

HONOR BOY SCOUT

The watch that was offered by J. W. Crabill of this city to the most outstanding Boy Scout in the past year, has been awarded by a committee of Judges, familiar with Scout work to John Merritt Rishel, one of the patrol leaders of the local troop.

HAS A BUSY DAY

County Attorney W. G. Kieck had a very busy day Wednesday as he was the chief speaker at two of the memorial services held in the county. In the morning Mr. Kieck spoke at the exercises held at the cemetery at Elmwood under the auspices of the American Legion. In the afternoon he was the speaker at the exercises held at River View cemetery at Louisville.

ATTEND GRADUATION

Mr. and Mrs. J. Howard Davis departed this morning for Lincoln where they are to enjoy the graduating exercises of Wesleyan university, a brother of Mrs. Davis being one of the class. Mr. and Mrs. Davis will enjoy a short visit at the university where they both attended school several years ago and expect to meet many of the old friends who are there for the commencement exercises.

Superintendent Urges a Fitting Use of Vacation

Head of City School System Suggests Plan for the Best Use of Spare Time.

School is over. Just what does that mean to the parents? What does it mean to the child? The citizens of this country established public schools because they felt that this institution could take care of certain phases of the education of the child better than the individual home could do.

The only way you can protect the money you have invested in your automobile is by adequate insurance. Today is the best time to check up on your policy.

Returns from the Presbyterian Gen. Assembly

R. Foster Patterson, Lay Representative of First Presbyterian Church Will Present Report.

R. Foster Patterson, lay representative of the First Presbyterian church of this city, returned this morning from Cleveland, Ohio, where he has been in attendance at the general assembly of the Presbyterian church of the United States.

One of the important matters was the move to unite with the United church of the faith and whose joining will add to the strength of the church. On his return trip Mr. Patterson stopped at Chicago for a short visit with his brother in that city and to look in on the Century of Progress fair for a short time before resuming his journey homeward.

Mr. Patterson will give his report of the proceedings of the general assembly at the morning service hour at the First Presbyterian church, and which will be heard with much interest as given by this able and alert representative.

Plattsmouth Young Man Wed in Omaha

Thomas L. Linhart United in Marriage to Miss Helen Owiertina Decoration Day.

The marriage of one of the well known young men of this city, Thomas L. Linhart, to Miss Helen Owiertina of La Platte, occurred at Omaha on memorial day.

The wedding occurred on Wednesday morning at 10 o'clock at the St. Francis Catholic church, of which the bride is a communicant and following the nuptial mass at the church the bridal party was entertained at the home of a sister of the bride at a reception.

The wedding gown of the bride was of white satin with flowing veil and she carried an arm bouquet of Ophelia roses.

The reception and dance at the home of Mr. and Mrs. Szetna was largely attended by the friends from Omaha, La Platte and Plattsmouth who had been invited to join in the pleasant event honoring the young people.

After a short honeymoon the young people will reside for a short time at La Platte where the parents of the bride make their home, later expecting to locate in this city. The groom has made his home here for several years and is now employed at the shops of the B.R.E.W.

ARE YOU A SAFE DRIVER

Summer isn't far away when the streets and highways of the nation will be crowded with traffic. Fine dry weather will bring out thousands of motorists—and roads will resound again to the roar of motors.

Now is the time to ask yourself if you are a safe driver—and don't answer too hurriedly. You can give yourself a little quiz that will help. Are you thoroughly conversant with the driving laws of your state? Do you adapt the speed at which you drive, to local conditions—in other words, are you aware that 20 miles an hour is dangerously fast at times, and slow at others? Do you stick to your side of the road, and make certain that you can stop, under any circumstances, in the assured clear distance ahead? Are you careful not to pass on hills and curves?

Other questions of that kind will suggest themselves to you. But even if such a test, honestly answered, puts you in the safe driving status, you aren't through. How about your car? When were the tires, the brakes, the steering, the lights, last inspected by a good mechanic? A substantial percentage of motorists put off repairs till tomorrow—and sometimes that tomorrow never comes.

Last year was one of the worst in the history of the automobile so far as needless sacrifice of life and property was concerned. Every motorist should give himself a safe driving test now—and if he is uncertain as to how to do it, traffic departments and safety organizations exist to help him. Bring accidents down in 1934!

LOWELL S. DEVOE, Superintendent.

COZY CORNER CLUB

The first meeting of the Girls room club was held at the home of the leader, Gwen Stites at Union on Monday, May 28th at two o'clock. The members are June Armstrong, Ada Armstrong, Ruth Morris, Etta-mae Newton, Mary Emma McCarthy, Florence McCarthy, and Jane Christensen. The assistant leader is Mrs. Stites.

The following officers were elected: President, Ada Armstrong; vice-president Ruth Morris; secretary, June Armstrong; News reporter, Florence McCarthy. The members selected Cozy Corner as the name of the club.

Next meeting the members will answer roll call by telling the color schemes for their room.

All the meetings will be held at the home of the leader, Gwen Stites. The next meeting will be held Tuesday, June 6.

