REGISTER of DEEDS

Not affiliated with any group or clique—no political promises. Is a graduate of good business college, has first grade teacher's certificate, two years' banking experience, three as school teacher. Seven years secretary and treasurer in wholesale house—life-long business experience. Accommodating, qualified and the right man for the office. Paid taxes to county treasurer 45 years, but never drew any out.

CHARGED WITH POSSESSION

Deputy Sheriff Tom Walling was called to the vicinity of Cedar Creek on Saturday evening by the report that a party was busily engaged in the sale of intoxicating beverages at a dance being given in that section of the county despite the protests of the dance management and others. The deputy sheriff arrested Jeff Penton, a resident of that section. There was some thirteen pints of moonshine whiskey as well as forty quarts of that once famous beverage—home brew.

This morning the case came on for hearing and the defendant was given a fine of \$100 and costs for the offense.

CARD OF THANKS

We wish to thank those who were so kind to us in our recent bereavement in the death of our loved sister. These acts of the neighbors and friends will be long very pleasantly remembered. Also we wish to thank those taking part in the funeral service.—The sisters and brothers of Margaret Kennedy.

UNDERGOES OPERATION

Mrs. Joseph Vanek, residing on Lincoln avenue, was taken to Omaha Sunday where she was operated on for a severe case of hernia. Mrs. Vanek has stood the operation nicely and it is hoped that she may soon be on the highway to recovery and to return to her home here.
