

Cook Bros. Circus Here Next Tuesday

Courtesy Tickets Admit Adults or Children at Reduced Cost

Courtesy Tickets May be Secured with Purchases of 25c and up at Soennichsen's or the Black and White Grocery

The COOK BROS. Trained Animal circus will exhibit in Plattsmouth on Tuesday, August 20, matinee and night performances. The show will be located on the Sage estate land adjoining Chicago avenue and Highway 75. The show comes here from a four day engagement at Krug Park in Omaha.

Lemonade, Peanuts, Balloons, the Menagerie, Side Shows, Barkers and funny Clowns—all these will be on hand, together with a galaxy of trained animal acts, daring aerial performances, etc., etc.

Ladie-e-z and Gen-tul-men!

Let all eyes be engaged on the next attraction!

The spangled, glittering aerial artists, swinging out over the heads of the crowd, the galloping white horses, the lumbering elephants, the trained dogs and ponies, the funny faced clowns with their antics and capers, the vendors with their baskets of "hot buttered pop-corn" and "nice, fresh peanuts, the multicolored balloons swaying in the crowd, the sideshow with the "Bullfrog Boy" and the

"living head" that speaks, sings and answers questions, the smell of sawdust and grease paint—that is the circus—and all are back with true circus glory, in a grand, new fashion.

It isn't necessary to go to Omaha to see this circus, for it is coming to Plattsmouth next Tuesday, August 20, as a fill-in stop while en route to points farther south. This will be the same big show that is now playing at Krug park in Omaha.

In this connection comes another important announcement, namely:

Special Courtesy Tickets admitting adults to the show for 25 cents or children under 14 years old for 15c, at either afternoon or night performance, may be obtained with purchases of 25 cents or more made at either the H. M. Soennichsen Co. Store or Soennichsen's Black and White Grocery. This store has the exclusive distribution of these courtesy tickets. Without them, the charge is 50 cents for adults and 25 cents for children.

Get Courtesy tickets with your purchases at the Soennichsen stores and save approximately half the admission price.

Levy for Cass County for 1935 Made Tuesday

Voted to Make Levy for 3.95 Mills for Operating Cost of County for the Ensuing Year.

The county board of equalization at their meeting of the year Tuesday afternoon at the court house, made the levy for the ensuing year for all purposes for the operating cost of the country government.

The following amounts were levied for the various funds of the county:

General Fund	1.80 mills
Poor Relief	.43 mills
Road	.90 mills
Bridge	.63 mills
Mother's Pensions	.16 mills
Soldier's Relief	.03 mills
TOTAL	3.95 mills

The levy for the state, made by the state board of equalization has been set at 2.15 mills and which makes the combined state and county levies as 6.10 mills for the ensuing year.

The board in addition levied a head tax of \$2 per capita as provided by law for the old age pension law of the state.

In the Louisville precinct gravel the levy was set at eight-tenths of a mill, the petition having requested that the levy not exceed one mill and the board was able to reduce this materially in their levy.

CASS COUNTY ALSO HAS LARGE ELM TREES

The three following letters have come to the Farm Bureau office in response to last week's news item concerning what Earl G. Maxwell, extension forester, College of Agriculture thought to be the largest elm tree in Nebraska measuring 162 inches in circumference four feet from the ground. The first report came from Mrs. Guy C. White. "There is an elm tree on Elm Grove Farm six miles south of Plattsmouth on the old home place of David A. Young which measures 194 inches in circumference four feet from the ground."

Another tree, 184 inches was reported. Property of Charles Engelke-meier near the Jasper greenhouse in Plattsmouth. "Pioneers of that section claim it was an old land mark being on one of the numerous trails which led from the old ferry across the Missouri river.

Leo A. Binfer of Plattsmouth reports an elm tree in his pasture measuring 167 inches at two feet, 175 at four feet and 204 at six feet from the ground.

