LAI D TO LAST REST

The funeral services of the late Bernard Rakow was held on Tuesday afternoon at 2 o'clock at the Sattler funeral home and largely attended. The friends whom Mr. Rakow had served each day during his years as a mail carrier, were present to pay their tributes to his memory.

The services at the Sattler funeral home were in charge of Dr. H. G. McClusky, pastor of the First Presbyterian church, who paid tribute to the life of the departed who had been so suddenly taken from the midst of his family and his daily tasks.

During the services Mrs. Hal Garnett and Frank A. Cloldt gave two of the well loved songs, "Saved by Grace" and "In the Garden." Mrs. O. C. Hudson was the accompanist.

The interment was at the Oak Hill cemetery where the body was laid to rest in the family plot.

Red Cross is Active Throughout the County

Preparation is Being Made for Annual Drive for Membership, Nov. 11th to 29th.

A preparation is now being made for enrollment and renewing membership in Red Cross that the goal of 700 members will be met, it may be well to publish some of the things that have been done through the Red Cross organization. That information may be more general and greater interest secured articles for publication will be presented from time to time.

We all believe in Red Cross and with membership we become a part of every service Red Cross renders, in disasters, emergency relief, prevention and rehabilitation. I will note a few of the things that has been done.

Four weeks of intensive service was given in life saving. The home service chairman in three months reports 14 ex-service and service cases still open. Through this service ex-service men are carefully assisted in adjustment of claims, hospitalization and care he finds difficult to obtain through other channels. His family welfare is undertaken when needs arise. Red Cross workers of Alvc and Murray made and filled twenty Christmas bags for our soldiers stationed in foreign posts. Twenty hospitalized men will have a happier Christmas because of these remembrances from Cass county chapter.

From Elmwood where there are only nine members, ten bedside bags for bed-ridden service men were made. These are tied to the bed and contain stationery, comb, toothbrush with extra pocket for letters. A diary was enclosed in each that some pleasure might be given these bed-ridden patients. These bags were sent immediately from headquarters to William Beaumont hospital, El Paso, Texas, in accordance with their request for a supply of these bedside bags. Today approximately 18,000 patients, and increasing daily, in government hospitals located in this midwestern area means many of these hospitals are carrying full bed capacity. Comfort items must be replenished if additional requests are filled. Some of the standard items are sweaters, both sleeveless and otherwise, socks, beanies, bathrobes and bedside bags. Accessories are property bags, hot water bottle covers, bed socks, housewives, wash cloths—these are not essential but acceptable when one is ill. Red Cross emblems sewn to each chapter made article reminds the recipient of Red Cross interest. Although promise is given that quotas submitted will be met, the commanding officer of military hospitals and managers of veterans facilities, without exception have expressed great appreciation for your interest and consideration in their patients. Surely it is true a peace time Red Cross is still the same humanitarian organization as a war time Red Cross.

To be a member of Red Cross is a privilege. Roll call is a call to service to which every American should respond.

MRS. H. A. TOOL,
Chairman.
