

GREENWOOD

E. L. McDonald had a load of cattle on the Omaha market, which brought him a very satisfactory price for the shipment.

Howard Judge has opened a repair shop at the Hillis service station and lunch room and is doing work in the automobile line.

E. L. McDonald was a business visitor in the county seat last Monday, having some business matters to look after at the court house.

The Rev. W. E. Golings, who has been so ill for so long, is improving very nicely at this time, but is not yet rested to his former good health.

B. Golding, of Plattsmouth, who is the owner of a number of properties in Greenwood, was a visitor here and was looking after some business matters.

Paul Straite was marketing a number of very fine hogs last Wednesday, they being sold at Omaha, where they were delivered by Henry Meyers with his big truck.

Mr. and Mrs. E. L. McDonald were over to Omaha last Friday evening, where they were attending the meeting of the salesmen of the Gruno Electrical company and their wives. This concern manufactures the Gruno refrigerator which Mr. McDonald handles.

Mrs. E. A. Landon, who returned some weeks ago from the hospital, where she was receiving treatment for the restoration of her health, since her return home has continued to improve and it is expected she will soon be entirely restored to her former good health.

James Greer, who has for some time been at the hospital in Lincoln, receiving treatment for his health, was able to return home last week, greatly improved and is continuing to show good recuperation. His many friends are pleased to know of his being in better health.

The Greenwood high school basketball team went to Waverly last Tuesday night and played the team of that town, returning to tell that the score was 28 for Waverly to 16 for Greenwood. Now that did not look so good, so the town team went over a couple of nights later and met the Waverly town team, evening up the score by winning from the Waverly boys. The score of this latter game was 27 to 21, so we are told.

Masons Enjoy Chicken Supper
The Masonic lodge and the Order of Eastern Star of Greenwood, which have a considerable number of members residing at Waverly, held a big get-together last Tuesday evening at the Masonic hall that brought out a large number of the members of both organizations from the two towns and surrounding country. A fine chicken supper was served on which there was realized some \$31 to be applied on the interest payment on the property they own.

Leg Some Better
Fred Newsham, who was so severely injured when a splinter from an iron wedge he was using to split wood entered the fleshy portion of his thigh, has been receiving treatment for the same and is feeling much better. The doctor decided it would be best to postpone operating to remove the splinter for the time being.

Why Doctors Favor a Liquid Laxative

A doctor will tell you that the rarest choice of laxatives is in liquid form. The dose of a liquid laxative can be measured. The action can thus be controlled. It forms no habit; you needn't take a "double dose" a day or two later.

Any hospital offers evidence of the harm done by harsh laxatives that drain the system, weaken the bowel muscles, and even affect the liver and kidneys.

Fortunately, the public is fast returning to laxatives in liquid form. The dose of a liquid laxative can be measured. The action can thus be controlled. It forms no habit; you needn't take a "double dose" a day or two later.

Dr. Caldwell's Syrup Pepsin has the average person's bowels regular as clockwork in a few weeks' time. Why not try it? Some pills or tablets may be more convenient to carry. But there is little "convenience" in any cathartic which is taken so frequently, you must carry it with you, wherever you go!

Its very taste tells you Dr. Caldwell's Syrup Pepsin is wholesome. A delightful taste, and delightful action. Safe for expectant mothers, and children. All druggists, ready for use, in big bottles. Member N. R. A.

but mostly good, for it has been so warm that people have thought that spring was here and have started to put their stalks, denuding the fields of resistance to know so that when a storm comes the snow will drift very easily and without snow fences to guard the highways would permit their becoming blocked, especially on the east and west roads. The storm came Saturday and much drifting resulted, but the clearing up of the highways provided some work for the unemployed and so some good came from it after all.

Will Give Play
The young peoples society of the Methodist church, the Epworth League, are at this time preparing a playlet which they are to give some time during the middle of March. The title of the production is "The Path Across the Hills." Keep this production in mind and do not miss the announcement of the date which will be made later.

