Fulton Harris of the Union Credit association, has been at Fairbury this week, where he is making a check of the corn and wheat allotment figures, which after being gone over by those in charge, have to be rechecked by some one qualified for the position. Mr. Harris, being a civil engineer, is

### PUBLIC NOTICE

The Chairman and Board of Trustees of the Village of Union, in the County of Cass, in the State of Nebraska, by resolution duly passed and entered in the minutes of their proceedings on the 23rd day of May, 1935, in accordance with Article VI, Chapter II, of the Compiled Statutes of Nebraska for 1929, directed that public notice be given, stating that the Village of Union has outstanding and unpaid bonds in the total principal amount of Fourteen Thousand Five Hundred Dollars (\$14,500.00) and consisting of:

Fourteen Thousand Five Hundred Dollars (\$14,500.00) Water bonds dated September 1, 1927, due September 1, 1947, optional September 1, 1932, bearing interest at the rate of five per centum (5%) per annum, payable semi-annually, being bond numbers 13585 to 13623 Inc., which were authorized and ordered issued by Ordinance No. 63 of said Village which was passed and approved on the 1st day of September 1927.

That since the issue of said bonds the rate of interest has so declined in the markets that by taking up and paying off such bonds by an issue of Refunding Bonds of the Village, a substantial saving in the amount of yearly running interest will be made to the Village, that the Village has accumulated no funds which may be applied thereon; that the indebtedness of the Village on account of the principal of said bonds is Fourteen Thousand Five Hundred Dollars (\$14,500.00) and that the said principal indebtedness is sought to be taken up and paid off by means of Refunding Bonds of the said Village in the principal amount of Fourteen Thousand Five Hundred Dollars (\$14,500.00) bearing interest at the rate of three and three-fourths per centum (3 3/4%) per annum, payable semi-annually, which the Chairman and Board of Trustees propose to issue.

Public Notice is hereby given that any taxpayer of the Village of Union may file objections to such proposed action with D. Ray Frans, Village Clerk, at his office in said Village on the 7th day of June, 1935, between the hours of nine o'clock a. m. and four o'clock p. m., or during business hours on any day prior to said date. D. RAY FRANS, City Clerk.

well qualified to measure the land taken out of production and ascertain if the requirements have been lived up to by the various signers. While he is away, George A. Stites is looking after the work at the bank.

### Enjoy Family Dinner.

Mr. and Mrs. H. W. Griffin were host and hostess to their little grandson and her parents, Mr. and Mrs. Lester Schumacher and as well the little man's uncle, Ray Schumacher. The principal object of interest was the baby, which is sure a very fine one. A splendid dinner was served and an excellent visit enjoyed. During the afternoon, Everett Sudduth and wife, also of Weeping Water, were guests at the Griffin home.

### Still Very Poorly.

Mrs. John Chidester, who has been in the hospital at Omaha for some time, where she has been receiving treatment, remains under observation there and is not showing the desired improvement. Mr. Chidester was in Omaha last Sunday to visit the wife and found her feeling quite poorly, although everything is being done for her recovery.

### Improving at Hospital.

Miss Mary Clarke, who has been at the University hospital for some time, where she has been treated for ulcers of the stomach, while she is not entirely recovered, is feeling greatly improved at this time. She was visited last Sunday by her parents, Mr. and Mrs. Fred Clarke, of north of Union.

### Attended Memorial Service

Last Sunday a goodly number of the people of Union attended Memorial services at the Methodist church at Wyoming, the services being conducted by the Rev. N. B. Kunkel, pastor of the Methodist churches there and here. John Banning and wife of Alvo were among those attending the services, and afterwards visited relatives and friends in Union, before returning home.

### Conducted Service Last Sunday

At the Baptist church here, during the regular morning service hour last Sunday, a gospel team from the Menonite church of Weeping Water was present and conducted the services. There was a good attendance and all enjoyed the program which was presented by the visitors. A quartet of singers provided the music and Mr. and Mrs. Harold Baker were the speakers, both making excellent addresses and bringing a very fine service to the Union people.

The members of the church wish to publicly express their thanks to the visitors.

