The funeral of Mrs. Thomas will be held at Malvern, Iowa, the old home of the family.

**VERY HAPPY OCCASION**

From Saturday's Daily  
The home of Mr. and Mrs. George Mumm was made very happy yesterday by the arrival of a fine little daughter, who has brought a great deal of pleasure to the parents and little sister as well as the other relatives. The mother and little one are doing very nicely. Mrs. Mumm was formerly Miss Nettie Spangler of near this city.

**Mrs. Charles Chriswiser Seriously Injured**

**Dangerous and Perhaps Fatal Injuries Suffered in Auto Wreck—Fred Emshoff Also Badly Hurt.**

Mrs. Charles Chriswiser of Nehawka received a triple fracture of the left arm and Fred Emshoff, residing south of Avoca in Otoe county, possible internal injuries Friday afternoon in an accident near Avoca.

The accident occurred on Friday afternoon at 1:30 when Mrs. Chriswiser with her son and daughter-in-law, Mr. and Mrs. Carl Chriswiser of this city, were returning home from a business trip at Nehawka. The car of Mr. Emshoff suddenly came over a hill in front of the Chriswiser car and Carl Chriswiser drove his car toward a ditch on the right hand side of the road to avoid the accident but the Emshoff car came on toward the Chriswiser car. Mrs. Chriswiser had her left arm partially out of the half opened window of the coupe and as the two cars came together her arm was caught and badly crushed. A great deal of damage was done to both cars.

Mrs. Chriswiser was found to be in serious condition, altho the others of the party were comparatively uninjured. The arm was so badly injured that a part of the bone of the forearm was found lying in the Emshoff car while the impact of the two cars severed a vein in the arm and caused a great deal of blood loss. The flow of blood was stopped by a torque prepared by Mrs. Carl Chriswiser as Mr. Chriswiser frantically sought help for the mother.

Mr. Emshoff came to the Chriswiser car to inquire as to the injured and seemed in a dazed condition, later as he started away, falling to the road.

Mr. Emshoff was later taken to the St. Mary's hospital at Nebraska City where his condition is described as very serious.

A passing car stopped and offered to take Mrs. Chriswiser on to Nehawka and as they started away at a good rate of speed to reach help, their car skidded over a fifteen foot embankment, but fortunately without injuring anyone.

The injured lady was given aid by a doctor at Nehawka and later was taken on to Omaha and placed in the Methodist hospital for treatment and care.

The injury to the arm is such that it seems impossible to save the member but the condition of the patient, suffering from a heart attack as well as the loss of blood, made the operation impossible Friday night.

Mrs. Chriswiser is in very serious condition and members of the family are at her bedside at the hospital while the condition of Mr. Emshoff is also reported as most serious.

**RETURN FROM THE WEST**

Friday afternoon Henry J. Donat and niece, Miss Mary Jane Mark Leland Shanholtz, returned home from a trip of several weeks in the west. They were accompanied by Miss Norma Curtis, who will resume her school work here in the fall. The party made an extended stay at Portland, Oregon, at the home of Mrs. Curtis and enjoyed the many points of interest in the north Pacific coast country. They made the return journey by way of Salt Lake City and Denver, stopping in the latter city for a visit with relatives and friends and taking in the many points of interest in that section of the west.

While visiting near Denver the party had a real thrill in a narrow escape in the cloudburst that swept over Bear Creek canyon. They were driving along the scenic road in the canyon when the storm was raging and escaped only with the greatest difficulty from the scene where several lost their lives. They had driven their car fast to escape the storm and the rising waters of the Bear Creek, crossing the bridge over the creek just a few moments before the bridge was carried away and trapped several caught in the canyon level.

**RETURN FROM OUTING**

Dr. and Mrs. H. G. McClusky, who have spent the past three weeks at Inlet, New York, at the summer camp of George McClusky, brother of Dr. McClusky, returned home Friday afternoon. They had a fine time and on the way stopped for a visit at the Century of Progress exposition. They also stopped for a visit at Lodi, Wisconsin, with the Harry Lindsay family. They report Miss Ruth Lindsay, former teacher here as doing nicely and restored to her former good health.

**SUFFERS ACCIDENT**

E. H. Bernhardt of the Norfolk Packing Co., received a message this morning that Mrs. Bernhardt had been in an auto accident in the vicinity of Central City. The message did not give the nature or the seriousness of the accident that had befallen Mrs. Bernhardt, who was returning home from Grand Island where she had been visiting relatives.

