Cass County Chapter ARC on Friday

County Chapters of Red Cross Will Meet at Congregational Church at Weeping Water.

The annual meeting of the Cass County chapter of the American Red Cross will be held on Friday afternoon at 1:15 at the Congregational church at Weeping Water.

The notice of the meeting received from the office of Mrs. H. A. Tool, secretary, at Murdock, states that the meeting will take up the reports of the various departments of the society and the plans for the year discussed as well as the business of the chapter discussed by the members.

Branch officers and chapter representatives are expected to attend this meeting and take part in the proceedings of the session.

Information and instruction for undertakings of the chapter will be a part of the program of the meeting.

MASS MEETING FRIDAY

A great union mass meeting to launch the New Temperance Deal against New Deal liquor will be held in the Plattsmouth Methodist church Friday night, June 28, at 8:15.

Dr. F. Scott McBride, of Washington, D. C., National Superintendent of the Anti-Saloon League of America, will speak on the national situation. After visiting 46 states in the last nine months, he has gathered some startling figures as to the effect of liquor, and has had some wonderful experiences of the revived temperance interest. He will discuss the bill introduced in congress by Senator Capper of Kansas, and the new temperance educational plans for the Youth Movement.

Supt. R. P. Kutton, of the Nebraska Anti-Saloon League, will give pointers on the new Nebraska liquor law and outline plans to take advantage of them while leading up to a local option election in every town, city and village in the state of Nebraska in April, 1937, and the attempt to elect a legislature pledged to give local option on beer the same as on hard liquor.

DIES AT LINCOLN

From Wednesday's Daily
The message was received here late this morning of the death of Mrs. Margaret Emrick, of Lincoln, a resident of this city a great many years ago. Mrs. Emrick had not been in the best of health for some time.

The deceased lady was formerly Miss Margaret Sexton, member of one of the old families here in the late seventies and early eighties. She has however made her home in Lincoln over a long period of years.

Mrs. Emrick was a sister of the late Mrs. W. T. Scotten and during the lifetime of the sister was a frequent visitor in this city and is well known to the many old friends here.

She is survived by one daughter, Mrs. Pearl Haberland, of Lincoln. Miss Margaret Scotten of this city, is a niece.

ATTENDING CONFERENCE

A group of Plattsmouth young ladies are at Camp Brewster this week to attend the annual conference sponsored by the Presbyterian church and in which the young ladies will take a course of study as well as a recreational program for the length of the conference.

The conference is usually held at Bellevue, but owing to the fact that Bellevue college is leased it was necessary to transfer the meeting to Camp Brewster, well known recreational center.

Those from this city to attend the meetings are Eleanor Minor, Jean Knorr, Mary Kathryn Wiles, Harriett Goos, Frances Cloldt, Marjorie Ann Tidball.
