Many Attend Funeral.

With the passing of the late August Stander who died in Elmwood last Saturday, and whose funeral was held at the St. Patrick's Catholic church in Manly, the excellent character of this very popular gentleman, there were a large number of the friends who have known this gentleman over from Elmwood in attendance at the funeral. There were one hundred and two automobiles carrying people to the funeral on last Tuesday morning.

Try the Maxwell House.

The Maxwell House airplane as well as the cup of mellow coffee which is claimed to be good to the last drop, proved that after the first drop it was no good until a new propeller had been sent for and placed on the machine. Virgil Woods who has had a number of hours in the air, was getting acquainted with the newly made machine and was taxiing over the field and with each time across the field was making more speed. There being a ditch running across the field which was unobserved by Virgil and when the plane which was running on the ground but lightly as the speed was nearly lifting the machine from the ground and when the plane passed over the ditch the dip caused the machine to dip and striking the opposite bank with the landing gear caused the propeller on the bank, breaking it off and also spilling Virgil which gave him only a shaking up but put the plane out of commission until such a time as a new one can be received and placed on the machine. The young trio of owners are expecting the machine will be ready for another trial the coming Sunday.

Looking After Harvest in West. Henry P. Dohning who has much land in the western part of the state and who grows each year a large acreage of wheat, departed for Big Springs near where his interests are and where he will supervise the harvesting and threshing of this season's wheat crop and as well will see to the seeding of a crop for the coming year. The crop there this season is fair.

Celebrated Passing of Birthday. Albert Theil who resides some three miles south of Elmwood, was passing his 70th birthday anniversary last Sunday and a merry crowd of friends and relatives, many of whom were his children went with well laden baskets of good things to eat and as well with a determination to show this excellent gentleman a good time which they did. Mr. Theil is living alone and this visit was a most pleasant one.

With the crowd was Mr. and Mrs. Emil Rosenow, Mrs. Rosenow being a daughter, Albert Theil, Jr., of near Murdoch, who was accompanied by the mother of Mrs. Theil, Mrs. O. W. Towers of Council Bluffs who is visiting at the home of Mr. and Mrs. Albert Theil, Jr., and the kiddies, Wm. Glaubitz and family of near Avoca, Mrs. Glaubitz also being a daughter, Albert Straich and family and Joseph F. Gustin and family, both families of near Murdoch and the ladies being daughters of Mr. Theil, Vernon Hill and family of south of Elmwood and Mr. and Mrs. Clyde Hoffman.

A most pleasant time was enjoyed and with the excellent eats which were taken along by the guests made the day a most pleasant one.

OLD RESIDENT HERE

From Tuesday's Daily: This morning James Gamble, 87, of near Elmwood, one of the old time residents of that section of Cass county, was in the city to visit and look after a few business matters. Mr. Gamble was born in the County Derry, Ireland, May 29, 1848, coming to the United States later with his brother, Aaron, they settling in the vicinity of Elmwood in the year 1879 and have since made their home there until a few years ago when the brother was called by death. Both of the brothers were hard working and able to accumulate substantial holdings as the result of their thrift. Mr. Gamble states that he was a resident in Eight Mile Grove for a time before going to Elmwood and was well acquainted among the older residents of this part of Cass county, most of the old friends have long since passed on.

Enjoyed an Outing at Camp. A number of the younger girls of Nehawka have been enjoying a season at Camp Brewster, near Omaha, on the Bellevue road, during the greater portion of this week. Among those going were Ruth Ann Sheldon, Lottie Lundberg, Mary Alice Sumner and a number of others from the country.

Getting Ready for School. Steps are being taken to get the Nehawka school building ready for the opening of the school year, which is but little more than a month off. Repairs and changes are being made in the different rooms and everything put in first class shape for the children to again answer the old school bell.

The faculty have all been chosen, with the single exception of an instructor in music who remains yet to be selected. Those now under con-

tract for the coming year include Superintendent C. E. Stimbart, Ruth Johnson, principal, Miss Claire Hinds, Home Economics, Miss Le Deloyt, Verle Stone, Ruth Hall and Verne Hoght.

Nehawka

David C. West was called to Omaha last Monday to look after some business matters, driving over to the city in his car.

Miss Leora Ingwersen was a visitor with friends in Lincoln over the week end, enjoying a brief but most pleasant stay there.

Mrs. John Opp, who has been in the hospital for some time following an operation, was able to be brought home last Sunday, and while feeling some better, is not entirely well as yet.

George Hanson was quite busy last Monday, being called to Omaha, Plattsmouth, Unadilla, Avoca and Syracuse, and as well was tending to some business here at home during the afternoon.

Superintendent C. E. Stimbart, who is one of those selected to measure land taken out of production under the 1935 corn-hog reduction program, has been busy with this work during the past couple of weeks.

Mrs. Henry Sturm, who has been ill the past six months and who has been confined to her home and bed the greater part of the time is now feeling considerably better and is so she can sit up a portion of the time.

