## Memorial Day Observed in City on Wednesday

Decoration of Graves in Forenoon and Patriotic Program in Afternoon at Legion Bldg.

Memorial day was observed in Plattsmouth on Wednesday with the usual ceremonies to pay tribute to those who had served their country in the past in the army and navy and now are at rest.

The weather conditions made the day one of the most intense heat and detracted from the beauty of the usually attractive Oak Hill cemetery and the ceremonies there in the morning were carried out in the most intense heat.

The morning ceremonies comprised the decorating of the graves by the W. R. C. and other organizations as well as the salute given in honor of the hero dead by the firing squad from the 17th Infantry at Fort Crook.

The afternoon program held at the American Legion building drew out a very pleasing crowd despite the fact that the afternoon was so warm that it made it very discomforting.

The meeting was presided over by L. S. Devoe, superintendent of the city schools, who introduced the various persons appearing on the program.

The assembly call to open the meeting was given by Scout Burton Rishel, member of the bugle corps and was followed by the audience, led by Miss Mildred Hall, joining in the "Star Spangled Banner."

The pledge of alliance to the flag was given by Scout James Webb, who was followed by the audience in tribute to the flag of their country.

The invocation was offered by Canon W. J. H. Peter, rector of the St. Luke's Episcopal church.

The roll call of the veteran dead was given by Mrs. J. H. McMaken for the civil war and Spanish-American war veterans, one striking feature being the civil war list of the living veterans disclosed that but one, Abram Shellenbarger, survived, and who was present to take part in the services.

The roll call of the world war dead, growing larger year by year, was given by Jude A. H. Duxbury of the Hugh J. Kearns post of the American Legion.

## Mayor Praises Flower Day for The 'Shut-Ins'

National Movement Participated in Locally With Henry Jasper as Chairman.

Mayor George Lushinsky has accepted the appointment as honorary chairman of the local Flower Shut-In Day movement, which will take place here June 10, as a part of the nationwide observance of the second annual National Shut-In Day.

That the mayor had endorsed this worthy movement and consented to further it in every way announced today Henry Jasper, local chairman.

On National Flower Shut-In Day, he explained, the florists of America, under the leadership of the Florists' Telegraph Delivery Association, endeavor to deliver flowers to every permanent shut-in it is possible to reach. It is an entirely altruistic movement and no florist identified with it will sell flowers that are intended for shut-ins on June 10th.

"I hope that every citizen in this city will get behind the movement," said the mayor, in his first Flower Shut-In Day statement. "It is a glorious task to deliver flowers to those unfortunates who otherwise would not be able to enjoy the sunshine and fragrance of early June."

"The florists, of course, need the help of the public. I urge you to bring to them the names and addresses of all permanent shut-ins you know, so that none will be overlooked on this great day."

The names and addresses, Mr. Jasper explained, can be brought direct to the headquarters of the Shut-In Day committee or by calling phone 24, to the establishment of any florist displaying the mercury emblem of the Florists' Telegraph Delivery Association.

## Grashoppers May Add to Menace of Drouth

Thousands of Grashoppers Here in the Last Two Days and Causes Apprehension.

Wednesday night there swept over the city a vast swarm of grashoppers, they being apparently of the variety that has caused so much damage in past years in South Dakota and northern Nebraska.

While an increasing number of the hoppers has been noticed for several days, the swarm that visited this city last night was so numerous that they attracted immediate attention.

In the business section of the city the front of various places of business were covered with the grashoppers and this morning hundreds were to be found along the walks and on the streets.

The grashoppers are not the yellow winged type usually found here but have a pink like wing and these familiar with the plague of hoppers in other sections pronounce them of the crop eating variety.

This causes much apprehension as to the possibility of a general invasion of these pests to add to the months of dry weather and the intense heat that has menaced the crops in this most fertile section of the state.

## Bryan Advises Washington of Drouth Needs

Says Production Cut Far Beyond Amount Intended—Wants Restrictions Removed.

