Glenwood Wins Opening Football Game Friday

Huebner and Company Prove Fast and Win 19 to 0 From Platters —Locals Show Promise.

The first high school football game of the season for the Platters, was annexed Friday afternoon at the local Athletic field by Glenwood, by the score of 19 to 0 and in a game in which the outstanding play of Huebner, Glenwood back, was demonstrated as he negotiated most of the Glenwood gains.

With the kickoff by the locals Glenwood started their offensive by a long sweeping end run and trying short passes but were held from the goal, with Carey as the chief sparkplug in the blue and white defense.

It was not until well in the second quarter that Glenwood, despite their heavier and more experienced team, were able to get the pigskin over the Platter goal and this when they uncorked a series of passes that held the locals spellbound and with the battering of Huebner brought the ball to the scoring zone when a well placed pass back of the line tallied for six points, the try for extra point failing.

In the opening minutes of the third quarter Glenwood commenced their driving attack which featured a dashing end run by Huebner, forced out on the local twenty yard line, but the Platters were able to hold and securing the ball kicked out to the enemy, only to have the ball run back to the danger zone. The Glenwood team was able to carry the ball over in a spinner play that worked nicely.

Glenwood's last score came late in the final quarter when with the smashing runs and short passes the team advanced deep to the shadow of the Patter goal line and from where they scored, a long sweeping end run taking the ball over for the final score. The kick of Huebner was good for the extra point and left the tally 19 to 0 for the visitors.

The Platters next week will be away from home as they will play at Valley, which team they defeated last season on the local lot.

BUSH TO POLYGYMY FEARED

Short Creek, Ariz.—Reports that 500 Utah families are eager to cast their lot with Short Creek's colony—in which the men have several wives—provided new concern for authorities.

County Attorney Bollinger, progressing slowly over dirt roads on a 400 mile trip to the isolated community, was expected to arrive Friday to resume hearings for two men and a woman accused of "open and notorious cohabitation."

Bollinger expressed deep concern over reports of a threatened emigration from Utah, where polygamy is a felony, in case the charges are dismissed.

The accused trio, Price Johnson, Carl Spencer and Silvia Allred, of latter an alleged plural wife of Spencer, fled Sept. 6 during the hearing, taking refuge in a mountain cave. There they lived on parched corn until attorneys persuaded them to surrender and post appearance bonds.
