PUSH FOR VOTE ON BONUS

Washington.—House democratic leaders declared "hands off" the current 2 billion bonus pay-off fight when they learned backers of the Patman new currency plan Thursday would take two steps to force consideration of their bill.

Representative Patman (d., Tex.) notified all house members he would file Thursday in a petition making it possible to take his bill away from the ways and means committee and bring it to a house vote; Representative Blanton (d., Tex.) said he would start a petition permitting a vote on whether the Patman bill could be added as a rider to the legislative appropriation measure, which pays the salaries of representatives and senators.

Speaker Byrns and other leaders immediately let it be known they had no intention of asking members not to sign those petitions. Their position was that the dispute was up to the house to settle.

Death of Mrs. Ray Aylor Early This Morning

Operation Performed, But Mother and Child Fail to Rally From the Ordeal.

The death of Mrs. Ray Aylor, 28, occurred at an early hour today at Omaha where she was taken Saturday for treatment. The patient was in very critical condition when taken to Omaha, suffering from an attack of meningitis as well as other complications that made her recovery a matter of doubt from the start.

It was found necessary Sunday to perform an operation but which failed to save the mother or the babe and Mrs. Aylor continued to fail until death came to her relief.

Virginia Forbes, daughter of Mr. and Mrs. C. W. Forbes, was born in Plattsmouth and has spent her lifetime in this community where she was educated and married here several years ago to Ray Aylor. She leaves to mourn her death the husband and two small children, Donald and Helen, as well as her father, C. W. Forbes and two sisters and four brothers. Mrs. Ray Benedict, Mrs. Glen Niel, George, Charles, Clarence and Jack Forbes, all of this city.

The shock of the death of this young woman while yet in the prime of her life has come as a very severe blow to the family who a month ago suffered the loss of her mother and now again have had this separation visited on them.

The body was brought here to the Horton funeral home to await arrangements for the funeral services which will be announced later.

Young People are Joined in Wedlock Today

Miss Helen Leona Lynch Married to Mr. Richard Ernest Nason of Winona, Minnesota.

From Saturday's Daily This morning the marriage of Miss Helen Leona Lynch of this city to Mr. Richard Ernest Nason took place, the ceremony being witnessed by only a few of the relatives of the bride.

The marriage lines were read most impressively by Judge A. H. Duxbury, the ring service being used in the joining of the lives and hearts of the estimable young couple.

The bride wore as her wedding gown a costume of light blue satin, in the long flowing lines and with accessories to match.

The bridal couple was attended by Mr. and Mrs. Charles F. Gentry, the former an uncle of the bride.

Following the wedding the bridal party motored to the home of the bride's parents in the north portion of the city where a most charming noonday wedding dinner was served to members of the family circle.

The bride is a daughter of Mr. and Mrs. Con Lynch of this city and has grown to womanhood in this community and where she has received her education in the local schools and where she has a large circle of warm friends.

The groom has made his home here for the past year and is a young man of fine character and held in the highest esteem by those who have the pleasure of his acquaintance.

Mr. and Mrs. Nason will make their home in this city for the present at least and in their new found happiness will have the best wishes of a large circle of friends in the community.

DEATH OF HERBERT NELSON, JR.

The death of Herbert Nelson, Jr., 14, occurred at an early hour Sunday at the family home on east Vine street following an illness of some duration. The young man had been a sufferer from heart trouble as well as other complications and which had grown a great deal worse in the last few weeks.

In the loss of their son and brother the family will have the deepest sympathy of the friends in the community and among the circle of friends and associates the young man will be greatly missed.

The deceased was a student of the junior high school and had been quite active in the work of the Sunday school of the Christian church.

He was a son of Mr. and Mrs. Herbert Nelson and had spent the greater part of his lifetime in this city.

Herbert V. Nelson was born May 7th, 1921, at Ansley, Neb., coming to Plattsmouth with the parents in May, 1923, when but two years of age. The members of the family left to mourn his passing are, the parents, Mr. and Mrs. H. A. Nelson, two brothers, Charles and Frank, two sisters, Mrs. Ruby Davis of Weeping Water, and Ruth Ann of this city.

Funeral services will be held from the Christian church Tuesday afternoon at 2 o'clock. O. B. Chastain of Omaha, will conduct the services. Burial will be in Oak Hill cemetery west of this city. The Sattler funeral home has charge of the body.

Heaviest Snow of the Year Falls Over Cass Co.

Starting Sunday Afternoon Storm Rises to Fury of Blizzard and Blocks Highways.

The heaviest snowstorm of the year and driven by a high wind, swept down on the eastern section of Nebraska Sunday afternoon and raged with increasing fury until late Sunday night, burying all sections under several feet of snow and blocking all traffic.

Motor traffic between this city and Omaha was closed shortly after ten o'clock when the fury of the snow, driven by the high wind made it impossible to see the roadway and the heavy snowfall commenced to drift over the roads to make them an unbroken sea of whiteness. The highway was opened this morning and permitted the passage of trucks and busses, although there were very few private cars to make an attempt to travel.

In the city the snow had practically all streets well blocked and it was a matter of great difficulty for the workers in the various industrial plants to get to their places of occupation this morning and most of these were forced to make their way on foot through the deep snow and cold. In the business section the chief occupation was digging out from the effects of the snowfall and the clearing off of the walks, the snow on the north side of Main street lying to the depth of four and five feet in the drifts.

Reports from the districts near the city are to the effect that the roads, especially those east and west are buried beneath the heavy snow and holding up all travel until maintainers could be brought to the scene to help clear off the worst of the snow.

The storm also affected the rail traffic and the trains were all late reaching this city, Burlington train No. 6 from the west being three hours late in battling the snow across Nebraska.

While the snowfall was very inconvenient to the traveling public it has done a great deal of good to the crops and especially the wheat that has been in need of additional moisture.

SAYS SEED IS MISLABELED

Nebraska seed salesmen in many cases are selling negari seed under the label of atlas sorgo, Sarah E. Cohen, state seed analyst, says. She warned that although it is difficult to differentiate between the two, seed stores must make every effort to label their stocks correctly.

"The result of this situation will prove to be very serious later on if not checked," she declared. "Regular

inspectors of the department of agriculture have been instructed to visit all places of business handling seeds, and to stop sales on all lots found to be begari labeled as atlas sorgo. All those found guilty of intentional misrepresentation will be prosecuted."

DIG YOUR WAY THROUGH WITH THIS New Tire

NO CHAINS NEEDED

HERE is the tire you need to drive over the muddy, icy, slippery roads this winter. Built especially for these driving conditions to eliminate the necessity of chains.

Look at these advantages:

1. Tread bites deeply when traveling in mud, snow, sand and gumbo.
2. Tread is self-cleaning.
3. Tread wears slowly and evenly, rides smoothly on hard surface roads.
4. Easy to steer.
5. This thick, powerful, long-wearing tread is built on a body of high stretch Gum-Dipped cords, giving maximum protection against blowouts.

Equip your car today—prices are low—we have a Firestone Mud and Snow type for most popular size cars.

***** Listen to the Voice of Firestone featuring Richard Crooks, Gladys Swarbooster Nelson Eddy, every Monday night over N.B.C.—WEAF Network . . . A Five Star Program.
