### Nehawka's Splendid Gift

In the year 1915, two of the enterprising citizens of Nehawka, the Messrs. Stewart J. Rough and James M. Palmer, seeing the need of an adequate meeting place, hit upon the plan of building an auditorium for the town, where all the lodges could have a home and a place to hold their meetings, as well as to accommodate larger crowds at entertainments, etc. The plan was to build the hall with popular subscriptions, the price of each share in the concern being set at \$15. One thousand shares were disposed of, thus realizing the sum of \$15,000, from which the new auditorium was erected, being completed for occupancy and dedicated on May 1, 1915—nineteen years ago.

For a long time this holding company had control of the building and

It was used as a meeting place for almost every assemblage gathered together in the town. During the past few years the building has been leased to the Nehawka American Legion post, but with the termination of the lease, the holding company has turned the building over to the city as a gift, the date of the transfer being April 24, 1934.

This gift will provide the town with a fine meeting place, the building being a credit to towns a great deal larger than Nehawka. The first board of directors was composed of Messrs. Palmer and Rough, originators of the idea and backers of the move to raise the required money for its erection and Frank P. Sheldon, Eugene Nutzman and Raymond C. Pollard. The building has served, and will continue to serve a very useful purpose in the community and stands as a tribute to those who contributed to its erection.

# Mayor George Lushinsky Seated Last Evening

Other Newly Elected Officials Take Oath of Office—No Changes in Appointive Offices.

From Tuesday's Daily  
The city council enjoyed a double header session last evening when the old council that has served for the past year was retired to make way for the new council and the new mayor, George Lushinsky.

There was a full attendance of members when the council was called to order by Mayor John P. Sattler, the session getting right down to business.

City Clerk Thomas filed his report to date and which showed that in April he had collected the sum of \$287.70 which had been turned over to the city treasurer.

Mayor Sattler extended a welcome to Principal R. F. Patterson and several of the high school students who were present to watch the proceedings.

The finance committee reported a resolution designating the Plattsmouth State and the Farmers State bank city depositories and also raising the amount of the guarantee to \$6,000 each.

The finance committee reported that it had been offered a city registered warrant for \$854.70 at a five per cent discount and they recommended that this offer be taken. This was adopted by the council.

City Clerk H. L. Thomas cited a number of small matters in his office which would automatically be carried over into the next council and city clerk, explaining these for the benefit of his successors. Mr. Thomas also thanked the mayor and councilmen for their co-operation.

The claims committee reported favorably on the bid of Joe Libershal for \$25 for a vacant lot in the south part of the city on Pershing avenue, sale being authorized by the council.

Chairman Tipples of the lighting committee reported that the light ordered replaced in the second ward had been put back in service.

In the matter of bonds for the newly elected officials bids were received from S. S. Davis and Duxbury and Davis. These were checked by the finance committee and the recommendation that the offer of Searl S. Davis and the National Security Co. of New York, be accepted and the bonds were accordingly presented.

The resignation of George Lushinsky as councilman from the fourth ward was received and accepted by the council.

Mayor Sattler as the time for the change in the city government drew near gave a short talk on the city conditions. The retiring mayor thanked all of the members of the council for their fine co-operation in every way to aid the city financially in the past two years by practicing the most careful economy. No money had been spent except where absolutely necessary, the councilmen all loyally supporting this economy program. The conditions were now much better than in the past and the way seemed clearer. In the trying years the city had met its bonded obligations and interests and maintained the city credit. In 1933 the taxes had been fourteen or fifteen per cent less than in 1932, which if the city should refund some of its bonds and warrants at a lower rate of interest would permit an additional saving in interest from \$800 to \$1,000 per year. The mayor stated that few were aware of the actual bonded indebtedness of the city, which at this time was \$234,000, that the city had reduced this debt \$16,000 in 1932 and \$15,000 last year. The report of the state auditor showed that in forty-two cities of over 2,000 population there were seven that had lower bonded debt than Plattsmouth and thirty-three that had larger. The per capita tax in this city on the debt was \$58, while at Nebraska City the per capita was \$111, at Omaha \$180 and in McCook \$254. The conditions could be improved by the continuation of the careful program and the funding of the debts of the city at lower interest rates.

Install New Officers.  
Mayor Sattler then asked the newly elected officers to step forward and he administered the oath of office to those selected by the people at the last election. George Lushinsky, mayor; Albert Olson, city clerk; M. D. Brown, city treasurer; Charles L. Graves, police judge; E. A. Webb, Don Selvers, Frank A. Rebal, John E. Schutz and Walter Brittain, councilmen.