Governor Bryan has asked that all federal restrictions on planting of lands be removed by the federal government and is asking that all counties in the state be designated as drouth area, only fifteen up to date having been so designated by the government. The total of \$829,104 allotted to the state for relief, of which only \$276,000 is for drouth relief he says will serve a splendid purpose but the amount for drouth will only serve temporarily.

The request of middle states governors for a cut in freight rates on feed from the west Bryan said ought to be considered a compliment to Nebraska. "But it does not add to our surplus," he said, "as we may have none for our own livestock unless we get continuous rains."

"The intention of the government," said Bryan, "to reduce production is not only being complied with, but the limited amount of rain has made a reduction far beyond the amount the government intended, and I feel that I should publicly advise the government that any one who has land should be allowed to use it to produce food stuffs for human beings and livestock to prevent threatened shortage, not only for next winter but a shortage that is now upon us and that all restrictions should be removed."

"Continued drouth brings many requests for leave to plant forage crops on contracted areas and also on wheat land now plowed up and on land where new sweet clover and oats have not come up."

"I advise all such inquiries where there is a county agent to take up this matter with him, and where there is no county agent to deal directly with W. H. Brokaw, federal representative of agriculture. I have taken up the matter with both federal and state authorities in Nebraska and in Washington."

### HOLD MEETING

## Wedding of Two Popular Young People Friday

Miss Lucile Albert and Chester L. Wiles, Members of Prominent Families, Are Wedded.

The first of the June weddings was that of Miss E. Lucile Albert and Chester Linville Wiles, solemnized Friday evening at 8 o'clock, at the hospitable home of the bride's parents, Mr. and Mrs. Henry Albert near Cedar Creek.

Promptly at the appointed hour Miss Margaret Engelkemeier, cousin of the bride sang, "Oh, Promise Me," and "I Love You Truly," accompanied by Mrs. Doris Tilson. As Mrs. Tilson sounded the strains of Lohengren's wedding march, the bridal party slowly entered the tastefully decorated parlor, the party being preceded by Rev. Lentz followed by little Betty Ann Albert, sister of the bride, as ring bearer, dressed in blue crepe de chine, carrying a rose taffeta pillow upon which the wedding ring was concealed in a beautiful rose.

She was followed by the bridesmaid, Miss Alice Barbara Wiles, sister of the groom, attired in pale yellow organza over yellow silk and carrying a bouquet of yellow roses, marching with her was the best man, Harold Albert, cousin of the bride.

Last came the bridal couple. The bride was charming in a white chiffon over white silk, with tight-fitting bodice and with fullness falling below the hips and a becoming jacket. She wore a veil and carried brides' roses. The groom and his best man were attired in dark suits.

In front of a latticed background and a bower of asparagus, ferns and pink and white roses, and huge baskets of red roses on either side, the wedding ceremony was solemnized, after which the bride and groom were showered with the most hearty congratulations.

Following the ceremony, an informal reception was held, the guests being seated at card tables placed at intervals on the electrically lighted lawn and spacious porch. The bridal party together with the parents of the contracting parties occupied tables on the porch. The card table covers were of white crepe paper with a pink rose-bud design, and napkins to match. The white frosted individual cakes and white molded ice cream in the form of a dove were served together with coffee.

The bride's cake was a three-tier angel food with decorations of white frosting and tiny candy doves on the top of which rested a beautiful wedding bell.

Those assisting in serving were: The Misses Lovisa Albert, Margaret Engelkemeier, Helen Albert, Mary Wagner, Marie Speck, Norina Engelkemeier and Mrs. August Stohman.

The bride is one of Cass county's most popular young ladies, and her sunny disposition has endeared her to a large circle of friends. The groom is the only son of Mr. and Mrs. C. L. Wiles, west of Plattsmouth, and has been engaged in farming.

Both bride and groom are well and favorably known in this community, where they have resided since childhood. Both are graduates of Plattsmouth high school in 1931, and the bride has taught in the county schools since her graduation. Upon their return from their honeymoon trip, they will go to housekeeping in their new home on the Wiles farm near Mynard.

Mr. and Mrs. Chester Wiles were the recipients of many beautiful and useful gifts.

The Journal joins with their many friends in extending congratulations and hearty wishes for their future happiness.
