Obituary of Willard Albert Senf

Willard Albert Senf was born on July 8, 1915, near Elmwood, Nebr., and passed away at Union, Nebr., on Wednesday evening, July 17, 1935, at the age of 20 years and 9 days. He was the second son of William and Mary Senf, of Nehawka, Nebr. He had grown to manhood and spent most of his life in and around Nehawka, attending the high school at that place and becoming very active in sports and athletics, and especially in F. F. A., an agricultural organization over which he presided as president in his Junior year. He became a great favorite among his fellow students and associates. After spending a short time in Texas, he returned home to help his father and brother with the farming until the spring of 1934, when he became employed by the Tobin quarries. Here he became assistant foreman and early this spring was transferred to Louisville as time-keeper, later being sent back to Nehawka as assistant foreman and timekeeper. It was while thus employed that he met death.

Willard had earned the respect and honor of his comrades and the confidence of his employer. His great love of outdoor work made him a fine specimen of youthful manhood. He was always loving and thoughtful in regard to his parents and family. Of a natural happy disposition, he was given no greater joy than to see others happy. Thus, it gives us a beautiful picture of our loving son and brother.

Aside from a host of friends and relatives, he leaves to mourn his passing his loving parents, his brother, Karl, a brother-in-law, Marion Christenson of Union, and four sisters, Mrs. Marion Christenson, of Union; Martha, Edith and Clara, all of Nehawka.

"And I heard a voice from heaven saying unto me: Write, Blessed are the dead which die in the Lord from henceforth, yea, said the Spirit, that they may rest from their labors and their works do follow them.

Funeral services were held Friday, July 19th, at 7:00 o'clock p. m., at the cemetery three miles west and three miles north of Manley, conducted by W. A. Taylor, of Union, assisted by Rev. Otto Engbretson of Nehawka. Two songs were rendered during the service by Mrs. Nutzman and Mrs. Koonitz of Nehawka.

On October 25, 1889, he married Miss Jane Goodman and moved to a farm near Louisville, Nebr., where he lived for two years and then moved to

the vicinity of Manley, where he resided till March 1, 1920, then moving to the Village of Manley to spend his remaining years.

To this union seven children were born. One daughter, Mabel, preceded him in death at the age of 11 months and 11 days. He leaves to mourn his loss, his wife and six children. They are, Edward of Weeping Water, Roy of Manley, Arthur of Reno, Nevada, Walter of Plattsmouth, Herbert of Wichita, Kansas, and Mrs. Roscoe Owen of Ottumwa, Iowa, and ten grandchildren and one great-grandchild, together with a host of friends.

PLANS FOR BIG PICNIC

The American Legion and Auxiliary of Cass county will hold their annual picnic Sunday at Louisville where a red hot program of fun and entertainment has been arranged for the members of the two organizations and their friends.

The Legion junior teams of Weeping Water and Plattsmouth will be seen in a real ball game (no softball) but the real article.

There will be races of all kinds, tug-of-war and many sports to add to the entertainment of the members of the party.

One of the features will be that of the usual picnic dinners, everyone bringing his own and some fine repasts may be expected.

Not the least of the hot spots of the day is the promise of H. H. Dudley, state adjutant to be present and join in the happy event.

GIVE WAY FOR OFFICERS

From Tuesday's Daily The car of the sheriff is equipped with a siren for the purpose of securing right of way in cases of emergency and the public is urged to recognize the sound of the siren and allow the passage of the car which may be rushed out on the most urgent call. Last evening when called out to assist in the search for the body of Edward Kelley at La Platte, the sheriff was delayed by cars that poked along and blocked the road, retarding his arrival at the scene of the trouble. The private cars that carry these sirens will be checked up as the purpose of the siren is to secure the open road for officers, ambulances or doctors on emergency cases.
