Mr. and Mrs. K. G. White, of Louisville, were guests for the day last Sunday at the home of Mr. and Mrs. Fred Marquardt, the two ladies being sisters.

Mrs. Jacob Opp, of Omaha, accompanied by her daughter, Miss Stella, were in Avoca for a short time last Saturday, coming to look after business matters and as well visiting with their friends while here.

W. H. Bogard and wife, with their son, Clyde, drove over to the state farm south of Union last Sunday, the day being a very fine one for such a trip. They also stopped in Union for a short visit with friends.

Miss Dorothy Gollner, who is attending a Lincoln business college, Misses Wilma Stutt and Beatrice Johnson, who are enrolled at the University of Nebraska there, were home for a visit with their parents over the week end.

M. H. Lum, manager of the Avoca lumber yard was a visitor for the day last Sunday at Verdon, where he was formerly engaged in the lumber business and has many friends and is more or less interested in the financial welfare of the town at the present time.

Mr. and Mrs. Reese Hutchings and son, of Arriba, Colorado, were here a number of days last week and were visiting with their many friends as well as looking after some business matters while here. During the time they were here, they were guests at the home of a sister of Mr. Hutchings, Mrs. Lulu Bass.

Walter Novval, formerly a resident of Avoca, who has been making his home for a number of years in the southwestern part of the state, was a visitor here last Monday, calling on his many old friends. Speaking of the crops where he lives, he said they are very poor and that practically everything was burnt out in southwestern Nebraska, leaving the farmers in serious predicament as to where to obtain feed to carry their stock through the winter.

**Attended Bible School Convention**

There were a number of Avoca people who are interested in the Bible school work of the community in attendance at the County Bible school convention which was held at Elmwood on Monday, October 1st. Among those present were Misses Bertha Neumeister and Mary Ruhge and Mesdames L. J. Marquardt and Minnie Brendel as delegates and also Rev. and Mrs. Fred W. Hall, H. M. Kohlers and Albert Sill and wife. They enjoyed the splendid programs that were offered. Mrs. Fred Marquardt was re-elected secretary-treasurer of the association.

**Advised of Aunt's Death**  
William Masemen received a long distance phone call from Bath, Illinois, telling of the death of his aunt, Mrs. Dick Struche, who was past 74 years of age and had been in poor health for a considerable time.  
Mr. Masemen was trying to conclude arrangements whereby he could

get away to attend the funeral which was to be held on Wednesday, but did not know whether he would be able to make it or not when we visited Avoca Monday.

The deceased lady is survived by her husband and a daughter of her immediate family, as well as numerous more distant relatives. She was a life-long member of the Methodist church.

**New Citizens**

Dr. J. W. Brendel reports the arrival via the stork route of a young daughter at the home of Henry Kuike and as well a son at the home of James Boardman, with both the newly arrived citizens doing nicely, as are also all concerned.

**Wcn Kittenball Championship**

The Avoca kittenball team, which is known as the Oelkers team, was able to win the championship honors at the kittenball tournament at Otoe, which closed last Sunday. There was a good crowd out for the final game, the number of paid admissions totaling well over 200.

**Held Rally Day Sunday**

The members of the Congregational church of Avoca on last Sunday took their dinners and following the morning services which comprised Bible school and the morning devotions, they had their dinner in common, each family contributing to the feed, and enjoyed a very fine time.

The rally day, as it is called, was for the purpose of arousing the interest of the members in the work of the church and it succeeded very well. By getting together in this manner, they were able to further the plans of church advancement, for no individual can stand still—and the same is true of a church. It must go forward, or find itself slipping backward. To many of our modern day churches are in that position and it takes rallies such as this to arouse the members from their lethargic attitude and get them actively at work in the Master's vineyard.

**Made Good Officer.**

Mrs. Fred Marquardt who has been the secretary for the Cass County Bible School association for the past year was re-elected, a nice recognition of well performed services. She has made a good and efficient official.

**SCHOOL NOTES**

The co-operation between the public library and the public schools has been a very important factor in increasing the reading ability of the children.

For a number of years the librarian, Miss Olive Jones, has awarded a banner each month to the school room which would first have all its members read one book. This has created a very healthy spirit of competition among the rooms, seeing which room could win the banner and retain it for the next month.

For the month of September Mercerville school under the direction of their teacher, Miss Marie Nolting won the banner for the first room to have all the pupils read at least one book. This is the first time for several years that Mercerville has achieved this honor and they are justly proud of their accomplishment. The other rooms of the school are working hard so that they may win the banner for a month during the school year.

**Social Workers to Stage Community Show Soon**

"In The Money" Will Be Produced by Cast of 125 Local People on October 31, November 1.

The committee representing the Social Workers of the M. E. church headed by Mrs. A. H. Duxbury, their president, met on Wednesday evening with a representative of the Universal Producing company of Fairfield, Iowa, and made arrangements for producing the sensational success, "In The Money," to be staged on October 31-Nov. 1 in the Platz theatre.

This production is something entirely new, different, and unusual in the way of entertainment, and promises to be the outstanding event of its type to be held in the community this year.

The show is a modern, up-to-the-minute, fast-moving comedy, packed full of action and suspense. The plot centers around a \$200,000 will which leaves the hero, Jack Ralston, this amount of money, providing he is married before his twenty-fifth birthday. There is a peculiar clause in the will, however, which states that in case his Uncle Abner is married before this time, the boy will not receive the money.

Uncle Abner returns unexpectedly from the Orient, bringing with him his bride-to-be and her Oriental servant, the Rajah Allah Bibi. The Rajah in reality is an international crook, who is after the money for himself.

Many exciting climaxes are reached, and a case of mistaken identity caused by Uncle Abner masquerading as the fake Rajah, keeps the audience in howls of laughter from the opening scene until the finale is reached.

The cast includes 125 local people, and the costuming is unusual and spectacular. Newspaper reports throughout the entire country praise this unique show.

A few outstanding features of the production are the High-Steppers of the Gay '90's, and the Colored Brethren and Sisters of the Mystic Shrine. A girls' singing and dancing chorus is also included in this production, which promises to be the outstanding local entertainment to be given this year.

"In The Money," is a show that was especially written for community entertainment. No one can afford to miss attending this show on October 31st or November 1st at the Platz theatre. Watch for particulars in regard to cast and other details.