Young Folks Visit Lincoln
Last Saturday, accompanied by Rev. W. E. Golings, pastor of the Christian church, the members of the Christian Endeavor numbering some forty, went to Lincoln for a tour of the interesting sights of the capital city. They started out at 7:30 in the morning and spent a busy day going from one place of interest to another. Among the different places visited were the capitol building, the museum at the University of Nebraska, the state hospital for the insane and the Burlington engineering department. A fine time was had by all, and they arrived home safe and sound late in the afternoon. The trip was made by auto.

JOHNSON ASSAILS FORCED 30-HOUR WEEK IN INDUSTRY
Washington, Feb. 21.—Hugh S. Johnson, who has asked a lot of questions of other persons during the last few months, answered a few himself today, during the course of which he told a house committee that he thought an arbitrary 30-hour week could not be applied to industry.

He went to the labor committee early in its hearing and sat by while Gerard Swope, president of General Electric, voiced similar views against Chairman Connery's 30-hour work week bill. Both he and Swope took the attitude that hour reduction should come through the more flexible operations of NRA codes.

Johnson told the committee he thought the NRA "a much more flexible and intelligent way" of reaching "a problem of workers' hours because so many circumstances had to be taken into account."

POSTAL CLERKS ELECT OFFICERS
Kearney, Feb. 22.—Nebraska Federation of Postoffice Clerks adjourned late Thursday at a banquet.

Eugene E. Tarr, Gothenburg, was elected president; Wayne Swartz, Fairbury, first vice president; John Hoch, Omaha, second vice president; L. B. Redmond, North Platte, third vice president; L. R. Fitch, Lincoln, secretary-treasurer.

Mrs. Jennie Spethman, Omaha, heads the auxiliary, with Mrs. Tarr as vice president; Mrs. Mary Blair, Fairbury, secretary-treasurer.

Superior was chosen 1935 convention city. Resolutions adopted pertained to pension laws, principally along lines of their security.

CAR CATCHES FIRE
From Friday's Daily
This morning the fire department was called to the C. E. Hartford home on North Third street where the car of Mr. Hartford was found to be on fire but was soon extinguished by the use of chemicals. The fire was caused by the wiring of the car and which was badly burned by the short in the wiring system that had apparently started the fire.

Bryan to Make Race for United States Senator

Governor in Platform Urges Inflation and Payment of the Soldiers' Bonus in New Money.

Lincoln, Feb. 23.—Governor Charles W. Bryan, twice chief executive of Nebraska and brother of the Commander, Friday announced his candidacy for the Democratic nomination for the U. S. Senate to "assist President Roosevelt in restoring prosperity."

Last fall Bryan said the recovery program had turned the farm belt into "a seething mass of unrest" and that the farmer's throat was being "cut from both ends." Friday he announced virtually the same program he espoused last fall.

Like his brother, William Jennings Bryan who campaigned three times for the presidency, Bryan said "The amount of currency in circulation should be materially increased by issuing more money on the abundant gold reserve the government is holding."

Thompson Withdraws.
At the same time in Washington Senator W. H. Thompson, 80, appointed by Bryan to the senate last spring, announced he would not be a candidate. Arthur Mullen, Nebraska's Democratic national committee man, unfriendly with Bryan since the governor refused last year to appoint the late Gilbert M. Hitchcock of Omaha to the senate, said "Everybody has a right to run for office in Nebraska," when informed of Bryan's announcement.

Bryan, who is 67, has been a candidate for office in Nebraska almost continuously since before the world war. He served twice on the Lincoln city council, where he was a sponsor of municipal gasoline and coal stations. He ran for governor eight times.

In 1924 he received the Democratic nomination for vice president. He then was serving his first term as chief state executive.

Favors Paying Bonus.
Along with inflation by increasing currency, Bryan reiterated his belief the soldiers' bonus should be paid "at the earliest possible moment" and advocated its payment with the new money.

"This would distribute money evenly," he said, "and at the bottom where it could bid for the farmers' products and other necessities of life."

Bryan also advocated preserving this nation's markets "for our farmers' products, especially in regard to oils and fats and sugar."

He said he favored all proposed Nebraska power and irrigation projects and that "political lobbying" at Washington should be prohibited.

Backs Norris Plan.
Bryan also endorsed the one-house legislature plan recommended for Nebraska in a campaign opened here Thursday night by Senator George W. Norris.

