after flares had been placed in position. Hall's car was packed between the flares and Wickman's truck. A truck driven by Gilbert Otteman of Hooper, sideswiped Hall's car and Wickman's truck and then hit Hebner, who was standing near the front of the disabled truck. Otteman was not injured but several hogs in the truck were killed.

CWA EMPLOYS ALIENS

Honolulu.—Employment of aliens on CWA projects in Hawaii was authorized by the local CWA commission subject to allocation of additional funds by the administration in Washington.

Movieland Marriage

Disdaining the usual movieland custom of eloping to Yuma, Ariz., Busby Berkeley, noted screen director, and Myrna Kennedy, formerly one of Charlie Chaplin's leading women, said their "I do's" in Hollywood. They are shown leaving the church after the ceremony.

STUDENT WORK RELIEF

Nebraska relief officials got final authority from Washington Friday to furnish work relief for 1,072 needy college students and about that number will go to work next week.

Miss Lulu Wolford said applications had been approved to put 1,072 students at work from seventeen institutions, but that none outside of the University of Nebraska went to work this week as far as she knew. The university reported about twenty of the 454 assigned it had begun work.

The university has by far the largest quota, nearly half of the allotments already approved. Creighton is next with authority to put 120 to work. Other allotments by colleges to date are: Wayne Teachers seventy-five, Kearney Teachers, Sixty-eight, Hastings sixty-five, Omaha Municipal fifty-six, Peru Teachers forty-seven, Chadron Teachers forty-five, Nebraska Wesleyan forty, Midland twenty-one, Doane sixteen, York fifteen, Union fourteen, Dana thirteen, McCook junior seven, Luther seven, and College of St. Mary, Omaha six. Applications have not been received yet from Hebron, Scottsbluff junior, Concordia, Nebraska Central and Duchesne colleges.

A dispute over semi-skilled wage rates on CWA work awaits the return of Roy M. Brewer of Grand Island, president of the state federation of labor. Rowland Haynes, federal relief agent, answered inquiries from federal officials as to whether the disputes here with union labor representatives had been settled by saying Brewer requested a delay until his return from Washington where he went for a conference called by Secretary of Labor Perkins.

Villisca Five Eliminate the Platts Storz

Locals Lose Hard Fought Game by Score of 21 to 14 at Glenwood Tournament Last Night.

From Saturday's Daily
The Plattsmouth Storz basketball team after hurdling the first two games of the independent basketball tournament at Glenwood, were eliminated last night by the powerful and aggressive Villisca team, one of the favorites of the tourney by the score of 21 to 14.

The locals had injuries to Forbes in the Thursday night game as well as Donat with his injured leg to contend with as well as the well coached and efficient Iowa quintet.

The locals were unable to make their shots good, altho they had many opportunities and also suffered from the penalties that were called on them by the referee and umpire.

The decisions of the referee caused much dissatisfaction with the Glenwood audience and who made their displeasure evident during the game as the Storz were repeatedly penalized.

The Villisca team led 7 to 6 at the first quarter and were never headed in any part of the game as they drove on to a victory.

The box score of the game:

Platts Storz—				
	FG	FT	PF	TP
Rummel, f	1	2	1	4
Knoflieck, f	1	0	1	2
Donat, c	1	0	2	2
Forbes, g	2	0	2	4
McCrary, g	0	0	1	0
Yelick, f	1	0	2	2
	6	2	9	14

Villisca—				
	FG	FT	PF	TP
Means, f	1	2	0	4
Roberts, f	5	1	2	13
Kenworthy, c	0	0	0	0
D. Roberts, g	0	4	0	4
Kenworthy, g	0	0	3	0
	7	7	5	21

CONVICT YOUTH OF MURDER

Liberty, Ky.—With national guardsmen on duty to prevent possible mob violence, a jury brought here from a neighboring county convicted Sylvester Warner, 24, of murder and specified the death penalty. With Warner two other Kentucky youths, Houston Jeffries, 19, and Carl Hardin, 18, were charged with murder after the wire-trussed bodies of John White, 83, and his son, Clay, 55, were found in Green River last December. Jeffries' trial is at bar now, and a third jury is waiting to try Hardin's case.

EXCISE TAX COCOANUT OIL

Washington.—House passage of the excise tax on coconut oil and sesame oil was regarded by Representative Shallenberger as virtually assured. He said the ways and means committee agreed it would not move to strike out the amendment. The house agreed that amendments to the revenue bill could be proposed only by the committee.

Frills Dominant Note in Spring Fashions

Milady is turning her attention to spring fashions these days and fashion experts are saying that the little details of dress rather than any radical changes in silhouette will mark the new season. Dainty frills, ruffles, laces and tricky collar treatments will receive the bulk of attention. Above are shown some of the severest man-tailored lines, as worn by screen stars. Double-breasted suits seem destined to be popular, in this gray tweed one, worn by Jean Howard. Una Merkel reveals the latest in spring hats, a white chapeau designed in Celtegal fabric and accented with fringe. Plaid bathing trunks are smart for the beach, such as Francis Drake illustrates. The trunks are of red and white plaid with a dark red jersey.

MARRIED AT CITY HALL

Friday afternoon at 5 o'clock at the city hall occurred the marriage of Miss Bessie Sidwell and Mr. Walter Hardin, both of Omaha, who were accompanied here by Mr. and Mrs. William Sheehy, who witnessed the ceremony.

The marriage lines were read by Judge Charles L. Graves in his usual impressive manner and at the conclusion of the ceremony the party motored back to Omaha where they were tendered a reception by their friends.

CARD OF THANKS

Most gratefully we wish to express to the kind friends our appreciation of the many acts of kindness and the words of sympathy during the time of our bereavement. The generous and kindly acts will always be a pleasant memory of the good friends and neighbors. We also wish to thank those who sent the beautiful flowers and assisted at the services.—E. C. Harris and Jeanette.