O. M. Philpot was threshing and delivering his wheat crop, which yielded around 25 bushels to the acre and averaged the full 60 pounds net weight to the struck bushel, which he considered as being very good.

The wheat of J. W. Murdock, which was recently threshed and delivered to the Farmers Elevator, yielded on an average of 25 bushels per acre. While not as large as early appearances of the crop would indicate, it is very good for the season.

Mrs. Albert Anderson and son are visiting this week at the farm home of her sister and brother-in-law, Mr. and Mrs. Frank Horstman, where the former is assisting her sister with the task of cooking for harvest hands and the son is enjoying a taste of country life.

Olaf Lundberg and wife and their daughter and son-in-law, Mr. and Mrs. Harold Dodson, comprised a party that sought to get away from the sweltering heat last Sunday and went to Weeping Water in their auto, where they attended a play at the Liberty theatre.

Fred Gaede and wife, of Unadilla and Harry Bartholds and wife of Avoca were Sunday guests at the home of Mr. and Mrs. Lyle Kruger on last Sunday. Harry Kruger and wife of Plattsmouth were also visiting with friends and relatives here last Sunday, coming down in their new car.

Many of the people of Nehawka and vicinity have been receiving cards from the former musical instructor of the Nehawka schools, Miss Dorothy Jensen, who is now in Europe on a vacation, and who will teach in Omaha during the coming school year, upon her return from this extended vacation. En route home, she plans a tour of the eastern part of this country.

A little daughter of Mr. and Mrs. Henry Lyons, while at play last Monday morning fell and fractured her arm. The fracture was reduced by Dr. G. H. Gilmore, who substituted for Dr. R. W. Tyson, as that gentleman has an injured hand which became affected from a small wound, making it inconvenient for him to do such work as bone setting, and Dr. Gilmore graciously did the work for him.

Will Hold Family Reunion

The Sturm family have arranged to meet in family reunion on August 4 at Chautauqua park in Beatrice, as that is a central point for the larger number who will attend. Some of the members reside there and others still further on in Kansas. This matter of getting together once a year for a family reunion is a very fine thing, and each year more and more families are doing it.

Enjoyed an Outing at Camp

A number of the younger girls of Nehawka have been enjoying a season at Camp Brewster, near Omaha, on the Bellevue road, during the greater portion of this week. Among those going were Ruth Ann Sheldon, Lottie Lundberg, Mary Alice Sumner and a number of others from the country.

Getting Ready for School

Steps are being taken to get the Nehawka school building ready for the opening of the school year, which is but little more than a month off. Repairs and changes are being made in the different rooms and everything put in first class shape for the children to again answer the old school bell.

tract for the coming year include Superintendent C. E. Stimbart, Ruth Johnson, principal, Miss Claire Hinds, Home Economics, Miss Le Deloyt, Verle Stone, Ruth Hall and Verne Hoght.

Completed His Threshing

Melvin Sturm, who last Monday completed the threshing of his small grain, reports the wheat was of good quality and yielded twenty-five bushels per acre, while the rye made in the neighborhood of twenty bushels to the acre, which is considered very good.

Takes Granddaughters to Camp

Stuart Rough, who has his daughters, Mrs. Ben Benson and two daughters staying with him this summer while Mr. Benson is staying on the road, took the two grandchildren to Camp Brewster, near Omaha, for an enjoyable outing of a week. The two granddaughters are Frances Helen and Mae Benson. Also accompanying them to camp were Clara Mae Kruger and Betty Sumner.

Exceedingly Busy at Elevator

Stuart Rough and James Palmer, both experienced elevator and grain men, have been kept busy with the receiving of grain, as the threshing program gets under full swing in this part of the country. It is no uncommon sight to see them at the elevator around 5 o'clock in the morning and continuing through until dark, or even later, in order to handle the grain, and were there Sunday until 3 o'clock, when Stuart said those delivering would have to put the rest in bins and bring it in early Monday morning.

Says Crops Looking Good

A. F. Sturm, who was at Superior, Nebraska, attending the funeral of the late William Spohn, took particular notice of the condition of crops between Nehawka and Superior and says there is but little difference between the crops here and there, other than that the corn around Hastings is a little more backward than anywhere else along the way, going or coming. He thinks there will be a satisfactory corn crop, although general lateness raises some question of it maturing before a killing frost.

Wm. Spohn Dies at Superior

William Spohn, or Superior, brother of George Spohn of Weeping Water and Charles Spohn of Elmwood, and who formerly resided in Cass county, died at his home there last week, after an illness extending over a number of years. The funeral was held at Superior on Thursday of last week. Mrs. Walter Wunderlich took their car and with Mr. and Mrs. John Wunderlich and Mr. and Mrs. A. F. Sturm as passengers, drove to Superior for the funeral, the opportunity of going being appreciated by the members of the party, all of whom are relatives of the deceased man.