Asked if Senator Thompson had agreed to retire, Bryan declined to comment. The governor declined to indicate any preference for his successor.

After his declaration of support of Roosevelt and Norris, he said: "For the purpose of restoring prosperity to the farmers as a foundation on which to restore prosperity to all, the amount of currency in circulation should be materially increased by issuing more money on the abundant gold reserve which the government is holding."

New Money.
He said payment of the soldiers' bonus out of the new money "would reduce the ultimate national liability by about three billions."

Senator Thompson said: "It is pleasing to know Governor Bryan will file as a candidate for the senate. He is honest, conscientious and sincere in everything he undertakes."

"As governor of Nebraska for three terms, the state has had the best years of his life without stint or thought of self. He is a splendid executive officer, a good judge of men and measures a leader in progressive ideas, and merits the high position to which he aspires. I certainly wish him success."

HAVE AN EXCELLENT SALE
Rex Young was busy Wednesday in conducting the farm sale of George Privitt, south of Cedar Creek, where their stock and farm materials were being sold preliminary to the removal of the Privitt family to their new farm in northwest Missouri.

The prices were excellent in all lines and one horse brought a top of \$200, with all lines going good.

EXEMPT FROM CODE
Washington.—President Roosevelt in an executive order, gave permission for employment of physically or mentally handicapped workers at less wage than is required in any code. The purpose of the order was to prevent displacement of handicapped persons by other workers.

TO HERD ON RANCH LANDS
Washington.—William I. Myers, governor of the farm credit administration, announced a new policy of allowing federal land banks to make loans on ranch lands which do not support livestock throughout the year but are considered good security.

In appraising ranch lands in the future, he said, valuations will be based primarily on earning power. Where a range unit does not meet all the requirements for a loan but has protection, desirability, stability, and rentability, a loan not exceeding \$7,500 may be made if the applicant has sufficient income in addition to that received from the land in question to assure the payment of fixed costs and living expenses.

GRISWOLD DENIES CHANGE

Omaha.—Dwight Griswold, republican nominee for governor in 1932, denied here Thursday night that he might change his plans and run for congress in the Fifth district instead of making the race for governor again.

"It's still a long time away and I hate long primary battles. It was rumored I would change because Terry Carpenter has decided to run for governor. I would rather run Terry. I have no ambition to get into the congressional race and spend the rest of my life in election campaigns," said Griswold, who is here for the Nebraska Press association convention.

PLANS NEW YORK LOTTERY
New York.—A proposal for a municipal lottery, with the Republic of Panama doing the banking, was the latest wrinkle in budget balancing helps for Gotham. Alderman Jacobs, Manhattan fusionist, proposed the lottery idea to Mayor LaGuardia and is drafting enabling legislation for introduction in the state legislature.

The administration remained silent upon the suggestion, the Alderman Jacobs said he received the impression that Mayor LaGuardia might react favorably.

MRS. MASSIE WINS DIVORCE
Reno, Nev.—The marriage of Thalia Forrester Massie and Lieut. Thomas Hedges Massie, the young naval lieutenant involved in the sensational Honolulu murder trial of 1932 was ended in a speedy Reno divorce trial. Charges of extreme mental cruelty, the particulars of which were given privately by Mrs. Massie behind the locked doors of Judge Currier's court, won her a divorce decree in less than ten minutes.

TAXIS BACK ON JOB
Paris.—After a twenty-two day strike in protest against new gasoline taxes, taxicabs began appearing in Paris streets. Drivers refused the latest government concessions in gasoline prices, but independent taxicabmen decided to ignore the strike. It was estimated that 500 returned to their jobs.

HOPKINS NOT OPPOSED TO OMAHA INVENTORY
Washington, Feb. 21.—Civil Works Administrator Hopkins informed Representative Edward R. Burke Wednesday that he has no objection to a real property inventory in Omaha provided the state director consents.

Thus the work would be a local project, for Omaha was not included in the cities in which the inventory is being made by the government, which decided to include Lincoln instead because of the proximity of adjacent territory in another state to Omaha. A survey of this sort would afford employment for 100 white collar workers for a month.

