## SIX KILLED IN A COLLISION

Akron, O.—Six persons were killed at the Springfield road crossing of the Erie railroad in Bartertown when a westbound passenger train struck a small sedan. The wreckage of the automobile was carried more than half a mile beyond the crossing before the train stopped. The six were: Mr. and Mrs. Charles Alexander, Mr. and Mrs. William O. Maske, and Mr. and Mrs. John Kuzelin, all of Akron.

Bartertown police who arrived a few minutes after the crash said all were found dead, but Alexander, who died as he was being taken to a hospital. Police were unable to find witnesses to the accident. There are not gates at the crossing, but the flasher lights were working, police said, and a clear view can be had for half a mile both ways on the track.

If the average adult American intelligence is that of a 12-year-old child, will the savants kindly inform us what the average intelligence of 12-year-old American children is?

## HAS TONSILS REMOVED

From Monday's Daily  
Robert Hall of this city was taken to Omaha today where he will enter a hospital to undergo an operation for the removal of his tonsils. Robert has been a sufferer for some time from his tonsils and on the advice of his physicians will have them removed.

Lloyd Offutt, of Parkville, Missouri, and J. A. Offutt of Leavenworth, Kansas, who were week end visitors at the home of Mr. and Mrs. John T. Offutt and daughter, have returned to their homes.

Showing the educational value of the radio: When Deems Taylor is sued for divorce, most people identify him as master of ceremonies on a cheese hour.

Distant pastures always look greenest. That's why many people send their money away to purchase goods. Another reason is that local merchants fail to keep them informed on what they have to offer.

## ASKS FOR DIVORCE

An action has been filed in the district court by Ella A. Lum against Monte H. Lum, asking that the plaintiff be granted a decree of divorce on the ground of cruelty. The petition states that the parties are residents of Avoca and that they were married on November 2, 1921 at Pawnee City. Charles E. Martin of this city appears as the attorney for the plaintiff in the action.

## HAS ARM BROKEN

Arthur Toman, residing near Myrard, was brought in Sunday morning to have his right arm set. The young man was working around the barn at the Toman farm and fell from the loft some distance to the floor of the barn and struck the right arm in such a manner as to cause a fracture of the member.

## HOLD DISTRICT COURT

From Wednesday's Daily  
Judge D. W. Livingston of Nebraska City was here today to hold a session of the district court, taking up a number of equity cases. Judge Livingston will hold court here today, Thursday and Friday.

The Detroit News has always sort of held it in his favor that in the photograph in which he was being necked by a prosecutor, Dillinger was the one who seemed embarrassed.

The body was laid to rest in Oak Hill cemetery.

## Garden Club Has Interesting Meeting Tuesday

Complete Plans for Flower Show to Be Held Friday and Saturday—Reports of Pilgrimages.

From Wednesday's Daily  
The members of the Plattsmouth Garden club met last evening at the auditorium of the Central school building to enjoy an unusually interesting session and the discussion of their plans for the future.

The evening was opened by musical selections by Miss Lois Bestor and Miss Anna Margaret McCarty, both enjoyed to the utmost by the large number in attendance.

One of the interesting features of the evening was the reports given on the pilgrimage to the Sass Iris farm near Omaha, one of the largest establishments of its kind in the west, as well as the Iris show at Lincoln which was held the latter part of the week. The reports were made by Attorney A. L. Tidd, County Commissioner J. A. Pitz, Mrs. J. E. Wiles, Miss Julia Svoboda, Mrs. Fritz Fricke, Mrs. George L. Farley, Mrs. Lillian Freeman and Mrs. L. L. Wiles.

The members of the meeting were provided with cards on which they were requested to write suggestions that they might have for program features and which will be used in the preparation of the future programs of the club. There were many very fine suggestions offered.

The club enjoyed the showing of slides showing the proper arrangement of flowers which were provided by the Better Homes and Gardens magazine and which provided a treat of real beauty and charm and showing the best arrangement of floral displays for the greatest advantage. The slides were shown by O. C. Hudson and the lecture by Roy Olson.

The final plans for the Plattsmouth Flower show on Friday and Saturday were presented and showing the interest that had been taken in the show in all parts of the county and the number of entries that would be made in the several classes of flowers.

## V-8'S WIN OPENING GAME

From Tuesday's Daily  
The first game of the kittenball season was staged last evening when the Ford V-8's proceeded to trounce the Norfolk Packing plant team by the score of 27 to 7.

The Ford's early in the game started to batter the Packers and which with errors served to give the automobile boys a lead that was never seriously threatened.

Roy Turner was the hurler for the Ford's and pitched a nice game of ball as did Nelson, who was sent to the mound for the Packers in the second inning.

The second game will be held this evening and will be between the Eagles and the Orphans and promises to be a real scrap as both teams have some fast and hard hitting players.

## ATTEND FUNERAL SERVICES

Sunday afternoon Mayor George Lushinsky, John Lutz and Fred G. Morgan, all veteran employees of the Burlington, motored to Havelock to attend the funeral of the late W. F. Ackerman, former superintendent of the Havelock shops. Mr. and Mrs. William Baird were also at Havelock for the services, being old friends of Mr. Ackerman. The funeral was one of the largest that has been held in Havelock and attended by many of the leading officials of the Burlington from Omaha and Lincoln.