VISIT HERE MEMORIAL DAY

Mr. and Mrs. Harry Royal, Mr. and Mrs. Harry Graves and Mr. and Mrs. Mike Derleg, all of Lincoln, were here Wednesday for a few hours visiting the Oak Hill cemetery where members of the Royal family are buried. Later with Judge C. L. Graves, the party visited the cemetery at Union and Mr. and Mrs. Harry Graves at Ashland where relatives are buried.

SAVES WOMAN AT LOUISVILLE

Mrs. E. Schultz of Omaha, swimming in one of the Louisville lakes, narrowly escaped drowning Wednesday afternoon when she swam out into the deep art of the lake and becoming frightened started to sink. Bruce Knott, 14, of Lincoln, student in the Lincoln junior high school, who was swimming in the lake a short distance away, rescued the woman and assisted her to the shore.

MYNARD COMMUNITY CLUB

The meeting of the Mynard community club will be held on Thursday evening, June 7th at 8 o'clock instead of Friday as first announced. All members are urged to note the change of date.

Prepare to Release Sealed Corn to Feed

Corn Storage Inspectors May Be Ready to Act in Drouth Relief by Monday.

Nebraska's corn storage inspectors stand ready to help farmers all over the state get part of their corn out from under government seal.

Notice of permission for the removal of part of the corn from a government sealed bin, upon payment of the forty-five cents a bushel loan and accrual charges, was received from the Commodity Credit corporation.

J. F. Miller, secretary of the state railway commission, said that the 250 inspectors who sealed up the corn were still under oath and ready to work as soon as any job is put before them.

The necessary papers for the unsealing has been dispatched from Washington and probably will arrive by Saturday, Miller said, so that the sealers can handle any applications by Monday.

Previously, it was necessary to pay the loan and interest charges on an entire bin of corn before any of it could be taken out from seal. The concession of partial removal was made by the Commodity Credit corporation as a drouth relief measure.

Removal of the corn must be supervised by the inspector who will see that payment of the proportional amount due has been made and that enough corn remains in the bin to cover remaining charges, on the basis of two and one-half cubic feet of corn per bushel.

What charges the inspectors may make, Miller said, will be determined either by the corporation or by the commission.

HOLDING YEAR-END PICNIC AT JANDA FARM

The pupils of St. John's parochial school are today enjoying the year-end picnic in the shady grove at the Janda farm just west of town. The majority of the children were taken out around 10 o'clock this morning, and a fine picnic dinner was spread on tables during the noon hour. An abundance of ice cream, one of the keen delights of all picnickers of that age, has been provided as well as cold drinks and other delicacies. A considerable number of the mothers are also in attendance having gone out to help arrange the dinner and enjoy the occasion with the children.

Today's picnic brings to a close the parochial school year, which usually lasts nearly a week longer than the public school year, to make up for certain religious vacation days not observed in the public schools, thus equalizing the length of the school year on 36 weeks of active school duties.

ATTEND STATE CONVENTION

Mrs. E. H. Wescott and Mrs. Elbert Wiles, president of Chapter F of this city, departed Wednesday for Wayne, Nebraska. They will attend the state convention of the P. E. O. society which is opening its annual session there and will continue for several days this week.

Former Teacher Here Minnesota State Nutritionist

Miss Dorothy Stander, Former Head of Local Home Economics Department Visits Louisville.

Miss Dorothy Stander, of St. Paul, Minnesota, who arrived for the Stander union the first of the week, is state nutritionist for Minnesota and is working under the government relief bureau. Minnesota is divided into four territories each under a state nutritionist.

All families in Minnesota who obtain relief from the state or government do so according to a budget which has been made up to cover all cases.

Miss Stander meets with the county chairmen, often with county commissioners and even with grocers who sell supplies to the workers. They provide families with milk, cheese, cereals, vegetables, fruits, fats, sweets and meat.

Milk and cheese are at the head of the list and include 25 per cent of the food supplies; cereals, including beans, peas, rice and macaroni, occupy 20 per cent; vegetables and fruits take up 20 per cent; fats and sweets from 15 to 20 per cent and meats only 10 per cent.

Miss Stander is well qualified to do this work by natural ability and past experience and she finds it interesting and in many ways a pleasing work to know that so many needy people are being aided and instructed in the values of different food supplies.—Louisville Courier.

ATTEND ALUMNI BANQUET

The annual banquet of the alumni of the Elmwood high school was held on Tuesday evening when a large group of the former students were "back home" for the event and to renew the ties of old school days. County Treasurer John E. Turner, an old grad of Elmwood, was the toastmaster of the occasion and had many clever stories on his old classmates.

Remarks were given by Attorney Guy L. Clements, William L. Atchison, Mrs. Marjorie Stark Miller of Lincoln and Cecil Stark. Miss Marjorie Horton made the response for the class of 1934. Mr. and Mrs. B. A. Rosencrans and Mrs. W. C. Soenichsen of this city were in attendance.