THEATER EXPLOSION KILLS TWO
Yonkers, N. Y.—An explosion in the cellar of the Proctor theater shortly before noon killed two men and injured twelve persons, several of the latter so seriously they may die. One of the dead is Patrick Whalin, a motorcycle patrolman, who was burned to death attempting to rescue electrical engineers working in the basement. The other is Carl Gruber, one of the electrical workers. No show was on. Either escaping illuminating gas or sewer gas backed up into the cellar by snow and ice blocking sewer vents and mains, was blamed.

MAY ABANDON BASES FOR PHILIPPINE PACT
Washington, Feb. 21.—American abandonment of all military and naval bases in the Philippines is contemplated in the new administration compromise plan to gain Philippine acceptance of the Hawes-Cutting independence law and final settlement of the 36-year-old freedom dispute.

It was learned today that United States capitulation to obligations raised by Filipino leaders against United States' retention of these bases is proposed in the plan now being discussed by cable between Washington and Manila.

2,000 STRIKE AT RACINE
Racine, Wis.—Work was almost at a standstill at five of the largest factories in this industrial center as more than 2,000 laborers and mechanics continued their strikes. There was a slight promise of settlement of difficulties at the Nash Motor company plant. But workers and employers were far apart at the two J. I. Case company plants, the D. B. Eisendrath Tannery and the Oster Clipper company plant.

Meanwhile the Racine county workers' committee, a locally organized group of workmen which demands higher pay and recognition from employers, made a hint of a general strike.

Happy Hundred Dinner Next Wednesday Evening

Will Be Held at the American Legion Building on Wednesday Evening, February 28th.

The Chamber of Commerce Happy Hundred committee have completed the arrangements for holding the "Missouri River Dinner," on next Wednesday, February 28th at the American Legion building, where it is hoped to have some 200 residents of the nearby communities here for the event.

The guests of honor and speakers will include former Governor Arthur J. Weaver, pioneer in the campaign for Missouri river navigation; Captain J. M. Young, of Omaha, district engineer for the government on the river improvement program; George Hodge, Lincoln, state re-employment chairman; A. W. Farney, contractor on the local work and others of the Farney staff.

It is expected to have delegations from Mills county, Iowa, Otoe and Sarpy counties as well as from the nearby communities in Cass county.

This year the price of tickets has been placed at fifty cents in order to allow a large number to attend and the ticket committee composed of Carl Schneider, chairman; Carl Ofe, Glen Woodbury and Dr. L. S. Pucek, will canvass the city in the next few days in the interest of the proposed banquet.

TWO SEEK DENNISON ESTATE
Omaha.—Mrs. Frances Ragan, daughter of Tom Dennison, veteran Omaha political leader, who was buried here Tuesday, and Mrs. Nevada Truman Dennison, who obtained a divorce from Dennison last fall, filed rival petitions for their appointment as administrators of the Dennison estate in county court Wednesday.

Mrs. Dennison, 21, listed herself as the widow and Mrs. Ragan as the daughter, and the two as the heirs at law. Mrs. Ragan, 55, listed herself as the only heir at law and declares there is no real estate in the estate, but there is \$5,000 personal property and no will.

A special administrator will be named Friday morning, said Judge Crawford. Mrs. Dennison's decree was entered last Sept. 27 but does not become final until March 27.

RECEIVE 2,600 PHEASANTS
Falls City.—Distribution of pheasants in Richardson county has begun following the arrival of 2,600 birds. The pheasants are being brought here under the sponsorship of the Richardson County Game Protective association, organized to guarantee co-operation of sportsmen in the county to safeguard the birds.

C. R. Butler, deputy game warden, who was here when the distribution got under way, said if the birds are allowed to propagate freely an open season could be declared in this county within two years. The state fish and game commission furnished the pheasants.

BEATRICE BONDS LOSE OUT
Beatrice.—A proposal to issue \$75,000 worth of bonds with which to partly finance a \$100,000 Beatrice community building was defeated in a special election here Friday, 1277 to 1118.

City Clerk Douthitt said the proposal lost by about 276 votes, and attributed the defeat to the fact that voters do not wish to take on any other obligations. A proposal to issue \$85,000 worth of bonds for water works improvements was defeated by Beatrice voters last fall by a 2 to 1 margin. The proposal in this election was to get about \$200,000 CWA funds to complete the financing for the building.

