RUNS BY PETITION

The time for the resignations from the city tickets or filing by petition has now elapsed and the candidates who were selected last week are all standing pat for the positions for which they were nominated.

The only candidate to file by petition has been Walter Brittain, well known resident of the fifth ward, who is making the race for councilman in that ward, having filed his petition signed by a large number of the residents with City Clerk Herman L. Thomas.

The entrance of Mr. Brittain into the race makes a three cornered struggle in that ward. Max Bowman, democrat, Harry Winscott, republican and Mr. Brittain, the petition candidate, which will make the race interesting in the final outcome.
