The death of Chester Manchester, 63, veteran employe of the Burlington, occurred Sunday at his home at Lincoln. Mr. Manchester had been in the services of the railroad for the past fifty years and was for several years in the early nineties located in this city as yardmaster for the railroad.

He began as a messenger boy for the Burlington at Lincoln in 1884 and worked up to the position of yard master which he held on both the day and night shift alternately for the past forty-four years. He was the oldest Burlington employe in point of service in Lincoln. He had been in failing health for some time and recently underwent a second major operation. He had been working until the past month. His home was at 2825 Garfield.

Mr. Manchester was a member of East Lincoln lodge No. 210 A. F. & A. M., the Railway Yardmasters association and the Burlington Veterans' association. He came to Lincoln with his parents in 1872. His father was Edwin Manchester, for many years Burlington baggage master.

Surviving are his wife, Margaret; three sons, Edwin and Willis of Lincoln, and LeRoy of Aurora, Ill.; a daughter, Mrs. Helen Billington of Lincoln; two brothers, Willis H. of Lincoln and Ora J. of Bluff, Colo.; two sisters, Mrs. William Hopkins of Lincoln and Mrs. W. ## Pioneers Celebrate Wedding Anniversary

Mr. and Mrs. William Nickels Enjoys Occasion at Their Home at Dunnegan, Mo.

A most unusual wedding celebration was held at the home of Mr. and Mrs. Will Nickels at Dunnegan, Mo., on Sept. 23. This most happy couple were married in Indiana sixty years ago and have lived 47 years on the farm where they now reside. They are the parents of twelve children and there has not been a single death in the family. This is a most unusual record an undertaker having never entered their home on official business, in all these years. There are 56 grandchildren and 20 great-grandchildren. The children were all at home for the celebration except one, she living in California. Mr. Nickels has passed his 85th birthday and Mrs. Nickels will be 79 December 25th.

They were a most happy couple Sunday, Sept. 23, when eleven of the children and some of the grandchildren and some 275 neighbors and friends came with well filled baskets at the noon hour to help celebrate the day and wish them many more happy married years together.

The following are the children in the order of their age: Mrs. Edd Carneal, Dunnegan, Mo.; Mrs. Tom Noblett, Long Beach, California; Miss Ada Nickels, at home; Mr. Jim Nickels, Dunnegan, Mo.; Mr. Jake Nickels, Humansville, Mo.; Mrs. Will Flint, Clinton, Oklahoma; Mrs. Otto Barns, Mynard, Neb.; Mr. Carl Nickels, Weeping Water, Neb.; Mrs. Marlon Worthan, Murray, Neb.; Mrs. Gern Campbell, Nevada, Mo.; Mrs. Galen Rhoden, Plattsmouth, Neb.; Donald Nickels, Mynard, Neb.

Mr. Frank Sheffer came to the home and took a group picture of this remarkable family. This is the first time in thirty years that the family had all been together, the children living at various widely separated places.

The friends and neighbors of Mr. and Mrs. Nickels rejoice with them over this happy occasion and hope this unbroken family may continue so for several years to come.

In the almost half a century this happy couple has lived in Polk county they have witnessed the wilderness develop into one of the most highly developed sections of the state. They have witnessed the transformation from ox teams to auto, and byways of travel turned into ribbons of concrete, and through depressions, storms and trials they have carried on and as they go down the hill they can truly say, we have done our best, and their neighbors and friends can truly say Mr. and Mrs. Nickels have lived a life that has shed hope and encouragement to all who know them.

#### ENROLLMENT STAYS HIGH

Beginning the school year with a record enrollment of 345 at the close of the fifth week of school last Friday only a net loss of three was shown on the high school register, the total to date being 341. As usual, there are more girls than boys in school with a total of 184 against 148 boys. In every class but one, the girls outnumber the boys by ten or more. The one exception being the senior class with 32 boys and 24 girls.

The non-resident enrollment this year is the highest in the history of the school with a total of 92, including 50 girls and 42 boys. This is a fine evidence of the drawing power of the school in the communities around Cass county.