SMASHUP NEAR FORT CROOK

From Wednesday's Daily Last night W. E. Stevenson, Villisca, Iowa, was returning from Omaha driving a truck and near Fort Crook the truck collided with the car driven by Harry Rohlf of this city. The collision is reported as almost head on and the car of Mr. Rohlf was very badly damaged and minor injuries suffered by the occupants of the car, none of which, however, is thought to be dangerous. In the car were Ike and Bud Gochenour and Marvin Stapp, Ike Gochenour and Stapp suffering some bruises and cuts in the wreck and all the party badly shaken up in the mixup. The truck driver was uninjured. The members of the Plattsmouth party were en route to Omaha and after the accident were brought home in a taxi to have their injuries looked after.

ROUND ROBINS MEET

The members of the Round Robins enjoyed one of their pleasant meetings at the home of Mrs. Lula Wolfe, south of this city, the past week.

The occasion proved most delightful in a visit among the members of the jolly group and which was climaxed by the fine luncheon arranged by the hostess to add to the pleasures of the day.

The farm of Mrs. Wolfe has a wonderful well, one that was sunk many years ago when her parents, Mr. and Mrs. George W. Shrader, first settled there and from the old oak bucket the members of the Round Robins enjoyed the cooling waters that came from this fine old well.

The next meeting will be held at the home of Mrs. Jennie Klimm on September 12th.

VISIT AT UNION

Mr. and Mrs. George Lindsey of Union had as their guests Mr. and Mrs. James Langhridge of Hawthorne, Calif. A most pleasant time was had in recalling olden times as they are old time friends and play-mates when Factoryville was a town in Cass county.

Nehawka

Fred Nutzman has purchased a new Chevrolet coupe that will take care of his transportation problem for a long time to come.

Stuart Rough has been enjoying a visit from his son, S. B. Rough, who arrived in Nehawka from Long Beach last week and is visiting here for a time.

Mr. and Mrs. W. O. Troop were visiting and looking after some business matters in Plattsmouth Monday of this week, driving over to the county seat in their car.

Mr. and Mrs. Olaf Lundberg and Mrs. Laura Fleischman and daughter were at Nebraska City last Sunday evening, where they took in a moving picture show, seeing Shirley Temple in her new picture, "Curley Top."

Gilbert Edmonds and family were visiting with friends in Plattsmouth last Sunday and were also over at the sand pits near Orepolis, where they took a dip in the cooling waters, as it was one of the hottest days of the year.

John Jacob Stone and wife, of near Murray, were visiting in Nehawka at the home of Mrs. Stone's parents, Mark Burton and wife, and accompanied by them were also down to Nebraska City, where they attended the moving picture, "Curley Top."

Albert Swanson and family of near Alvo were visiting at the home of Mr. and Mrs. Herbert Kuntz, the ladies being sisters. They enjoyed the day notwithstanding the extreme hot weather, and all went to Nebraska City in the evening to attend a picture show.

E. E. Hadley, wife and children departed Sunday morning for the west, where they will visit about ten days, taking in the wonderful sights of that part of the country. They expect to be gone about three weeks, arriving home in time for the children to enter school.

W. H. Kruger and wife were visiting in Sidney, Iowa, and attending the rodeo which began Tuesday and will continue up to Saturday night. A goodly number of the people of Nehawka and vicinity are planning on driving over for at least one performance of this great show.

Norris Kruger and wife, of Lincoln, Ark., the former a son of Mr. and Mrs. Lyle Kruger, was visiting at the home of the parents for a number of days and were joined here by Mrs. Fred Gaede, of Unadilla, a sister of Norris Kruger. They all enjoyed their visit together very much.

Attended Funeral in Iowa

Miss Helen Seeley, of Lincoln, Nebraska, a cousin of Mrs. Frank Sheldon, died at her home Friday morning, August 9th.

Burial was in the family lot in her former home town, Afton, Iowa, on Monday afternoon. Mr. and Mrs. M. N. Tucker, of Nehawka, and Miss Pearl Banning of Union drove to Afton to attend the funeral.

Visiting in the Northwest

D. C. West, George E. Hansen and Robert Wunderlich drove to Calgary, a distance of 1,500 miles from Nehawka, in well high record breaking time last week. With Bobby at the wheel, they made 726 miles the first day out, spending the night at Casper, Wyoming, after 15 hours of continuous driving at an average speed of more than 47 miles per hour, including stops. That is covering a lot of territory in one day. From there they continued on to Calgary a bit more leisurely, but nevertheless making plenty good time and arriving in the Canadian city early their third day out.