Visited at Ashland Sunday
Oscar Dowler and family and Mr. and Mrs. Herman Rauth, of Manley, together with Henry Christensen and family, of Weeping Water, were guests for the day last Sunday at the home of Mr. and Mrs. J. P. Farter, former citizens of Manley, who have been making their home in Ashland, where Jack has been the trouble shooter for the telephone company. Jack will be transferred to Weeping Water in the near future.

Manley News Items
Mr. and Mrs. Frank Cook of Alvo were guests at the home of Mr. and Mrs. Will Casey Sunday.
Mrs. Fred Lawrenzen was a visitor with friends in Weeping Water for the afternoon last Tuesday.
W. J. Rau and Adolph Steinkamp, who have both been ill for some time, are now making good progress towards recovery.
Fred Lawrenzen was locking after the lumber yard while Mr. Crane was at Lincoln attending the lumbermen's convention.
August Krevklov, who has been feeling quite poorly for some time, is now some better and is able to be up and about again.
Rudolph Bergmann was a business visitor in both Plattsmouth and Omaha last Monday, driving over in his auto and was accompanied by Eli Keckler.
Herman Dall, Harold and William Otto were in Omaha last Monday, where they were looking after some business matters as well as visiting with friends.
Mrs. Will Casey of Manley motored to Alvo last week and was dinner guest at the home of Mrs. S. C. Boyles and spent two days with Mrs. John Banning of Alvo.
Miss Rachel Fleischman was a visitor for the past week at the home of her uncle, John Fleischman and wife, of Louisville, where she enjoyed a very pleasant time.

Joe Scheehan moved last week to the home of Harold Otto, who recently lost his wife, and Mr. and Mrs. Scheehan will live with him and keep house for Mr. Otto.
Fred Bauer, who suffered injuries a few days ago, was compelled to go to the hospital for treatment. He is now feeling some better and it is hoped he will soon be in his former good health again.
Miss Ruth Hogue, teacher of the Manley schools, on last Thursday afternoon took a number of her students to Weeping Water, where they all attended a motion picture show at the Liberty theatre.
John Crane, manager and proprietor of the Manley Lumber Yard, was spending last Tuesday and Wednesday at Lincoln, where he was attending the convention of the retail lumber dealers of Nebraska.
Fay Keastard, who has been visiting here for some time past, was also a visitor in Omaha over the week end and during the fore part of last week returned to Manley and to the home of David Brann.
William Scheehan, Joseph Macina, George Vogler, Rudy Bergman and Eli Keckler were all in attendance at the sale of Charles Mutz, which was held a short distance south of Weeping Water last Tuesday.
A letter from Claude Breckenfeld, who is operating a retail store for the May Seed and Nursery company, of Shenandoah, at Sioux Falls, South Dakota, states that trade is very good there and he is kept on the hump all the time.
Mrs. Frank Riester, who has been at the hospital in Omaha, where she underwent an operation, was so far recovered that she was able to return home last week and is continuing to show good progress towards recovery.
Mrs. Charles Rau, Jr., who has been at the hospital in Omaha for some time past, where she underwent an operation, came home the latter part of last week. She is making good progress and hopes soon to be able to be about as usual.
George Rau is assisting with the work at the Manley State Bank during the illness of his brother, W. J. Rau, who has been so he could not work, but who is now convalescing quite rapidly after a siege of sickness lasting nearly two months.
Father Patrick Harle, pastor of the St. Patrick Catholic church here, was in Plattsmouth from Sunday until Tuesday, where he was visiting his friend and fellow priest, Father George Agius, and also assisting in the conduct of the Forty Hours devotions at the St. John's church of that place.

Jobless Musicians Are Favored on CWA List
Washington, Feb. 21.—Musicians are in a preferred class for work relief in the remaining CWA drive. Representative Edward R. Burke was told Tuesday in connection with an application he submitted in behalf of the Omaha Musicians association.

The application was sent Mr. Burke by Rangvold Olsen, head of the association. Julius J. Stone, Jr., assistant to the civil works administration, revealed that plans will be announced soon for the relief of musicians. Some type of civil works employment also is being considered for photographers. Mr. Burke learned.
