

For A NEW thrill IN LOVELINESS TRY NEW PLEX

by Dorothy Perkins

When you are tired and feel the years' relentless march, step out of the busy whirl and masque your face in New Plex. It's a cream masque (not a clay)—different from any you have ever used, for as you relax beneath its soothing calm your circulation is stimulated, impurities come to the surface, facial muscles become firmer, more youthful, and when, a few moments later, you remove the masque, lo and behold, the years too seem to have vanished.

HAVE PLEASANT MEETING

From Wednesday's Daily

The Westminster Guild held a very pleasant meeting last evening at the home of Eleanor Smetana. The group held a short devotional period. The members discussed the matter of sending a delegate to the Bellevue conference to be held the last part of June. They also selected the summer project for the mission school. Plans were also discussed for the picnic to be held at the next meeting. At the close of the meeting delicious refreshments were served.

ED HOWE HAS A LONGING

Baltimore.—Ed W. Howe, living, he says, on "borrowed time," is "ready to die like a gentleman," but given two more years he will complete "the greatest book in the world." This was the philosophy expressed by the Atchison, Kas., Journalist as he sat in a wheel chair at the Johns Hopkins hospital recovering from an operation to restore his failing sight.

"I am not going to make any howl about it," he said. "When the time comes, I am going to die like a gentleman. A man not only must die like a gentleman, but he must die like one."

UNDERGOES OPERATION

Mr. and Mrs. Paul Schneider of Pilger announce the approaching marriage of their daughter, Parthenia, to Thomas Snipes, son of Mr. and Mrs. L. R. Snipes of Lincoln. The wedding will take place June 19 at the Methodist church in Pilger, with a reception at the Schneider der home.

Miss Schneider attended the University of Nebraska where she joined Alpha Delta Theta sorority. Mr. Snipes has received his A.B. and M.A. degrees from the university and is taking work toward his doctor's degree at Iowa State college at Ames. The couple will reside in Lincoln.

CELEBRATES BIRTHDAY

From Wednesday's Daily

Last evening a number of the school friends and associates of Miss Dorothy Jean Turner gathered at her home to enjoy the occasion with her of the passing of her twelfth birthday anniversary.

The members of the jolly party were treated to a theatre party in the fore part of the evening, they attending "Go Into Your Dance" at the Ritz.

The young people later returned to the Turner home where the remainder of the evening was spent in games that added to the merriment of the group.

In honor of the birthday Dorothy Jean received a large number of very attractive remembrances.

Mrs. Turner served refreshments to close the most pleasant event.

Mr. and Mrs. Frank Dashner of Glenwood were in the city Sunday for a visit at the home of relatives and friends.

DEATH STRIKES FAMILY

Death in a few hours called the parents of Harry McCafferty, former Louisville druggist, messages received there Monday stated and bringing a state wide search for Mr. and Mrs. McCafferty who are somewhere in the west portion of the state. Mr. McCafferty is traveling for the U. S. Rubber Co., and on Sunday his wife left Louisville to join him at North Platte to travel over his territory.

Monday came a message that the father, John McCafferty, former Omaha resident, had passed away at Los Angeles and but a short time later came the message that Mr. McCafferty's mother, Mrs. Ida Huntley of Omaha had also been called by death.

Telephone, telegraph and the radio were brought into action to try and locate Mr. and Mrs. Harry McCafferty to notify them that the parents were both called to rest, but so far it has been impossible to locate them.

Miss Agnes Plak of Omaha, was in the city Saturday afternoon for a few hours attending to some matters of business and visiting with friends.
