Many Witness Fight Card at Shelter Camp

Bixing Events Prove of Greatest Interest to the Fans of This City and Members of Camp.

One of the largest crowds that has attended the sport cards at Camp Plattsmouth, north of this city, was in attendance last evening to see the excellent boxing and wrestling features that had been arranged for their entertainment. Many from this city took advantage of the opportunity to be at the ringside.

Walter Dew and Teddy Kopacz, both of the camp, boxed three fast rounds to a draw and which had plenty of go from the opening bell.

Elmer Newton, of this city, who had made such a fine showing in his previous exhibition at the camp, was the winner of the decision over Stanley Rotay, one of the camp boxers. Newton was fast and had the best of the bout throughout.

In the semi-windup of the card, Russell Arnold of this city lost to Harry Lacy of the camp when Lacy was awarded a technical knockout in the first round of the three round bout.

The final bout of the evening was between Jess Scurto of this city and Jack Reno, one of camp crack boxers. The event went the full four rounds and both boxers bore evidences of the gruelling battle and blood flowed freely. The decision was for Reno at the end of the battle.

The wrestling match between Harry Stodola of this city and Henry Hawn, of the camp was won easily by Hawn who had little trouble in pinning Harry to the mat for the decision.

The sports director of the camp is arranging for more of these cards that are constantly growing in favor and furnishing some excellent sport for the youths.

MAY ACCUSE TWENTY MEN

Gallup, N. M.—Attorney General Patton announced he expected to charge perhaps twenty men with murder as a result of the wild street riot here in which two men were slain. The charges will be based largely on evidence piled up at a coroner's inquest.

Dr. P. L. Ravers and Deputy Sheriff Roberts headed the list of witnesses, with testimony pointing to Ignacio Velarde, unemployed miner whom Roberts killed, or Solomon L. Esquibel, who was injured seriously, as the slayer of Sheriff Carmichael. The sheriff and the miner were killed in a fight which followed an attempt to deliver three prisoners held for trespassing in a house from which one of them had been evicted.

SUGAR QUOTA FOR HAWAII

Washington.—An increase of approximately 64,000 tons in the sugar shipping quota allotted Hawaii for 1935 was made by John E. Dalton, chief of the AAA sugar section. He said the original quota of 894,992 tons would be increased by 32,000 tons thru an adjustment made in the figures on which the quota was based, and that the increase would be made retroactive for 1934, adding an additional 32,000 tons. Dalton said details of the increase remain to be worked out and will be announced later.
