### HAS SINUS TROUBLE

Miss Nellie Gorder of this city, was operated on Tuesday at the Clarkson hospital at Omaha for a sinus affection from which she has been suffering for some time. The patient came through the ordeal nicely and is doing just as well as possible.

### HERE FROM NEW YORK

Mr. and Mrs. C. A. Spate and two daughters of New Rochelle, New York, are here to spend a part of their vacation at the home of George A. Kaffenberger, father of Mrs. Spate. They motored to the west and enjoyed a very pleasant journey through the south en route to this city.

### VISITING IN THE CITY

Mrs. Ella Troop and daughter, Lavina, of west of Mynard, are in the city to enjoy a short vacation at the home of Mrs. Louise Bauer and family.

### OLD TIMER HERE

Sunday Roy Miles, now of San Jose, California, was in the city for a few hours to visit with old friends and his footsteps took him to the Burlington station, where as a boy back in the early dawn of the century he had been employed. The station has long since been remodeled and the only familiar object to be found was that of R. W. Clement, local agent, who is still the efficient and genial representative of the railroad here. All others who were at the station in the days that "Pully" was a messenger boy and operator have long since vanished.

Mr. Miles with his wife and two children are returning to the west from Flint, Michigan, where they have secured a new car and are returning with it to the coast.

### SHRINE BAND COMING

The band of Tangier temple, Shriners, of Omaha, will be visitors in the city on next Sunday, advised received by W. F. Evers, superintendent of the Nebraska Masonic Home states. This band was heard here two years ago and is now reorganized and trained into one of the best musical organizations in the west.

The band members and their families will be here for a picnic dinner and will then give their concert on the lawn of the Home at 2:30 on Sunday, July 14th.

The band and the Masonic Home management extends a very cordial invitation to the music lovers of the city to be in attendance and enjoy the program and which will be published later.

### KITCHEN KLATTERS KLUB

On July 9, we met at the home of our vice president, Ruth Bailey. Our next meeting will be held at the home of Wilma Swatek. We had a demonstration on bread by Ruth Bailey. Eleanor Giles and Wilma Swatek brought bread to be judged.

At the close of the meeting we played games, sang songs, had a program and gave yells. Dainty refreshments were served by Charlotte Palmer.

OPAL BYERS,  
News Reporter.

### CARD OF THANKS

To the many friends and neighbors who by their floral offerings, kind words and deeds helped us during the illness and death of our dear mother, we wish to extend our sincere thanks and appreciation. We especially wish to thank the Masonic Lodge, Masonic Quartette and the Officers and members of the Eastern Star.—The Peetersen Family.

### ACT ON APPLICATIONS

The board of county commissioners at their July meeting had a number of applications for beer licenses to come before them and on which they were asked to approve or disapprove to the state liquor commission at Lincoln for the licenses. The board made recommendations of approval of the applications of O. E. McDonald for an "On and Off Sale" license at Cedar Creek for an "On Sale" license.

The board disapproved the applications of Mrs. J. H. Fidler, South Bend; Lloyd Holman, Plattsmouth and C. V. Barrows, Mynard, for the beer licenses.

### RETURNS FROM HOSPITAL

William DeWolf, of Nebraska City, who was operated on a few days ago at Omaha, has so far recovered that he was able to be taken home Sunday. He remained here for a short time at the Britain home and then continued on to his own home.

## Heated Weather Draws Hundreds to the Beaches

Sand Pits Prove Most Popular Spot as Sun Rays Cause Suffering Public to Seek Relief.

The sand pit lakes north of this city was one of the most attractive spots in this section Sunday as there were several hundred there for the afternoon and evening to enjoy the pleasures of swimming in the cooling waters of the lakes.

While the sandpit lakes were drawing the larger part of the crowd there were many from this section to visit at Plamore park on the Sarpy side of the Platte where they enjoyed the bathing as well as the accommodations of the park and here many of the local people staged picnic parties as well as enjoying the facilities of the bathing beach.

Another of the popular resorts of this section of the state for the anglers as well as those seeking bathing beaches was the state park at Louisville and the lakes at Meadow where large crowds from the eastern part of the state were to be found in large numbers.

### ALL EFFORTS TO MAR FINGERPRINTS FAIL

No matter how a criminal may tamper with his finger prints, they can never be erased!

Numerous attempts to burn them off, sear them with acid or heat or even to slice them off, have simply proved boomerangs, for the design grows back again in its original form, only made many times clearer to the eye of the expert.

This is but one of the many dramatic phases of tracking down public enemies revealed in "Let 'Em Have It," Reliance's thrill-packed saga of the Government's war on crime, that will be shown at the Ritz theatre in Plattsmouth Sunday, Monday and Tuesday, July 14, 15 and 16.

The Ritz is delightfully cool in the hottest weather and you can spend a pleasant evening there anytime, enjoying the latest and best feature pictures at less than city theatres charge for the same class of entertainment.

### TO VISIT FARM

From Wednesday's Daily Henry Starkjohn and son, William T., departed today for Gothenburg, Nebraska, where they will visit the Starkjohn farm in that section of Nebraska and look over the crops. The crops there have been very good this year and the owners of the farm will enjoy a short stay there. The farm has been in charge of the same tenant for a long period of years and has been producing some excellent crops with the exception of 1934 when all of the state suffered a crop shortage.

### VISIT HERE FROM LOUISVILLE

From Monday's Daily A. C. Pautsch and brother, Ernest Pautsch, well known residents of Louisville, were in the city for a short time today to look after some matters of business at the court house. While here they were pleasant callers at the Journal to renew their subscriptions for the ensuing year.

### VISIT IN THE CITY

Mrs. Ed Johnson of Lincoln and daughters, Mrs. Josephine Bagnall and Mrs. Cody of Minneapolis, motored down Tuesday afternoon to spend the day with old friends and to accompany Miss Susan Cody back to Omaha. While here they were dinner guests at the home of Mr. and Mrs. M. B. Bates.

### REDECORATE CAFE

The interior of the Shea cafe on North Sixth street is being redecorated and placed in a very attractive condition for the summer. The walls and ceiling are arranged in a color scheme of tan and cream.

**A. R. CASE & CO.**  
Located just West of Ford Garage

### CARS HAVE COLLISION

From Wednesday's Daily Last evening the intersection at Sixth and Main streets was the scene of a small auto collision that did some damage to the cars of F. A. Akerson and Rudolph Wallengren.

Mr. Akerson had come south on Sixth street and was turning to go east on Main street when the car of Mr. Wallengren came from the south side and swung into Main street also and the two cars collided near the Wurl corner.

### SHOWING IMPROVEMENT

Miss Jean Knorr is reported as doing very nicely at the hospital at Omaha where she is recovering from an operation for appendicitis. The many friends are well pleased to learn of the improvement of the patient and trust that she may soon be able to return home.