### Entertained on Memorial Sunday

Miss Augusta Robb and her father, Mont Robb were host and hostess to a family gathering last Sunday, following the Memorial program at the Wyoming church, which both they and their guests had attended. The following were present to enjoy the hospitality of Mr. Robb and daughter: F. W. Robb, wife and daughter, Miss Jane, of Lincoln; Mrs. Norma Robb and daughter, Elizabeth, of Nebraska City; C. D. Glover and Fleming Schrader, of Omaha, and Carl West, of Wyoming.

### Young Folks are Wedded

On April 28th, at Rock Port, Mo., Ben Anderson, of Union, and Miss Angie Good, daughter of Mr. and Mrs. Charles Good, of Pierce, Nebraska, were united in marriage. They concluded to return to Union, where the bride was visiting at the home of an aunt and say nothing about the wedding for the time being. However, last Sunday, they decided to make the news known to their friends who are extending congratulations and well wishes. The groom is employed at the Charles Land garage and is a splendid young man of sterling qualities and ability. The bride, as stated above, is a daughter of Mr. and Mrs. Charles Good, of Pierce, Nebraska, her father being a brother of Robert Good, who lives between Murray and Union. They will make their home here.

### Conducted Memorial Services

The Rev. W. A. Taylor, who, for a number of years was pastor of the Baptist church at Wabash, was selected to act as speaker at the Memorial services at the Wabash cemetery last Sunday. This cemetery serves as a burial ground for both the villages of Wabash and Murdock and is located about midway between the two towns. A large number of people were present and a most interesting program was enjoyed. The splendid address of Rev. Taylor was highly complimented and he was enthusiastically applauded by the assemblage.

### Saw Some New Country

Last Sunday being a promising spring day, Frank Bauer and Elmer

Withrow concluded they would get out and see the country. Accordingly, they strayed away from the crowded lanes of traffic on the paved highways and sought the less frequented roads. In a short time they found themselves approaching the historic city of Weeping Water, where they tarried briefly to call on a few friends. From there, they went to Wabash over a route neither one had ever traveled before, and were they surprised when they arrived there to find that Memorial day was being observed and their near neighbor, Rev. W. A. Taylor was the orator of the day. They stopped and remained for the service. After this, they drove on to Murdock. Although Mr. Bauer has visited that town a number of times, it was Mr. Withrow's first visit there and he was surprised at the neat looking town and the excellent country surrounding it. The next stop was at Louisville, where both had visited before. From there, they went to Cedar Creek, which was new territory for both of them. After tarrying there briefly, they continued on east and arrived at Plattsmouth, recognizing familiar scenes and meeting numerous people they knew there. After visiting in the county seat, they turned back south and were soon at their home in Union, well pleased with the discoveries they had made and the new places visited during their day's journey.

### Union Extension Club

The club held a most enjoyable meeting at the home of Mrs. Melvin Todd, with Mrs. L. G. Todd as assisting hostess.

As the lessons are over for the year, the time was taken up with plans for the picnic to be held June 16, at Springdale.

It was also voted that each one bring their own dishes to future meetings.

Despite the muddy condition of the roads, there were twenty-three ladies present to enjoy the afternoon and they all felt they would have been losers had they stayed at home.

The afternoon was closed by the serving of delicious refreshments by the hostesses.

### Berryman Concert a Success

The music lovers of Union enjoyed a rare treat when the Berryman brothers, of Omaha, gave a concert at the Baptist church last Saturday evening. The brothers, Edward, 15; Warren, 12, and Rudi, 6, all showed unusual musical talent for their ages, while their simplicity and naturalness of manner, with freedom from any attempt to dramatize their art was most refreshing; and in playing with the music of the masters or their own compositions they were equally at ease.

Mr. and Mrs. Berryman, who instruct their sons in their musical development, brought them down by auto and Mrs. Berryman assisted her small son in one number on the piano after telling something of their method of instructing the boys in their study of music.

The Woman's club, which sponsored this musical treat, is appreciative of the interest shown by the citizens whose co-operation helped to finance it.

### Visited at Leach Home

Messrs and Mesdames E. S. Tutt, of Murray, and A. W. Propst of Nebraska City, were guests for the day and a very fine dinner last Sunday at the home of Mr. and Mrs. E. E. Leach, where all enjoyed a very fine visit.