To Take Post Graduate Work

Dr. Henry W. Walters and wife left last week for Denver, where the Doctor will take a post graduate course and where they will both enjoy an outing of some weeks. During the absence of Dr. Walters his practice will be looked after by Dr. Pearson, of Omaha.

Was Very Poorly Sunday

Mrs. G. A. Murdoch, who has not been in the best of health for some time past, was feeling quite poorly last Sunday and was kept to her bed, but was greatly improved on Monday and was able to be up and about, but had to get about very slowly.

Had a Splendid Exhibit

The window of the Sheldon Department store was very graciously given for an exhibition of knots tied by the members of the Nehawka Rope club. There were exhibited a large number of specimens of knots, including almost every known kind of a knot, a considerable number of which had been learned with difficulty by the members of the club and required long practice to learn to tie readily. The display is a credit to the ability

YOU DON'T
HAVE TO "BREAK IN"
THE FORD V-8

You can drive it 50 miles an hour the day you buy it

THE FORD V-8 is ready for normal driving when you buy it. There is no tedious period of breaking-in for 500 or 1000 miles. You can drive it up to 50 miles an hour the first day. And after the first hundred miles you can drive it as fast as you desire.

That means greater motoring enjoyment for every motorist. It is especially important to motorists who are thinking about a new car for a vacation trip—to physicians, salesmen and all those who use a car for business. Instead of dragging along at slow speeds for days, you can make good time from the start.

The reason for this is as important as the result. The Ford V-8 needs no breaking-in because of unusual accuracy in the manufacture of moving parts and the smoothness of bearing surfaces. Clearances are correct when you buy the car. It is not necessary to depend on a long wearing-in period to eliminate tightness and insure smooth running. Longer life, greater economy and better performance are bound to result from such precision methods. The Ford V-8 gives you fine-car construction, along with fine-car performance, comfort, safety and beauty.

VISITS IN THE CITY

Mrs. Lydia M. Davis, formerly a nurse at the Nebraska Masonic Home, was in the city Monday evening at the M. S. Briggs home, securing some of her effects and returning today to her home at Indianola, Iowa. She was accompanied by her nephew, Myrell Dowl, who brought the auto here.

VISIT AT ST. JOSEPH

Misses Janet and Ruth Westover are visiting at St. Joseph, Missouri, where they are guests at the home of their uncle and aunt, Mr. and Mrs. J. L. McKarron and family. The young ladies will spend a short time in the Missouri city and visiting the many points of interest in that city and vicinity.

Your city is judged by its streets CONCRETE rates 100%

From every standpoint, concrete is the ideal paving material. It saves taxpayers money by reducing original and upkeep costs... is safe in any weather, drains quickly and increases visibility... improves property values—lasts the longest. Driving costs go down. You save on gas, oil, tires

and car repairs.

Concrete pavements give a clean, spick and span appearance to the community. Concrete's pleasing gray color reflects light, makes it easier to see—reduces accidents, in every kind of weather.

Insist on concrete for safety, comfort and money-saving.

A golden opportunity! Federal funds are now available for paving both highway system roads through town and important thoroughfares off the "system." Check up in your community. Has a project been submitted?

Returned from the North

Guy Rood and family, who were in Dakota looking after the harvest on the farm of Nels Anderson, returned home last Friday and report the harvest over and threshing done. The work was done at one operation by a combine. There were 160 acres of wheat, the average yield being 1 1/2 bushels to the acre.

Transferred to Washington

Ernest Opp, son of John Opp and wife, who is a member of the United States Navy and who has been stationed at San Diego, in company with two other young sailors, have been transferred to Washington, D. C., the trio arriving in Nehawka Thursday of last week and remaining here until Saturday before continuing on their way east. The names of his two companions are Harry Briggs and M. R. Stokes. All have been in the navy years and in their transfer are receiving a nice promotion.

Needless to say, Ernest enjoyed the brief visit here with his parents and old friends, all of whom wish him the best of success in his new place in the nation's capital city.
