Fans See Great Game of Basketball Last Night

Harkerts Win in Extra Period from Savoy's by Score of 42 to 36; Many Exciting Moments.

From Friday's Daily
The basketball fans of the city had a real treat last evening at the high school gym when the Harkerts of Omaha and the Savoy-Krug team of this city battled in an extra period struggle that resulted in the Omaha visitors winning by the score of 42 to 36.

The opening period was a tie, four all with the two teams, while in the second quarter the Savoy-Krug swept into a lead of 19 to 9. Rummel and Forbes were hitting the basket for three field goals apiece while Arn and McCrary each annexed one to the good.

With the opening of the second half the Harkerts showed much better shooting and Fagan, Kizzila, Prerost and Moscrey were hitting the hoop and at the end of the third quarter were still dragging 28 to 21. The last quarter was a real battle and plenty of mixing on the part of both teams with the Savoy's holding a two point lead as the gun fired while the ball shot by Moscrey was still in the air and it zipped through to tie the game 32 alike and made necessary an extra period. The game was tied repeatedly until the visitors started a scoring rally that gave them the necessary points to lead 42 to 36 as the game was finally ended.

Forbes was outstanding in his floor work and Arn also played a nice floor game.

PREPARE OLD AGE PENSIONS

First of the old age pension warrants are being prepared in the office of County Clerk George R. Sayles today and will be mailed out as soon as possible to those who have been awarded the pensions. The amount that each will receive will be \$2 for the ninety-two persons designated.

The old age pension commission has worked hard on the proposition and found that the amount would not be sufficient to adequately care for any of the aged and indigent and to preserve their rights for other relief for their living has selected only those who have means otherwise for at least partially caring for themselves.

Under the law those who receive the pension cannot be given other relief and the commission in accordance with the small amount that was available designated those who were at least partially able to care for themselves.

J. J. Tushouse, of New Haven, Special Representative of the Grand Council Here.

From Friday's Daily
Last evening an opening meeting was held at the Knights of Columbus hall for the members of the Knights of Columbus, Catholic Daughters of America and the general public.

The meeting was addressed by J. J. Tushouse, special representative of the grand council of the Knights of Columbus, who is visiting the various chapters in the west and meeting the membership of the order.

Mr. Tushouse made an inspection of the work of the two Catholic bodies and their books and was loud in his praise of the fine manner in which the business and general activities of the organizations had been handled in this city.

In his address Mr. Tushouse told of the work of the Knights of Columbus in peace time as well as their war time activities when they, with other American groups were in France to add their part to aiding the soldiers and sailors of the nation on the seas and on the battlefield. The many activities that had added to the comfort of the soldiers and the maintaining of the high standard of morale of the men was told. With the close of the war the Knights of Columbus had continued their work with the war funds in providing educational facilities for service men as well as aid for those in hospitals and carried on as generously as they had in the time of strife.

A WORK WELL DONE

From Thursday's Daily
R. W. Knorr, who last night retired from the position of chairman and president of what was formerly the retail section of the Chamber of Commerce and later of the Business Men's Ad club, closes a record of community service of which he can well feel proud.

Mr. Knorr has been an aggressive leader in the interests of Plattsmouth and its expanding trade territory, and has given freely of his time in the advancement of anything that might be of benefit to the commercial interests of the city and the community at large.

He has held the office at a sacrifice as the time that is necessary to devote to this job means that any person holding the office is compelled to often neglect his own individual work to serve that of his associates in the business life of the community.

Roy Knorr has completed a good job and is deserving of the appreciation of everyone engaged in the commercial life of Plattsmouth.

The new president, there is no doubt, will be as earnest as was Mr. Knorr in striving for what is best for the commercial life of the city and those who know Emil can fully realize his keen interest and untiring energy when he sets his hand to a task. Mr. Weyrich has been a figure in the civic life of the community from his boyhood days, when he first started in the profession of pharmacutics. He has been outstanding in his work in the line of his profession and is now the senior member of the firm of Weyrich & Hadraba.

To Mr. Knorr the community holds a sense of appreciation and to Mr. Weyrich the business interests of the city look forward to a fine administration of the office and the loyal assistance of all is pledged to the new president in his program.

The half time saw the score 15 to 7 in favor of Nebraska City, Hendrix securing another field goal, Cotner two free tosses and Wooster one.

Nebraska City ran their total to 23 to eight at the end of the third stanza, the Platters being unable to get their offensive clicking and the guarding of the Nebraska City team was excellent altho the blue and white missed plenty of scoring chances.

CAR AND WAGON CRASH

Late Friday afternoon shortly after 6 o'clock a crash occurred near the residence of George W. Snyder, south of this city on highway No. 75, when the car driven by M. R. Bloom of this city crashed into the rear of a farm wagon driven by Ray Herold, well known farmer of east of this city.

The Herold wagon was loaded with a large number of farm articles and was demolished by the force of the impact when the car struck it.

The accident was caused, it is claimed, by another car traveling along the highway cramping the Bloom car and forcing it into the rear of the Herold wagon, preventing Mr. Bloom from being able to steer around the wagon. The other car sped on and the driver is unknown.

Mr. and Mrs. Bloom were returning from Lincoln when the accident occurred.