Mr. Bernhardt departed at once after the receipt of the message for Central City to be with the wife.

**RETURNS FROM HOSPITAL**

Clerk of the District Court C. E. Ledgway, returned home Thursday afternoon from an Omaha hospital where he has been for a ten day period recovering from the effects of being overheated. The genial clerk has been kept in bed the greater part of the time and feels much improved both through the course of treatment and the rest that he has had. It is hoped that he may be able to resume his usual activities in a short time.

**SUFFERS INJURED WRIST**

Mrs. Nettie Brittain, engaged at the Hotel Riley, was severely injured Friday afternoon while at her work at the hotel. Mrs. Brittain was in the laundry room of the hotel and reached into a wooden box used for soap and in so doing struck her wrist against a large nail that was protruding from the side of the box. The nail penetrated the wrist and struck one of the veins, causing a profuse flow of blood that was difficult to check. The injured lady was hurried to the office of Dr. T. P. Livingston where the wound was dressed and the patient made as comfortable as possible.

**INTEREST IN MEETINGS**

From Saturday's Daily  
There was a very substantial increase in the attendance at the tabernacle meeting last night. Rev. Bert Randall from Nebraska City brought the message on "Foundations." The male quartet from Nebraska City sang two special numbers.

Rev. G. H. Rickard from Louisville speaks tonight. It is probable that the message Sunday afternoon will be on holiness. Quite a number expect to be in attendance from Louisville, Nebraska City and Omaha.

**GRADUALLY GROWING WEAKER**

The reports from Winner, South Dakota, are to the effect that Fred Kunsman, aged resident of this city, is gradually growing weaker and his passing seems but the matter of a very short time. Mr. Kunsman is at the home of his daughter, Mrs. Guy Miller and family, spending the past few months there as his health has been very poorly.

**Charles W. Bryan**  
Democratic Candidate for U. S. Senator

Under the leadership of Governor Bryan, progressive legislation has come to Nebraska to reinforce the great leadership of President Roosevelt. The record shows Governor Bryan to be a progressive and a sincere friend of the common people of the great state of Nebraska!

**WHAT MORE CAN BE ASKED**

Under his leadership the following measures have been enacted into law and are today of service to Nebraskans:

- A Farm Moratorium has been Provided
- A State Board of Conciliation has been Provided
- The Legal Rate of Interest has been Reduced
- Automobile Licenses have been Reduced More than Half
- All Taxes for All Purposes have been Reduced 38.9% and the Budget is BALANCED
- There is No Deficit in Any Department of State Government
- Our Wonderful Road System is Entirely Paid For.

This record alone is one that warrants the confidence of the people of Nebraska in a fearless leader—a man who has ideas and is not afraid to fight for them at any time.

Charles W. Bryan is no rubber stamp for any attorney or corporate interest. He will make a splendid Senator.

ONE of the opponents of Governor Bryan for the Senatorship has claimed to have the fullest confidence of the administration. In an address at Albion, Nebraska, William Ritchie, of Omaha, exploded this claim of 100 per cent support of Roosevelt policies, in the following:

"When the New York stock exchange and the crooked bankers of New York were being investigated by Mr. Pecora, that ruthless investigator whom Mr. Roosevelt has recently appointed to high place in the government, when the disclosures were being made which showed the people the necessity for the great reform measures which Mr. Roosevelt has succeeded in passing through Congress, E. R. Burke, the congressman from the Second district of Nebraska, publicly stated that such an investigation was a disgrace and should be stopped. Is this being heart and soul for the new deal? When the stock exchange bill was up for passage before Congress, Mr. Burke, Mr. Mullen's candidate for senator, went to New York and was not in the halls of Congress to vote for the passage of this measure which is the keystone of the great new deal which President Roosevelt hopes to give to the nation. In addition to this, when the great agricultural bills were up for the consideration of Congress, Mr. Burke was in Lincoln, acting as a paid lobbyist before the Nebraska state legislature instead of being in the halls of Congress to assist the President at the most critical period of the nation's history. Is this being heart and soul back of the President?"

Nebraska needs a man whom Nebraskans know has the best interests of the state at hand—a man who has had experience in the needs of the state. Surely a man who has been Governor of Nebraska for three terms, realizes fully the needs of the state. Vote Tuesday—and—