Mayor Lushinsky then thanked the retiring city officials for their long and faithful service that should earn them a debt of gratitude for their many sacrifices of time and effort in

the city interest. The new mayor asked the co-operation of the council in all ways and the aid of the citizens at large in making it possible for a better and more prosperous community.

Mayor Lushinsky then named C. D. Palmer as councilman from the fourth ward to fill the vacancy occasioned by the resignation of Mr. Lushinsky and this was confirmed by the council.

Councilman Tipples placed in nomination for the office of president of the council Councilman E. A. Webb of the first ward, whose election was made unanimous.

Standing committees of the new council was announced by the mayor, the first named member serving as the chairman:

Finance—Bestor, Webb, Farley, Judiciary—Farley, Webb, Rebal, Fire and Water—Vroman, Brittain, Selvers.

Claims—Webb, Farley Vroman, License—Schutz, Brittain, Palmer, Streets, Alleys and Bridges—Tipples, Bestor, Palmer.

Police—Selvers, Tipples, Schutz, Lighting—Palmer, Bestor, Rebal, Parks and Improvement—Rebal, Tipples Vroman.

Cemetery—Brittain, Selvers, Schutz.

In the selection of city attorney, the mayor announced that there were three applications received and on motion of Councilman Bestor, a secret ballot was taken and with the result that J. A. Capwell, present city attorney, was re-named.

Mayor Lushinsky then named Dr. L. S. Puelick as city physician for the ensuing year and which was approved unanimously.

For members of the park board, the present members, Wm. Schmidtman, Sr., W. M. Barclay and John Lutz were all re-named and unanimously elected.

Warren A. Tulens was re-named as sexton of the Oak Hill cemetery and received the unanimous vote of the council for this office.

The mayor then presented the names of Joseph Libershal for chief of police, David Pickrel for assistant chief and Roy Stewart for merchants police, these all being unanimously confirmed by the council for a term of one year.

Bids were received from A. L. Tidd and Dwyer & Dwyer for representing the city in handling tax foreclosure cases, these bids being referred to the judiciary committee for their consideration.

Councilman Webb requested that the lighting committee in their coming budget provide for an additional light to be placed in the north part of the first ward where it was badly needed.

The following claims were allowed by the old council before adjournment.

### PLATTSMOUTH TENNIS CLUB IS ORGANIZED

With the coming of spring the men of Plattsmouth who hope to profess a little skill at racquet wielding have started activities.

New improvements are under way with the removal of a great deal of dirt for the filling station now under way on Chicago avenue. The distance from backline to backstop will soon be within two feet of the regulation which is 21 feet.

Fifteen members have been selected to play. If anyone desires to play, names may be submitted to Ray Larson and a committee will pass on the membership. The group now selected is about sufficient for the number of courts available.

The club plans to enter the Lawlor Cup play, sponsored by Lawlor Sporting Goods Co., and the Omaha World-Herald. This play will consist of two singles and one doubles match. The play will be on team elimination basis. Teams that will probably be in the southeast Nebraska district are Beatrice, Falls City, Nebraska City, Auburn and perhaps Peru. Some matches may be played here.

At the present time a ladder tournament is in progress, a player progressing by defeating the man above him on the ladder, thus changing the rank according to ability.

The starting ranks are as follows:

No. 2—Goolsby.  
No. 3—W. R. Willis.

### MRS. JOHN CONKLIN

Mrs. John Conklin was born in the east 88 years ago and made her home in Nebraska for more than half a century. The husband died some twenty-five years ago and Grandma Conklin had been making her home with her children and recently with a daughter at Blair.

During her life she had always been rugged in health, but during the past few years with advancing age her health had been rather delicate. On last Monday she passed away at her home at Blair. The funeral and interment was held last Wednesday.

Mrs. Louis Allguyer, Jr., the granddaughter and husband were over to Blair to attend the funeral of this pioneer who has seen so much of the history of Nebraska and did so much toward the upbuilding of the state and the community in which she lived so long. Besides the children and grandchildren of this excellent woman he leaves to mourn her departure 29 great grandchildren.

Funeral services will be held at 10 o'clock Saturday morning at the Blair funeral home.

### RIVER-VIEW CLUB

The River-View Club held their regular meeting on Tuesday at the home of Mrs. Will Hike, with most of the members present. The day was spent in social entertainment prepared by our hostess.

During the meeting our faithful leaders, Mrs. Creamer and Mrs. Gayer were presented a token of appreciation for their years of work as extension leaders.

Dainty refreshments were served at the close of the meeting.

Our next meeting will be held May 15th at the home of Mrs. Henry Kuhns. At this time we will hold our Mother's day program. Each member is requested to bring a picture of her mother and a baby picture of herself. REPORTER.
